Academic Heraldry

History of Academic Attire

A time-honored tradition of great dignity, the wearing of academic attire is a survival of the ecclesiastical garb of the late Middle Ages. The academic gown, necessary for a scholar’s warmth in unheated stone colleges, and the hood to protect his shaven head, were first adopted in the thirteenth century at the University of Cambridge. The custom was begun in this country in colonial times by King’s College in New York, now Columbia University.

Gown, Cap and Hood

All candidates for degrees and those who hold degrees, including university officials, faculty and visiting dignitaries, are attired in traditional cap and gown. Recipients of the associate degree at Western Kentucky University wear gray gowns and caps, recipients of the bachelor’s degree wear black gowns and caps, and recipients of master’s, specialist and doctoral degrees wear black gowns and caps with hoods of various colors.

Bachelors’ gowns have pointed sleeves; masters’ have long closed sleeves with slits at the elbow for the arms; the doctors’ have wide, round, open sleeves. Doctoral gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The mortar board is the headpiece most often worn at American universities for formal occasions. It is appropriately worn with the board flat on the top of the head. Degree candidates wear the tassel falling from the right quarter of the board, while graduates wear the tassel on the left. The tassel may be black or in the color of the scholarly field of the degree held, with the short gold tassel reserved for those holding doctoral degrees.

It is the hood which adds meaning and dimension to the academic costume. Changed little since medieval times, the hood is worn falling from the shoulders down the back of the gown in a display of vivid color. The hood is edged in velvet which by its color denotes the academic discipline in which the wearer’s degree was earned, and it is lined in two colors of silk which represent the college or university from which the degree was earned. Hence, the Western Kentucky University hood contains one white chevron on a field of bright red and is edged with the appropriate discipline color. The following is a partial list of colors adopted in 1959 by the American Council on Education:

- Agriculture ........................................ Maize
- Arts and Humanities ............................. White
- Business ............................................. Drab
- Communications ................................. Silver Gray
- Economics .......................................... Copper
- Education .......................................... Light Blue
- Health .............................................. Salmon Pink
- Library Science ................................. Lemon
- Music .............................................. Pink
- Nursing ............................................ Apricot
- Physical Education ............................. Sage Green
- Public Administration ......................... Peacock Blue
- Science .......................................... Golden Yellow
- Sociology ......................................... Citron
The Mace

Originally used as a weapon during the Middle Ages, a mace was carried to protect a ruler. Eventually this sceptor-like instrument became an emblem of authority and became popular for ceremonial purposes. Maces are now carried at the beginning of academic processions at many universities throughout the world, representing each institution's authority to confer degrees.

Western Kentucky University's Mace contains several elements that are symbolic of Western's history. Hand-carved from Kentucky cherry, the top portion of the Mace is a representation of the lantern on the dome of Cherry Hall and is a tribute to Western's founder, Dr. Henry Hardin Cherry. The University Seal contains the University's motto, and carved bands around the shaft include significant dates in the evolution of the institution. Gems embedded in the lower portion of the Mace represent the colors of the academic disciplines offered by the University. The round ball at the base is symbolic of Western's alumni around the globe.

The Mace, carried by the University's most senior faculty member, was dedicated to the University on May 7, 1998 during the Inaugural Week activities for President Gary A. Ransdell. It was designed by John Warren Oakes of the Department of Art and crafted by Terry Leeper and Frank Pittman of the Department of Industrial Technology.

The Seal

The University Seal features our treasured motto "The Spirit Makes the Master" and Western's ideal defined by Dr. Henry Hardin Cherry as "Life, More Life." First adopted by Dr. Cherry in 1911, the Seal has evolved as the institution grew to university status. Western's President Emeritus, Dr. Kelly Thompson, gave leadership to designing the present version of the Seal, which was approved by President Paul Garrett and first used in 1948. It was altered in 1966 to include the appropriate wording when Western attained university status.

The University Medallion

Medallions, as worn in higher education, represent the evolution of a practice arising in the Middle Ages and the very early beginnings of universities in the Western World. The Medallion identifies the wearer as the designated leader of the university. Representing both the authority and the responsibility of the person who wears it, the Medallion is worn by the president of the university at formal academic occasions. The face of the sterling silver medallion is a replica of the seal of the university.
College Banners

Designed for initial use during the May 8, 1998 inauguration of President Gary A. Ransdell with future use at each commencement ceremony, our banners reflect a color symbolic of each academic division of the University. The university seal is prominently displayed on each banner. The banners were designed by Jeff Jensen of Western Kentucky University's Department of Art.

History of Western

In 1906 the Kentucky General Assembly enacted legislation creating a new state institution named Western Kentucky State Normal School. After Governor J.C.W. Beckham signed the bill into law, the Locating Commission chose Bowling Green as the site of the new school. The Southern Normal School of Bowling Green, which had been founded in 1875 as the Glasgow Normal Institute, was transferred to the state. Western's educational heritage grew when the campus of Potter College for Young Ladies, which was founded in 1889, became part of the State Normal School in 1909. From 1907 until 1911, however, the new school used the building and grounds of the Southern Normal School. In 1911, it was moved to College Heights, its present location.

