Dear Dr. Ransdell

The Student Government Association recently passed several resolutions dealing with the Student Health Service. The Student Government has several concerns about the Student Health Service Committee and the current pending decision to privatize. As the main user of the Student Health Service and the basis for its funding, we feel these student concerns need to be addressed.

Attached you will find a copy of three resolutions. 99-3-S *Releasing of S.H.S. Reserve Fund*, 99-4-S *Extension of S.H.S. Decision*, and 99-6-S *Expressing Student Concerns for the Future of S.H.S.* Each of these resolutions, while dealing with the S.H.S., needs to be addressed individually. We hope that you review these resolutions carefully and respond as soon as possible.

As the Student Government Vice President of Administration, it is my job to direct the resolutions to the proper departments within the University. I have also sent a copy to Ann Mead, Chairman of the Student Health Service, Gary Meszaros, Indudeep Chhachhi, Cassie Martin, Kyle Matthews, and Dwight Campbell.

If you have any questions or concerns, please feel free to call or E-mail me (bastimd@wku.edu). The members of the Student Government Association appreciate your attention to this issue.

Sincerely,

Matthew D. Bastin
VP of Administration, 1998-1999
