*Please note room change.

Please remember another very important date, December 9, 1987. This is the day for the Senate-sponsored Open Forum on the legislative outlook for higher education to be held at 3:30 p.m. in Room 305, DUC. All three of our area legislators(Senator Kafoglis, and Representatives Richards and Smith) will be present.

I hope you are planning to be there. I will greatly appreciate any help you may give in publicizing this event. Departmental senators are receiving with this agenda several posters announcing the Forum. Please post these at strategic areas in your department.

Thanks to everyone for your help.

Fred Murphy, Senate Chair
