COLLECTION NOTE

This collection consists of marriage records for Warren County, Kentucky. The bulk of the collection runs from 1797 to 1909, and includes some records for African Americans.

The collection consists of three parts:

Boxes 1-25: marriage records dating from **1797-1939**. These were rescued from destruction in the late 1950s and consequently do not represent all of the marriage records ever produced in Warren County during that period.

Box 26: photocopies of marriage records from **1983-1984**, which were added to the collection in 2009; and

Boxes 27-32: additional marriage records dating from **1798-1912**, which were collected under the same circumstances as Boxes 1-25 and were incorporated into this collection in 2011 and 2022.

The records usually consist of one or more (but not necessarily all) of the following documents: a marriage bond or marriage license, the consent of a parent or guardian, and a certificate of marriage. In lieu of a certificate of marriage, earlier marriages may be recorded by a minister's return. Since one minister's return was often prepared for several marriages at a time, these have been collected in Box 17 and are cross-referenced with records elsewhere in the collection.

Box 17 also contains a copy of *Warren County Kentucky Marriages 1797-1851*, by Helen Thomas, Mary Rabold and Elizabeth Price. Many, but not all, of the original marriage bonds and consents that were used to compile that book are now in this collection. Some of the marriage records that are now missing in paper form may have been preserved on microfilm housed in WKU's Special Collections Library.

Within each box in the shelf list below, the folders are arranged **chronologically by year**, and the contents of each folder therein are arranged **alphabetically by groom's surname**. Following the shelf list are lists of each folder's contents by name. Use the "find" function of your word processing software to search for a name. It is recommended that you limit your search term to a surname only, and search all possible variant spellings. Clicking on a folder title in the shelf list below **will link you to images** of the folder's contents.