In 1922, Western became known as the Western Kentucky State Normal School and Teachers College. The first degrees were awarded by the institution in 1924. In 1927, Western's Board of Regents again increased educational opportunities by merging with Ogden College, which had been founded by Robert W. Ogden in 1877. The Ogden name was continued at that time in Western's Department of Science, and is now memorialized in the Ogden College of Science, Technology and Health.

In 1930, the Kentucky General Assembly removed the words "Normal School" from the title, making it Western Kentucky State Teachers College. In 1948, the Kentucky General Assembly removed the word "Teachers" from the name, thus making it the Western Kentucky State College. Then, in 1963, Western absorbed the Bowling Green College of Commerce, formerly known as the Bowling Green Business University. On June 16, 1966, Western achieved university status and thus became Western Kentucky University. Today, the university proudly serves the educational needs of 14,882 students from Kentucky, 43 other states and 48 foreign countries.
Honorary Degrees

Joy Bale Boone

Joy Bale Boone was appointed Kentucky Poet Laureate in 1997 by Governor Paul E. Patton. Ms. Boone has reviewed books for *The Courier-Journal* for a half century, served as president of the League of Women Voters of Kentucky, president of the Friends of Kentucky Libraries, chair of the American Heart Association of Kentucky, and was a member of the Advisory Board of Kentucky Education Television, the Council on Higher Education of Kentucky, and the editorial Board of the University Press of Kentucky.

She has edited two anthologies of contemporary Kentucky poetry and founded *Approaches*, a literary magazine of contemporary Kentucky poetry in 1964, serving as editor for 11 years. She is author of two collections of poems, *Never Less than Love*, published in 1972, and *The Storm's Eye: A Narrative in Verse Celebrating Cassius Marcellus Clay, Man of Freedom 1810-1903*, published in 1974. She served as the chair of the Robert Penn Warren Center at Western Kentucky University and was a member of its founding body.

A first generation American of English parentage, Sylvia Joy Field was born in Chicago. She grew up in Evanston, Ill., and became a Kentuckian at age 21 when she married Shelby Garnett Bale of Elizabethtown. She lived in Elizabethtown until Dr. Bale's death in 1971, and in 1975, married George Street Boone of Elkton. She is the mother of six children and currently resides in Glasgow.

Mrs. Boone is being honored for her lifetime contributions to promoting and enhancing the literary arts in Kentucky.

Nicholas Z. Kafoglis, M.D.

Dr. Nicholas Kafoglis, a native of Lexington, began medical practice in Bowling Green in 1959. A graduate of Lexington Henry Clay High School, Yale University and the University of Pennsylvania School of Medicine, Dr. Kafoglis received post graduate training at The Ohio State University, the University of Florida and the University of Kentucky.

He was elected to the Kentucky House of Representative in 1971 and was voted the Outstanding Representative in the Public Interest by the Capitol Press Corps during the 1974 Session of the Kentucky General Assembly. He was elected to the Kentucky State Senate in 1986 and retired in 1998 after serving three terms as Majority Caucus Chairman.

Dr. Kafoglis was the recipient of the William H. Natcher Award for Distinguished Government Service in 1995, served on the Task Force on Higher Education in 1997, was named the Outstanding Senator by the Kentucky Psychiatric Association in 1996, and was named Citizen of the Year by the Kentucky Chapter of the National Association of Social Workers. He and his wife, Patricia, have four children and currently reside in Bowling Green.

Dr. Kafoglis is being honored for his lifetime contributions to medicine and public service.
1999 Faculty Awards

The University annually recognizes outstanding contributions by faculty members in the areas of teaching, research/creativity and public service. Recognition of Academic Achievement

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honor status was based upon the academic record in existence at the beginning of the 1998 fall semester and is based upon the official academic record at that time. The final determination of those who actually receive this recognition is made at the conclusion of the term in which all degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition is evidenced by placing the appropriate honor on the diploma and entering an appropriate notation on the official transcript.

With Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.4 - 3.69 and a minimum of 32 semester hours earned in residence at Western (+).

With High Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.7 - 4.0 and a minimum of 32 semester hours earned in residence at Western (++).

Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.40 - 3.59 and a minimum of 64 semester hours earned in residence at Western (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.60 - 3.79 and a minimum of 64 semester hours earned in residence at Western (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.80 - 4.00 and a minimum of 64 semester hours earned in residence at Western (***)

Students who have completed the University Honors Program are designated by the (•) symbol. They have completed at least 24 semester hours of honors credit, written a senior honors thesis, and are graduating with at least a 3.4 grade point average.

In addition to the above honors, the baccalaureate student in each undergraduate college with the highest cumulative higher education grade point average and a minimum of 64 semester hours in residence is designated "Scholar of the College." The Ogden Trustees' Award is presented to the graduating senior with the highest cumulative grade point average with the entire baccalaureate program earned at Western.
Candidates for Degrees

The following list of candidates for graduation was prepared before final grades were reported and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the Academic Calendar.

College Heights

College Heights, on hilltop fair,
With Beauty all thine own,
Lovely jewel far more rare
Than graces any throne!

College Heights with living soul
And purpose strong and true,
Service ever is thy goal,
Thy spirit ever new.

College Heights, the noble life
Shall e’er our pattern be,
Teaching us through joy and strife
to love humanity.

CHORUS
College Heights, we hail thee;
We shall never fail thee
Falter never—live forever,
Hail! Hail! Hail!
