MEMORANDUM TO: President Kelly Thompson

Mr. William H. Straeffer
President
Association Students
Western Kentucky University
Bowling Green, Kentucky 42101

Dear Bill:

I am writing in an attempt to solicit your help on the following proposal. It has come to my attention that it would be to the advantage of both the administration and the student body if certain University Committees were to seat a member of the student body. Of course, I do not know the feasibility involved in accomplishing such a proposal, but it seems to me that if the University Committees were to consider the student body in their deliberations it would be to everyone's benefit.

For the past two months I have been working on a plan to involve more students in more committee work within the institution, and part of the plan was to have a conference with you after the first of the year.

I shall look forward to that discussion.

Sincerely yours,

Kelly Thompson
President

MEMORANDUM TO: President Kelly Thompson

DATE: November 26, 1968

I am writing in an attempt to solicit your help on the following proposal. It has come to my attention that it would be to the advantage of both the administration and the student body if certain University Committees were to seat a member of the student body. Of course, I do not know the feasibility involved in accomplishing such a proposal and it is for this reason that I am asking for your help. The following University Committees are being asked for your consideration of an undergraduate student serving on these committees:

Student Financial Aid Committee
Registration Orientation Committee
Academic Advisory Committee
Faculty Disciplinary Committee
University Traffic Committee
Community Concerts Committee
Library Committee
Faculty-Athletic Committee

I feel that all three factions of the University will benefit from the student's contributions to their particular committee if it is in the realm.

Thank you for your interest.

Sincerely,

William H. Straeffer
