XI PSI CHAPTER

SERVICE PROJECTS-----

Scoutarama

Several actives aided numerous scouts at Bowling Green's annual Scoutarama at the Ag. Expo Center. The brothers helped with parking cars, and some even directed activities. Each member received a Boy Scout patch; our chapter was awarded a plaque for our service.

High School Phonothon

The merits of attending Western Kentucky University echoed from the voices of brothers phoning high school seniors. They called students at their old alma maters to answer questions about all aspects of college life. The director of the event considered it to be a very successful endeavor.

Sweet 16 Academic Competition

APO's rose early to register high school students at this yearly event in which academic and non-academic contests are held. Several actives and pledges wore our letters displaying their spirit as they worked.

Humane Society

The coordinator of the Bowling Green-Warren County Humane Society came to our meeting to encourage the chapter to take on this cause as a project. We are to distribute and to be responsible for collection of donations as local restaurants. In addition, several brothers plan to help with processing adoptions and exercising the pets.

Sun Belt Tournament

A number of APO brothers turned vendors to sell programs at the tournament as Western played host. Everyone worked diligently; however, David Vaughn mastered a technique that few could refuse.

Blood Drive

Brothers and pledges rolled up their sleeves to give blood. Several helped with registration. The blood drive was sponsored by the Kappa Sigma Fraternity who asked for our help.

SOCIAL EVENTS-----

---A welcome back party was held at Jeanette Dinning's house. It gave interested students a chance to get to know some of the actives.

---For Tami Wooten's Birthday, the pledges invited the brothers to get together at Picasso's for the special occasion.

---At the March 15th meeting, pizza was served as a surprise for the pledges.
