WESTERN KENTUCKY UNIVERSITY

The One Hundred Forty-Seventh COMMENCEMENT
Order of Exercises

Sunday, May 7, 2000
L.T. Smith Stadium
1:30 p.m.

President Gary A. Ransdell, Presiding

Processional .................................................. Mr. Ken Haddix, Conductor
(Audience seated) WKU Wind Ensemble

Chief Marshal
Distinguished Professor Carlton Jackson

Invocation .......................................................... Mr. Alan Gordon
Graduating Senior

Presentation of the Colors ..................................... ROTC Color Guard

"The Star Spangled Banner" .................................. Mrs. Selena Greenwell Haney
"My Old Kentucky Home"

Opening Remarks ............................................... President Ransdell

Remarks by Student Government President .................. Ms. Amanda Coates

Presentation of Honorary Degree ............................... Mrs. Lois W. Gray
Member, Board of Regents

Recognition of Retiring Faculty
and University Awards ....................................... Dr. Barbara Burch
Provost and Vice President for Academic Affairs

Recognition of Honor Graduates ............................. Mrs. Freida K. Eggleton
Registrar

Commencement Remarks ...................................... President Ransdell

Presentation of Candidates for Degrees ..................... Dr. Burch

Conferring of Degrees ........................................ President Ransdell
and Mr. Cornelius A. Martin, Chair
Board of Regents

Presentation of Diplomas ...................................... Dr. Burch and College Deans

Greetings from Alumni President ........................... Mr. Robert R. Kirby

"College Heights" .............................................. Mrs. Haney and Audience

A reception will be held immediately following the ceremony on the lawn of the Raymond B. Preston Center.

Academic Heraldry

History of Academic Attire

A time-honored tradition of great dignity, the wearing of academic attire is a survival of the ecclesiastical garb of the late Middle Ages. The academic gown, necessary for a scholar’s warmth in unheated stone colleges, and the hood to protect his shaven head, were first adopted in the thirteenth century at the University of Cambridge. The custom was begun in this country in colonial times by King’s College in New York, now Columbia University.

Gown, Cap and Hood

All candidates for degrees and those who hold degrees, including university officials, faculty and visiting dignitaries, are attired in traditional cap and gown. Recipients of the associate degree at Western Kentucky University wear gray gowns and caps, recipients of the bachelor’s degree wear black gowns and caps, and recipients of master’s, specialist and doctoral degrees wear black gowns and caps with hoods of various colors.

Bachelors’ gowns have pointed sleeves; masters’ have long closed sleeves with slits at the elbow for the arms; the doctors’ have wide, round, open sleeves. Doctoral gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The mortar board is the headpiece most often worn at American universities for formal occasions. It is appropriately worn with the board flat on the top of the head. Degree candidates wear the tassel falling from the right quarter of the board, while graduates wear the tassel on the left. The tassel may be black or in the color of the scholarly field of the degree held, with the short gold tassel reserved for those holding doctoral degrees.

It is the hood which adds meaning and dimension to the academic costume. Changed little since medieval times, the hood is worn falling from the shoulders down the back of the gown in a display of vivid color. The hood is edged in velvet which by its color denotes the academic discipline in which the wearer’s degree was earned, and it is lined in two colors of silk which represent the college or university from which the degree was earned. Hence, the Western Kentucky University hood contains one white chevron on a field of bright red and is edged with the appropriate discipline color. The following is a partial list of colors adopted in 1959 by the American Council on Education:

Agriculture .......................... Maize  
Arts and Humanities .......................... White  
Business .......................... Drab  
Communications .......................... Silver Gray  
Economics .......................... Copper  
Education .......................... Light Blue  
Health .......................... Salmon Pink  
Library Science .......................... Lemon  
Music .......................... Pink  
Nursing .......................... Apricot  
Physical Education .......................... Sage Green  
Public Administration .......................... Peacock Blue  
Science .......................... Golden Yellow  
Sociology .......................... Citron
The Mace

Originally used as a weapon during the Middle Ages, a mace was carried to protect a ruler. Eventually this sceptor-like instrument became an emblem of authority and became popular for ceremonial purposes. Maces are now carried at the beginning of academic processions at many universities throughout the world, representing each institution's authority to confer degrees.

