**Administrative History:** The Gatton Academy of Mathematics and Science in Kentucky is the Commonwealth's first high school for students interested in pursuing advanced careers in science, technology, engineering, and mathematics.

Instead of spending their junior and senior years in traditional high schools, our 120 students take all their coursework through Western Kentucky University with regularly-enrolled college students. The Gatton Academy empowers Kentucky's exceptional young scientists and mathematicians to live and learn in an environment which offers advanced educational opportunities, while preparing them for leadership roles.

**Description:** Records created by and about Gatton Academy of Mathematics & Science in Kentucky.
