COLLECTION NOTE

This collection documents "Folklorists in the Parks," a joint project of the Kentucky Folklife Program and the Kentucky Department of Parks. Folklorist Jonathan E. Kay conducted fieldwork among folk artists and performers in Bell County, near Pine Mountain State Resort Park. Their work was then showcased in public programming at the park. Folk music, basket making, doll making, musical instrument making, weaving, quilting, furniture making and healing were a few of the traditions discussed during recorded interviews. This collection includes field notes, a project summary, informant forms, slides and index, photographs, negatives and index, audiocassette tapes and a videocassette tape (VHS).