Western Kentucky University's Mace contains several elements that are symbolic of Western's history. Hand-carved from Kentucky cherry, the top portion of the Mace is a representation of the lantern on the dome of Cherry Hall and is a tribute to Western's founder, Dr. Henry Hardin Cherry. The University Seal contains the University's motto, and carved bands around the shaft include significant dates in the evolution of the institution. Gems embedded in the lower portion of the Mace represent the colors of the academic disciplines offered by the University. The round ball at the base is symbolic of Western's alumni around the globe.

The Mace, carried by the University's most senior faculty member, was dedicated to the University on May 7, 1998 during the Inaugural Week activities for President Gary A. Ransdell. It was designed by John Warren Oakes of the Department of Art and crafted by Terry Leeper and Frank Pittman of the Department of Industrial Technology.

The Seal

The University Seal features our treasured motto "The Spirit Makes the Master" and Western's ideal defined by Dr. Henry Hardin Cherry as "Life, More Life." First adopted by Dr. Cherry in 1911, the Seal has evolved as the institution grew to university status. Western's President Emeritus, Dr. Kelly Thompson, gave leadership to designing the present version of the Seal, which was approved by President Paul Garrett and first used in 1948. It was altered in 1966 to include the appropriate wording when Western attained university status.

The University Medallion

Medallions, as worn in higher education, represent the evolution of a practice arising in the Middle Ages and the very early beginnings of universities in the Western World. The Medallion identifies the wearer as the designated leader of the university. Representing both the authority and the responsibility of the person who wears it, the Medallion is worn by the president of the university at formal academic occasions. The face of the sterling silver medallion is a replica of the seal of the university.
College Banners

Designed for initial use during the May 8, 1998 inauguration of President Gary A. Ransdell with future use at each commencement ceremony, our banners reflect a color symbolic of each academic division of the University. The university seal is prominently displayed on each banner. The banners were designed by Jeff Jensen of Western Kentucky University's Department of Art.

History of Western

In 1906 the Kentucky General Assembly enacted legislation creating a new state institution named Western Kentucky State Normal School. After Governor J. C. W. Beckham signed the bill into law, the Locating Commission chose Bowling Green as the site of the new school. The Southern Normal School of Bowling Green, which had been founded in 1875 as the Glasgow Normal Institute, was transferred to the state. Western's educational heritage grew when the campus of Potter College for Young Ladies, which was founded in 1889, became part of the State Normal School in 1909. From 1907 until 1911, however, the new school used the building and grounds of the Southern Normal School. In 1911, it was moved to College Heights, its present location.

In 1922, Western became known as the Western Kentucky State Normal School and Teachers College. The first degrees were awarded by the institution in 1924. In 1927, Western's Board of Regents again increased educational opportunities by merging with Ogden College, which had been founded by Robert W. Ogden in 1877. The Ogden name was continued at that time in Western's Department of Science, and is now memorialized in the Ogden College of Science, Technology and Health.

In 1930, the Kentucky General Assembly removed the words "Normal School" from the title, making it Western Kentucky State Teachers College. In 1948, the Kentucky General Assembly removed the word "Teachers" from the name, thus making it the Western Kentucky State College. Then, in 1963, Western absorbed the Bowling Green College of Commerce, formerly known as the Bowling Green Business University. On June 16, 1966, Western achieved university status and thus became Western Kentucky University. Today, the university proudly serves the educational needs of 15,123 students from Kentucky, 45 other states and 51 foreign countries.
Wendell Berry, a native of Henry County, is a farmer, poet, novelist, essayist and teacher who advocates a return to the "old ways" of strong familial ties and community bonds for the sake of a healthy society. The New York Times has called him the "prophet of rural America."

Berry was educated at Millersburg Military Institute in Kentucky and the University of Kentucky, where he began writing fiction and poetry. Berry has taught writing at Georgetown College, Stanford University, New York University and the University of Kentucky. While at Stanford in 1960, he finished Nathan Coulter, his first novel.

His first book of poems, The Broken Ground, was published in 1964 and was followed by 10 others. Berry became one of America's most widely read poets, but his voice became more influential with essays on farming practices and preservation, and environmental and ecological concerns. The Los Angeles Times called Berry's 1977 book The Unsettling of America: Culture and Agriculture one of the most important of the decade. His other books include What Are People For?, The Gift of the Good Land, The Hidden Wound, Another Turn of the Crank and The Memory of Old Jack.

