ORGANIZATIONAL HISTORY

The Green County Agricultural and Mechanical Association was incorporated by an act of the Kentucky General Assembly approved on 22 February 1860. Among the corporate powers granted to it was the authority to hold fairs at Greensburg, Kentucky for the “exhibition of the products of the soil, specimens of mechanic arts, of useful and domestic animals, horticulture, and whatever else may serve to represent the labor, skill, and industry of the State.”

COLLECTION NOTE

The collection consists of two record books of the Green County Agricultural and Mechanical Association: the Treasurer’s book for 1859-1860 (Folder 2), and the minute book for 1859-1867 (Folder 5). The minute book includes shareholders and officers lists, and notes from an 1871 meeting of the Trustees of the Town of Greensburg. Also included with the minute book is a copy of the program for the Association’s third fair held at Greensburg on 9-12 October 1866. Photocopies of the Treasurer’s book and minute books are in Folders 3 and 6 respectively, and loose items found in the treasurer’s book are in Folder 4.
