The Executive Committee of Western Kentucky State Teachers College met in the President's office, August 26, 1938.

Present: Mrs. Drake, President Garrett, and Mr. Berrone. Mr. Berrone presided.

President Garrett nominated Dr. Ward Supter for election as a member of the Chemistry Department at a salary of \$250.00 per month beginning September 1, 1938. Motion made by Mrs. Drake that Dr. Supter be elected at the salary suggested. Mr. Garrett seconded the motion. Upon roll call all members voted in the affirmative. The motion was declared adopted.

President Garrett discussed with the Committee the completion of the Kentucky Building stating that he had filed the necessary application papers with the Atlanta office and that the papers were now in Washington. He said that he had requested a grant of \$36,000.00 which together with \$10,000.00 provided in cash by the College Heights Foundation together with \$34,000.00 from the appropriation made by the General Assembly would be sufficient to complete the building.

President Garrett stated that funds were exhausted for the WPA Music Building project and he had been notified that work would stop August 27. A request was filed several weeks previously for additional grant to finish the building and to dig the trench and lay the pipe from the Music Building to the Heating Plant together with grant in the amount of about \$2000 for purchase of pipe. Mr. Bennett of the WPA was of the opinion that this request would be heard soon in a few days.

There being no further business, the Committee adjourned the meeting called by the President.
