Resolution 04-07-S

Informing Western Kentucky University Bookstore Purchasing Deadlines

PURPOSE: For the Student Government Association of Western Kentucky University to recommend that the University Bookstore informs students of a purchase deadline for textbooks before they are shipped back to their manufacturers.

WHEREAS: Currently, there is no system in place to inform students as to when the books will no longer be available for sale in the University Bookstore, and

WHEREAS: Some university students do not have adequate time to obtain funds to purchase textbooks from the University Bookstore, and

WHEREAS: Sending textbooks back to the manufacturers without students' knowledge can result in poor academic performance, and

WHEREAS: Informing students of a purchase deadline would encourage them to make textbook purchases in a timely manner and also generate more profit for the University Bookstore.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University recommends that the University Bookstore informs students of a purchase deadline for textbooks before they are shipped back to the manufacturers.
