***COLLECTION NOTE***

This collection features documentation of the Chinese Moon Festival held on 1 October 2006 at the Singletary Center for the Arts in Lexington, Kentucky. The event was sponsored by the Kentucky Arts Council, Lexarts, Keeneland, Ashland Oil, and the Lexington-Fayette Urban County Government.

The Moon Festival is an official harvest festival celebrated by the Chinese, Taiwanese, and Vietnamese people. The festival celebrates three fundamental concepts: gathering, such as family and friends coming together or harvesting crops; thanksgiving, to give thanks for the harvest or for harmonious union; and praying, for things such as longevity or good fortune. Traditions and myths surrounding the festival are formed around these three concepts.
