**Bill 93-9-F**  
**BUY-A-BOOK-SERVICE**  
**Introduced: November 16, 1993**

**PURPOSE:** To establish the Student Government Association Buy-A-Book Program.

**WHEREAS:** Many needy students are currently attending Western Kentucky University; and

**WHEREAS:** Many of these students are already under heavy financial burdens from loans and other financial problems; and

**WHEREAS:** An application and permission to view financial aid information would be required to determine the most needy students; and

**WHEREAS:** Students receiving this service would benefit throughout their entire college career by being able to sell those books back at the end of the semester and purchase more; and

**WHEREAS:** Student Government Association should provide necessary student services.

**THEREFORE:** Be it resolved, that we the members of Student Government Association do hereby allocate \$500 to be awarded for the sole purpose of purchasing books for the five students, at \$100 per person, determined to be the most needy. Furthermore, all stipulations listed in the guidelines for the Buy-A-Book Service Guidelines will be adopted with this Bill.

Buy-A-Book guidelines  
Student Government Association

1. All students applying for the Buy-A-Book Service must have an application on file with the Student Government Association by the deadline.
2. Applicants must be full-time students (enrolled in 12 hours or more) for the semester in which they apply.
3. If necessity cannot be determined by application, the applicant must go through an interview process. SGA will select the interview committee, along with one representative from the financial aid office.
4. In the event the student does not remain enrolled throughout the entirety of the semester the books must be returned to the Student Government Association.
5. The books must be purchased through the College Heights Bookstore and will be accounted with SGA. No cash will be given; this will be for the strict use of books alone.
6. Recipients of the Buy-A-Book Service may keep the books at the end of the semester.
7. Once an applicant is awarded the service, he/she is not eligible to ever receive the service again.
8. Any falsification on the application will automatically be grounds for rejection.
