The Budget Council reported that there would be a 4% pool for faculty salary increases.

A resolution was passed calling for University resources devoted to creating Child Care options. These new options should include additional spaces at Jones Jagger and in the long-term to create a new child care facility for faculty, staff, and students.

Support for a Plus/Minus grade system was again expressed by many Senators. A resolution calling for a Fall, 2008 implementation was discussed and will be read again and discussed at the next Senate meeting. Several reports on the Plus/Minus 2-year trial is available on the University Senate website.