A former Guggenheim Foundation fellow, Berry has received several awards, including the National Institute of Arts and Letters Literacy Award, the Aiken-Taylor Award for Poetry from the Sewanee Review, the T.S. Elliot Award from the Ingersoll Foundation, a Lannan Foundation Award and the Thomas Merton Award. Berry and his wife, Tanya, have two children and live in Henry County.

Through his life and his work, Berry espouses stewardship of our land and a more humane approach in treatment of our neighbors. "My work has been motivated by a desire to make myself responsibly at home in this world and in my native and chosen place," he has said.

Berry is being honored for his lifetime contributions to writing and practicing what he preaches: respect for land and people. The citation for the honorary degree of Doctor of Humanities reads:

Distinguished citizen
and native son of the Commonwealth, esteemed author
and educator, dedicated humanitarian and steward of the land
2000 Faculty Awards

The University annually recognizes outstanding contributions by faculty members in the areas of teaching, research/creativity and public service. The following faculty members have been selected by each of the colleges for awards this year. We are pleased to honor these distinguished faculty members.

Gordon Ford College of Business

Award for Teaching Dr. Linda Parry Management and Information Systems Economics Accounting and Finance
Award for Research/Creativity Dr. Brian Goff
Award for Public Service Dr. Edward Wolfe

College of Education and Behavioral Sciences

Award for Teaching Dr. Joseph Bilotta Psychology
Award for Research/Creativity Dr. J. Farley Norman Psychology
Award for Public Service Dr. Vernon Sheeley Educational Leadership

Ogden College of Science, Technology and Health

Award for Teaching Dr. Richard Wilson Public Health
Award for Research/Creativity Dr. Chris Groves Geography and Geology
Award for Public Service Mr. Matt Dettman Engineering Technology

Potter College of Arts, Humanities and Social Sciences

Award for Teaching Dr. Karen Schneider English
Award for Research/Creativity Dr. Christopher Norton Music
Award for Public Service Dr. John Carmichael Music

University Libraries and Information Technologies

Award for Research/Creativity Mr. Thomas Foster Educational Television
Award for Public Service Dr. Brian Coutts Library Public Services

Bowling Green Community College

Award for Teaching Ms. Freda Mays Business and Computer Studies
Award for Public Service Mr. Lee Emanuel Academic Support
Recognition of Academic Achievement

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honor status was based upon the academic record in existence at the beginning of the 2000 spring semester and is based upon the official academic record at that time. The final determination of those who actually receive this recognition is made at the conclusion of the term in which all degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition is evidenced by placing the appropriate honor on the diploma and entering an appropriate notation on the official transcript.

With Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.4 - 3.69 and a minimum of 32 semester hours earned in residence at Western (+).

With High Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.7 - 4.0 and a minimum of 32 semester hours earned in residence at Western (++).

Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.40 - 3.59 and a minimum of 61 semester hours earned in residence at Western (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.60 - 3.79 and a minimum of 61 semester hours earned in residence at Western (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.80 - 4.00 and a minimum of 61 semester hours earned in residence at Western (***)

Students who have completed the University honors program are designated by the (♦) symbol. They have completed at least 24 semester hours of honors credit, written a senior honors thesis, and are graduating with at least a 3.4 grade point average.

In addition to the above honors, the baccalaureate student in each undergraduate college with the highest cumulative higher education grade point average and a minimum of 64 semester hours in residence is designated "Scholar of the College." The Ogden Trustees' Award is presented to the graduating senior with the highest cumulative grade point average with the entire baccalaureate program earned at Western.
Candidates for Degrees

The following list of candidates for graduation was prepared before final grades were reported and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the Academic Calendar.

Graduate Studies

Dr. Elmer Gray, Dean

Cooperative Doctoral Degree with the University of Louisville

Louvenia Russell Peavie
Ed.D. in Educational Administration
Dissertation: Study of Collaboration Between Public Schools and Home Schools in Kentucky

College Heights

College Heights, on hilltop fair,
With Beauty all thine own,
Lovely jewel far more rare
Than graces any throne!

College Heights with living soul
And purpose strong and true,
Service ever is thy goal,
Thy spirit ever new.

College Heights, the noble life
Shall e’er our pattern be,
Teaching us through joy and strife
to love humanity.

CHORUS
College Heights, we hail thee;
We shall never fail thee
Falter never—live forever,
Hail! Hail! Hail!
