**MEMORANDUM**

**TO:** Dr. Robert Dietle  
Chair University Senate

**FROM:** Barbara Burch  
Provost and Vice President  
For Academic Affairs

**SUBJECT: February 21, 2002 University Senate Minutes**

I endorse, with one exception the actions of the University Senate at its meeting February 21, 2002.

I am withholding my endorsement of the General Education proposal for Category E name change from World Cultures and American Cultural Diversity to Non-Western Cultures and American Cultural Diversity. I am requesting further clarification of the significance of this proposed name change and its implication for inclusion or exclusion of particular courses in Category E.
