Resolution 90-¹⁵~~14~~-S
Publishing Teacher Evaluations
Introduced 3-20-90

PURPOSE: For the university to publish a summarized record of teacher evaluations.

STATUS:

WHEREAS, Currently, Students have no standard method of determining the quality of instructors, and

WHEREAS, Often times, students must rely on the judgement of a few others, who may or may not have valid reasons for their views, and

WHEREAS, Teachers may be better motivated to perform well if these evaluations were published, and

WHEREAS, Evaluations are used to benefit teachers, but could also be used to benefit students, and

THEREFORE: We, the members of the Associated Student Government do hereby recommend that the university publish a summarized record of teacher evaluations
