COLLECTION NOTE

This collection documents “Folklorist in the Parks,” a joint project of the Kentucky Folklife Program and the Kentucky Department of Parks. Folklorist Kevin Murray conducted fieldwork among folk artists and performers in the three counties (Floyd, Johnson and Pike) surrounding Jenny Wiley State Resort Park and then showcased their work in public programs at the park. This collection includes a project summary, informant data sheets, field notes, audio interviews on cassette tapes with traditional artists, black and white photo negatives and index, and color slides and index. Administrative papers include correspondence, monthly progress reports and a project evaluation. Not all the photographs and slides listed on the image indices were turned in with the project.
