Senator Murphy presented an amended resolution to the RESOLUTION CONCERNING VOTE OF CONFIDENCE. See no. 2 under Old Business on the attached sheet.

After extensive discussion the Faculty Senate approved developing a questionnaire for the faculty to assess President's performance. There were not enough copies of the resolution to go around at the meeting. However, the enclosed DAILY NEWS article is sufficient to give you a gist of what the resolution was. A committee will be appointed to write the questionnaire and the faculty should receive it by or before March 1993.
