***COLLECTION NOTE***

This collection consists exclusively of a VHS tape documenting the activities of a folklife festival at Cloverport Elementary School (now William H. Natcher Elementary School) in Breckinridge County, Kentucky. The school wrote a grant to the Kentucky Arts Council to have folklorist Jon Kay stay at the school for twelve weeks while teaching the children about the importance of folklore in everyday life. At the end of his time at the school, a festival was held to celebrate the local folklife and traditions. There were many booths that displayed various crafts and food items that are associated with Breckinridge County.
