**BILL 93-3-F**

**LIBRARY COPY CENTER TELEPHONE**

**Introduced: October 21, 1993**

**PURPOSE:** To place a campus telephone in the copy center on the second floor of Helm Library. Furthermore, the Student Government Association will pay for the installation of a campus telephone, at which time Helm-Cravens library will assume all further responsibility for maintenance and upkeep on the telephone.

**WHEREAS:** The library staff is very cooperative when called concerning problems with the copy machines; and

**WHEREAS:** There is not a telephone currently in the copying center on the second floor of Helm library, making contacting the library staff difficult; and

**WHEREAS:** Students needing copies often have large amounts of materials, making leaving the copy center to find a telephone inconvenient and difficult.

**THEREFORE:** We the members of Student Government Association request that a campus telephone be placed in the copy center on the second floor of Helm library. The library will assume all maintenance after the installation.
