MINUTES

Council of Academic Deans

December 2, 1986

Dr. Haynes called the meeting to order at 10:15 a.m. Members present included Drs. Hershbarger, Binder, Sutton, Hellstrom and Petersen. Mr. Greeley represented Dr. Kupchella and Dr. Martray represented Dr. Sandefur.

The minutes of the November 25 meeting were review and approved.

Dr. Haynes distributed some information on the distribution of class meeting times that was prepared by Dr. House. Some further interpretation of this data by the deans and department heads will be done to clarify this information.

Dr. Haynes briefly discussed the possible plans to deal with the state mandated reduction in the 1986-87 appropriation for the university.

The scope of the Owensboro Center was discussed with regard to such issues as registration, advisement and degree programs. There was recognition that serious budget planning is needed to meet those needs.

The schedule for summer 1987 was discussed at length. There was some concern about the different schedules in Potter and Ogden Colleges. Dean Sutton raised the questions of registration, grade reports, and fee payments. Now that we have a relatively firm schedule, these will be discussed with appropriate individuals. The deans still support trying the new schedule.

Respectfully submitted,

John H. Petersen
