Resolution 90-13-S
24 Hour Visitation
Introduced 3-20-90

PURPOSE:

For the University to extend visitation in one male and one female residence hall to 24 hour visitation on Friday and Saturday.

STATUS:

WHEREAS:

Students on campus should have the privilege of responsibility, and be allowed to determine their own check out time for their guests, and

WHEREAS,

On other campuses throughout the country, such as the University of Louisville and Indiana University, this policy has resulted in few noticeable problems, but has decreased operating costs (resulting from a decrease in desk personnel), and

WHEREAS,

On our own campus, co-ed residence halls function without any official check-in policy, and

WHEREAS,

Students often find that studying with persons of the opposite sex is limited at late hours because of the current policy, and

WHEREAS,

This action could be a test for converting other residence halls into 24 hour visitation, and

THEREFORE:

We the members of the Associated Student Government so hereby recommend that one male and one female residence hall establish a policy of 24 hour visitation.
