Over the summer the Delts had a new experience. They had a summer rush for the first time. The party was planned well by rush chairman Jeff Himes. Invitations were sent to all the potential rushees that had expressed an interest in Greek life at Western.

In the Fall was the advent of Dr. Rush. To many people it was a hassle not having drinks but the Delts felt it was a challenge. "River Boat Gambler" night was extremely well received. The brothers dressed up as show girls.

## Kappa Sigma

The Theta-Theta chapter of Kappa Sigma at WKU has been and will continue to be an asset to the University as well as the Bowling Green community.

Although Kappa Sigma is deemed a social fraternity, they do much more. When David L. Mason and Bart White called upon the fraternity to help with the Wendy's 10 K Classic, they showed up in force to ensure the race ran as smoothly as possible.

This past Christmas the brothers became aware that many children were to do without gifts during the holiday season. They took a collection from their personal finances and raised \$200. The smiles on the children's faces were well worth the effort.

In recent months, Kappa Sigma has donated to the Bol Bowling Green Optimist Club to ensure sponsorship of Bike Safety Week, Little League teams and Tri-Star Basketball. The chapter has also helped the Boy's Club Bowling Green by a Pancake Breakfast.

### Cap

The competition was open to all male Western students and attracted some of the finest shooters on the hill. On Feb. 15 the SAE's had their Valentine's Dance which marked the first SAE dance for the eight spring pledges.
