COLLECTION NOTE

This collection contains information and documentation about the Community Scholars Program workshops held in Franklin County, Kentucky during the fall and winter of 2006-2007. The collection features projects by all participants with special focus on those completed by Laurie Wilcox and Mike McCardwell. Instructors in the free six-workshop series taught individuals how to collect and preserve local history, identify and document community traditions, and present these traditions to the public. Participants learned the basic skills needed to help communities explore and showcase local talent, folk traditions, and history. The sessions for this particular program were held every other week from 18 November 2006 to 27 January 2007. The Community Scholars Program is a partnership between the Kentucky Folklife Program, the Kentucky Historical Society, and the Kentucky Arts Council.
