***ORGANIZATIONAL HISTORY***

White Stone Quarry Baptist Church was formed on 15 April 1876, when thirty-five members from the Providence Knob Baptist Church met on the premises of E. G. Jones to establish a church within a quarter mile of the White Stone Quarry in Warren County, Kentucky. In 1882, the church approved the plans for a new 45x34 log building. A deed dated 18 February 1884 for three acres of land was issued by Henry Potter and his wife Martha of Grayson County, Texas to the White Stone Baptist Church trustees in consideration of \$20. The first service held in the new building was 2 September 1885. This building was constructed of logs that were later covered with weatherboarding and painted white. In 1968 the building was covered with brick. A new sanctuary was built for the church in the late-1990s, but the old building was kept and utilized for other purposes.
