MINUTES

Meeting  
Council of Academic Deans  
June 25, 1991

Dr. Robert V. Haynes called the meeting to order at 9:00 a.m. Members present included Drs. Elmer Gray, Ward Hellstrom, Michael Binder, Charles E. Kupchella, J. Michael Brown, Ronnie N. Sutton, and Livingston Alexander. Dr. James Craig represented Dr. Carl R. Martray.

Dr. Haynes indicated that inquiries had been made about the possibility of changing our policy whereby reimbursement of total amount of a job candidate's travel expenses would be contingent on the candidate's acceptance of a position that was offered. Council members suggested that judgments about reimbursing candidates for travel expenses should be made on an individual basis.

The discussion shifted to CHE Deputy Director Mike Gardone's letter in which he requested that we apprise him as to which programs we wish to list as available through the Glasgow Center. Dr. Haynes asked that each area affected by the current listing of programs meet to decide whether or not the programs should continue to be listed.

Dr. Haynes asked for elaboration on the problems associated with the proposed dates for beginning Summer Sessions. Following the comments by Drs. Sutton and Craig and discussion by other Council members, Dr. Haynes asked that members provide him with feedback about alternatives which may alleviate the problem for public school personnel.

The meeting was adjourned at 12:00 noon.

Respectfully submitted,

  
Livingston Alexander
