MINUTES

Meeting
Council of Academic Deans
September 28, 1993

Dr. Robert V. Haynes called the meeting to order at 9:00 a.m. Members present included: Drs. Carl R. Martray, Martin R. Houston, David D. Lee, Michael B. Binder, J. Michael Brown, Ronnie N. Sutton, and John H. Petersen. Mrs. Frieda Eggleton and President Thomas C. Meredith were guests.

After making announcements, Dr. Haynes turned the meeting over to President Meredith who led a discussion of the proposals contained in Governor Jones' report to the Commission on Higher Education. The next meeting of the Commission is scheduled for October 11.

The deans agreed to hold a special meeting on Tuesday, October 5, 1993, beginning at 8:00 a.m. in the College of Education Conference Room. This meeting will focus on a discussion of how Western might effectively prepare for the upcoming Commission report.

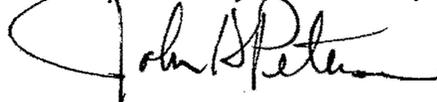

Dr. Sutton's proposal to expand degree program offerings in extended campus centers was discussed but no decision was made about moving ahead at this time.

Mrs. Eggleton answered questions about the proposal to establish a generic, non-credit course for enrolling certain students in the Co-op Program. After discussion, the deans agreed that Dr. Haynes would respond to Carol White, Co-op Director, that she should work with department heads to establish co-op courses in departments, as appropriate.

The deans supported the proposal to appropriately recognize faculty and professional staff in Academic Affairs who have reach 25 years of service to the university. Arrangements will be worked out in the near future.

The meeting was adjourned at 12:15 p.m.

Respectfully submitted,

John H. Petersen
