

RESOLUTION

The Faculty Senate requests the Board of Regents to rescind its decision of July 29, 1991 in rebus Western Kentucky University Credit Union in its entirety and without reservation.

The Regents' expeditious concurrence with our request, and concomitant rescindment of said action by October 1, this year, will be appreciated as it would preempt the expenditure by Western Kentucky University Credit Union against the Board of Regents for indemnification.

The Faculty Senate, as elected representation of the Faculty, anticipating the contingency that BoR refuses to reconsider and to rescind its action of July 29, 1991, as requested, shall prepare for initiating legal action in early October, or for jointing such action as co-plaintiff, if it were taken by Western Kentucky University Credit Union, Inc. (Co-operation with the organizations of other injured groups, e.g., the University Staff Personnel, and the Students, both as co-plaintiffs shall be prepared.)

The Faculty Senate's legal action shall pursue the goal to have invalidated by the Court said action of BoR on July 29, 1991, which purported to decree that all connections between the University and Western Kentucky University Credit Union be severed; and in the meantime, to issue an Injunction against any moves or actions in implementation of the BoR's decree. This requested Injunction shall terminate expressly all preparations for closing the campus office and the eviction of Western Kentucky University Credit Union from the same.

Furthermore, the Court will be requested to enjoin the Board of Regents from further harassing the Western Kentucky University Credit Union in any kind whatsoever, and to determine compensation to Western Kentucky University Credit Union for any injuries it suffered because of the Board of Regents' decree of July 29, 1991.
