MINUTES  
Meeting  
Council of Academic Deans  
October 11, 1994

Dr. Robert V. Haynes called the meeting to order at 9:05 a.m. Members present included: Drs. Carl Martray, Elmer Gray, Michael Brown, Michael Binder, David Lee, Martin Houston, and Jacqueline Addington.

Dr. Haynes distributed a memo related to the Council on Higher Education meeting at 6:00 p.m. in the Regents Room. The Deans should feel free to speak if they choose.

Dr. Haynes reviewed the Accountability Report and asked that we begin at 8:00 a.m. next week for time to complete the review. Dr. Haynes asked each college to conduct a room utilization review. Dr. Addington will request room utilization data for all to review.

Tony Glickman, new Director of Human Resources, was introduced at 9:40 a.m. Some major concerns were identified regarding staff classification and how to determine who needs staff.

Discussion was held on the statement from the Special Budget Committee of the Board of Regents which will be presented to the full board.

Dr. Haynes will provide a copy of Bob Shirley's article for the Deans to read and review.

Discussion was held regarding 1990 census data showing the number of Kentucky residents currently enrolled in college. Concern was voiced about the areas surrounding Warren County which have the least number enrolled in college with the exception of a limited area in Northern Kentucky. The map of university and colleges was superimposed to show the strong relationship of enrollment to presence of a community college.

Meeting adjourned so that several deans and Dr. Haynes could attend the Rose Scholarship luncheon.

Respectfully submitted,

Jacqueline Addington
