FSW: 001.1: 9/10/87

Memo to: Faculty Senate
From: Faculty Status and Welfare Committee
Barry Brunson, Chair BB
Subject: Faculty Salary Survey, AY 86-87

Our report is in two parts.

(1) All Full-time Ranked Personnel by Salary within Rank Within Department.

CAUTION: "Percent change" represents the percentage change between nine-month equivalent salaries, AY 85-86 to AY 86-87.

"Dollar change" represents the difference between contract salaries, AY 85-86 to AY 86-87.

For most people, these figures are comparable. But they may not be for individuals who changed status from a 12-month to a 9-month contract, or vice-versa. In fact, the peculiar phenomenon may occur, of having a positive "percent increase", but a negative "dollar change", or vice-versa.

A few individuals receive salary supplements for serving as interim department heads or the like; such monies are not included in this report.

Position changes are identified with an asterisk; promotions are identified with an "86" in the date of rank column.

The program which computes the percentage increase truncates rather than rounds; e.g., 1.99999999 is reported as 1.99, rather than as 2.00.

For those on a twelve-month contract, the nine-month equivalent salary is approximately 9/11 (actually, 0.8179999) of the contract salary.

The report is intended to include everyone holding faculty rank. This includes administrators eligible to be "repatriated" to a department, but excludes those so ineligible. Also excluded are faculty on leave, on sabbatical, or being paid wholly through external grants.

(2) All Ranked Personnel by High to Salary Within Rank.

This consists of the same data as in item (1), but rearranged.

We wish to thank John Foe, Curtis Logsdon, and Kerry Moorman for their assistance in providing and working up the data.

Various parts of this report have been reviewed by various members of this committee; but errors, omissions, and inaccuracies are the responsibility of the chair (who asks to be notified of any such problems).
