The deans discussed a proposal made by Dr. Lowell Harrison concerning a register of meetings and proposals. The deans agreed to circulate the agenda and curriculum proposals to all the other dean's offices prior to curriculum meetings.

Dr. Sandefur commented on a Students' Evaluation of Faculty members. He said that he would like to have a mandatory student evaluation of faculty system in the College of Education. After considerable discussion the deans decided that all teachers in the University should be evaluated by their students during the current school year. A draft recommendation will be discussed at the next deans meeting and will be submitted in its final form to the Academic Council.

Dr. Hardin discussed Western's involvement in the State ETV network.

Dr. Cravens told the deans that the deadline for the submission of the Biennial Budget Request had been extended to September 17.

The deans reported on their discussion with department heads concerning the May term calendar. Dr. Cravens stated that he would submit a recommendation to the President within several days.

Dr. Hardin commented on Western's participation in the Bicentennial.

The meeting adjourned at 3:00 p.m.
