MINUTES

Council of Academic Deans

February 21, 1986

Dr. Haynes called the meeting to order at 2:00 p.m. Members present included Drs. Hellstrom, Binder, Hershbarger, Kupchella, and Petersen. Dr. Brenner represented Dr. Sandefur.

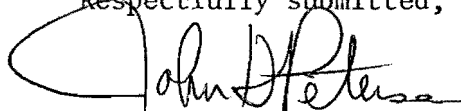

After brief announcements, Dr. Paul Cook joined the meeting to discuss recent developments in the state legislative session as they relate to higher education. Several changes appear to be under consideration which would modify the governor's proposals.

The subject of mandatory academic advising was considered at some length. Before making a recommendation, the deans wanted to invite Dr. Jerry Wilder to attend the next meeting to clarify current procedures and to invite his reactions to this policy. It was agreed by everyone that it is too late to implement a new system for fall, 1986 registration.

There was some preliminary discussion of salary policy, especially relating to the non-recurring incentive pay. While more information is needed before a final recommendation is possible, the deans recognized the need for discussion with department heads. This item will be on the agenda for the next meeting.

The Council adjourned at 5:15 p.m.

Respectfully submitted,

John H. Petersen
