SCHOOL SONG
ALMA MATER
In the heart of Jackson's Purchase,
'Neath the sun's warm glow
Is the home of Murray College
Finest place we know.
Though we leave thy walls forever
Many miles go hence
May our love for Alma Mater
Only have commenced.

Chorus
May we cherish thy traditions
Hold thy banner high
Ever guard thy name and glory
Live and do or die.

Dr. J. W. Carr

Dr. J. W. Carr, the first president of Murray State College, is chiefly responsible for the construction of the new stadium. It was through his unflagging efforts and planning that funds were secured with which to build the playing field for the Thoroughbreds.

Known as the "Grand Old Man" of Murray, Dr. Carr, 74 years young, is active and energetic, ready on a moment's notice to lead his beloved Racehorses to victory.

Dr. R. T. Wells

The man who made Murray State College possible is Dr. Rainey T. Wells. His dream of an outstanding college in Western Kentucky has come true. He gave the Murray College athletes their name—"Thoroughbreds." Through his efforts, the college was founded, laws were passed, funds were raised, athletics and varsity activities were promoted.

No more enthusiastic man ever breathed than Dr. Wells. He has frequently traveled 500 miles just to see his boys battle to victory. Whether leading cheers or walking up and down the sidelines, Dr. Wells is a true example of the name his boys are carrying—"Thoroughbreds."

Athletic Director Carlisle Cutchin

Quiet, unassuming, but capable and judicious, Director Cutchin has led the Thoroughbreds through those trying days of green players and a new school. He has toiled patiently and carefully to develop athletics at Murray State. His teams have made outstanding records in football, basketball, and baseball.

Frosh Coach John Miller

Coach John Miller, a letterman of Murray State, has played the game for Murray and is now coaching the Yearlings so that they may be ready for the varsity next year. His teams have been highly successful in football and basketball, even though they have been matched against some of the most powerful squads in the country. He knows how to assemble new material and round it into a smooth-working unit. His contribution to Murray State has done much to bring renown to the Blue and Gold.
