BILL 92-10-S  
CONSTITUTIONAL AMENDMENT TO RENAME ASG TO SGA  
INTRODUCED 04-01-92

PURPOSE: That the Associated Student Government amend its constitution to rename the organization the Student Government Association.

WHEREAS: The Associated Student Government of Western Kentucky University has become a very influential organization as the size and number of the University has grown, and

WHEREAS: The name "ASG" is not consistent with other student government bodies within the university system, and

WHEREAS: By changing the name to Student Government Association the organization would be moving closer to the structure of modern student governments, and

WHEREAS: It is fitting that such a growing and advancing student government such as Western's carry the uniform name of other student governments, and

WHEREAS: This change would also serve to alleviate the confusion that sometimes arises because individuals and organizations outside Western do not recognize the significance of the letters "ASG" as well as the letters "SGA", and

WHEREAS: This change would serve to physically represent the internal change that Western's student government is pursuing in order to be the best student government in the university system, and
