Alpha Phi Omega

IX ISP

January 13, 1991

Neither cold of blinding blizzard nor the slipperiness of icy roads nor thud of frozen fuel line shall keep these faithful Xi Psi couriers from their assigned duties. Yes, dear brothers your duly elected voting delegates, Leigh Carrico and Courtney Richardson, braved a winter storm with a stalled car and even slid into a ditch in order to carry your wishes and votes to the National Convention in St. Louis.

The next three days included early risings at 8:00 a.m. to register for and participate in the two day long legislative session. The delegates also attended seminars in certain areas of chapter operations as well as sectional and regional meetings. As a side note, the delegates had the thrilling opportunity to see Sectional 70's director, Michael Calletti, topless!

All in all, despite the dangerous drive, the long hours in pointless legislative debate, and wandering aimlessly along James "Cool Papa" Bell Avenue, the trip was an interesting and educational experience that is recommended highly for all brothers. Nothing solidifies one's belief in the power of Alpha Phi Omega than to stand with nearly 800 fellow brothers and decide the future of OUR fraternity. Thank you for allowing us to represent Xi Psi at such an important event.

Courtney Richardson
Leigh Carrico

Howdy Brothers,

We are starting off a new semester here at Western and entering into a new era in Alpha Phi Omega. As we do this let us not forget the purpose of our fraternity which was and is the betterment of mankind through Leadership, Friendship, and Service.

Keeper of the Brotherhood
Shannon Hurley

Welcome back everyone! There are some big things planned in the Alumni area for this semester, and I will need both your help and support.

First, I will need help stuffing envelopes for the first big alumni mailout on Wednesday evening at 7:00 p.m. in Poland Hall's rec room. It is not difficult work and, as always, the more people we have, the faster it will go. You will also have the satisfaction of knowing that you are contributing to the first contact Xi Psi has had with its Alumni for nearly 15 years.

I am also looking for a few good, hard working and creative APO's who are interested in joining my committee. The main activities this committee will be involved with include working on the Founder's Day banquet and dance, starting individual alumni files, and continuing correspondance with Alumni. The biggest obstacle for this office has been cleared up, so this semester is ready for fun events.

Until I get some further input, I'll set my meetings for Wednesdays at 7:00 p.m. All interested parties please contact me at 3755 or 2559 (work). I am looking forward to hearing from you!

Alumni Corresponding
Secretary,
Courtney Richardson

Dear Brothers,

Welcome back for an exciting new semester! I hope everyone enjoyed a happy holiday break. As we enter into another semester of brotherhood, I encourage each and everyone of you to actively participate in as many of the upcoming fellowship events as possible. Remember, fellowship is the cornerstone of our fraternity. January is loaded with fun events and gatherings designed to forster good fellowship. I urge you to make time in your schedule to come out and have a good time with your brothers and this semester's upcoming pledge class. Any questions comments or suggestions, please don't hesitate to call me.
