Faculty Senate Executive Committee

June 21, 1978; Faculty House, WKU, Bowling Green, Ky.

The meeting of the Executive Committee plus some Committee Chairs was called to order at 12:00 noon by Chair Tom Jones.

In attendance were Senators Don Bailey, Bill Buckman, Don Butler, Phil Constans, Joan Krenzin, Gregory Lowe, Marion Lucas, Mary Ellen Miller, and Jim Parks.

Discussion centered around the news releases and letters in the Park City Daily News and The Courier Journal concerning the Faculty Senate evaluation of the administration. Some members present felt no answer should be made to the letters printed in the paper, while others felt that a reply could be made to clear up several misunderstandings of the evaluation and its final results. There was discussion concerning the effects of the newspaper publicity on the Faculty as well as on the Faculty Senate and concerning problems of communication between the Faculty and the Board of Regents. A suggestion was made that the Senate Executive Committee host a party to enable the Board of Regents and the Executive Committee to meet informally.

Chair Tom Jones requested discussion on a possible summer session of the Senate. Discussion followed, but no action was taken. Jones also asked whether any Committee Chair would have a report for the summer meeting; the reply was negative.

Senator Constans suggested that we proceed with the reports we have ready for distribution, such as the Lucas Report, etc.

There was discussion concerning the meeting of the Board of Regents, and the request was made that faculty members attend the Board meeting on July 1, 1978.

Chair Jones announced that the Senate now has a "secretary" and a "working office."

The meeting was adjourned at approximately 1:30 .
