Resolution 02-03-07
Vending Machine Prices
November 14, 1996

PURPOSE: For the Student Government Association of Western Kentucky University to recommend that WKU Vending Services and Canteen Services the prices of snacks in vending machines on campus be reasonably set at even dollar amounts.

WHEREAS: Currently, the vending machines offer snacks at odd prices requiring a dollar and some change, and

WHEREAS: The majority of University students do not carry change with them at all times and at times the machines require exact change only, and

WHEREAS: The current pricing of snacks is discouraging students from purchasing snacks from the vending machines, and

WHEREAS: Offering snacks at even dollar amounts would encourage students to purchase these snacks and also generate more profit for Canteen Services and the University.

THEREFORE: It is resolved that the Student Government Association of Western Kentucky University to recommend that WKU Vending Services and Canteen Services the prices of snacks in vending machines on campus be reasonably set at even dollar amounts.
