Administrative History: In the fall of 1933 a group of faculty members "who were especially interested in launching a campaign leading to the carving and erection of a statue of President Cherry" began meeting.

A steering committee of sixteen was soon elected consisting of chairman J.R. Whitmer, secretary Mattie McLean, Finley Grise, E.H. Canon, Roy Seward, W.J. Craig, M.C. Ford, L.T. Smith, W.M. Pearce, Kelly Thompson, Margie Helm, West Richards, Sterrett Cuthbertson, Florence Schneider, W.L. Matthews and Arndt Stickles.

The group met from 1933 through 1938 devising a plan, raising money, hiring architect Lorado Taft and distributing excess funds. Class sponsors were chosen for each WKU class to solicit donations from their cohorts.
