PRESTON CENTER SPRING STAFF

The Preston Center Staff of the 1995 spring semester would like to welcome our three talented interns: Cypheus Bunton, Wayne Lewis, and Greg Glass. Can you find them in the picture? Hint: They have on black, long sleeve t-shirts that say Preston Center on them.

FACILITY CORNER

Lockerroom Renovation

The long-awaited addition of carpet and tile in our student lockerrooms has been completed. We greatly appreciate everyone's patience during the construction process. We must stress that the faculty/staff sides are designated for our faculty and staff members only. The student's lockerrooms now have the same attributes that faculty and staff have enjoyed since our opening. All students should return to using their respective lockerrooms.

Locker Rental Update

The Faculty/Staff Locker rental system is changing for the better. The Preston Center has now added a top row of lockers in the student locker rooms to accommodate the ever-growing waiting list of

Faculty and Staff. The persons on the waiting list will now be channeled through the student side. When a locker opens up on the Faculty/Staff side, we will fill the locker request with a person's name from the student side. Hopefully, this will help solve the problem of obtaining a locker.

The locker renewal period is fast approaching. If you plan on leaving for the summer and have a locker please make sure to pay your rental fee before you go or you will lose your locker when the renewal period ends. The Preston Center will hold locker renewals from June 19-23 and from June 26-30 during lunch time (11:30-1). The cost of the lockers is once again \$15.00 for faculty/staff side and \$10.00 for student side lockers. **The Preston Center will accept checks only for locker rentals.** If you have any questions, please call Dan Driskell, Assistant Facility Manager at 745-6544.

Preston Center Logo

If you have walked in from Tate Page parking lot after dark, you've probably seen our newly painted logo, located below the dance studio window. Terry Davis and Chad Trenshaw, who both work as graphic artists in the Preston Center, volunteered over 20 hours of their time to produce the image. The logo can be seen as far as Regents Boulevard, helping unfamiliar recreators to identify the Preston Center from afar!

Aquatic Tidbits

The pool hours for the Spring Semester:

Mon.- Thur. 6-9am, 11:30-1pm, 3:30-10:30pm
Fri. 6-9am, 11:30-1pm, 3:00-7:30pm
Sat. 9-7:30pm Sun. 1-8:30pm

As a reminder to all, when the "Pool Closed" signs are posted in front of the locker rooms, the Pool and Hot Tub are closed. If you are in the pool area during closed times, you will be subject to loss of privileges at the Preston Center.

As the hot tub requires a high degree of maintenance, we are striving to provide it in full operation. Please bear with us while we make needed repairs.

Policy Updates

The improper use of Big Red ID cards to gain Preston Center access has been a recurring problem. Our policy states: "**Any person using an ID other than their own will have the ID confiscated and will be subject to the loss of Preston Center privileges.** Any person allowing their card to be used improperly will also be penalized. **All persons entering the facility must present a valid Big Red ID card upon entering the facility.**"

Dunking and hanging on rims will not be tolerated in the Preston Center. Any individual caught partaking in these activities will be asked to leave immediately. Repeat offenders will have to find somewhere else to play!!

If you check out equipment at the Control Desk, please be sure and return it. **If you lay down your checked-out basketball to jump in a game, and someone else walks with it, guess who is liable.** There will also be a charge for unreturned towels.

INTRAMURAL SPORTS

The time of year is once again upon us, where fun, excitement, competition, and healthy exercise fill the air. Yes, it's Faculty/Staff Intramural Sports time.

This year's program has something for everyone ranging from the usual volleyball to the brand-new disc golf tournament. Past years have not been as successful as hoped, however those who participated enjoyed the experience thoroughly. This year can be great with **increased participation**. As they say, the more, the merrier. What we need is for you to contact fellow workers and other cohorts on campus to generate interest and bring out the shy and behind the scene athletes.

All competition is on Saturday mornings for your convenience (call if not, we're flexible) and a good time is guaranteed for all!

So, grab the people you work with, form a team or just bring yourself, and try for the Faculty/Staff trophy that will look simply wonderful at the entrance to your department! For more information, call Terry Mullaney at 745-6061.

ORAC
OUTDOOR NEWS

Outdoor Rental Center

It's that time of year again. Spring is in the air and it's time to dust off the hiking boots and backpacks and strike out on a trail never traveled. The Outdoor Recreation & Adventure Center (ORAC) has all of the equipment you need to enjoy a day out in the wild. We have camping equipment ranging from flashlights to six-man Dome tents.

ORAC also sets up trips for all occasions. If your group desires a whitewater rafting trip or a mountain biking trip, give the staff at ORAC a call and we'll see what we can do to help. Without input on what kind of trip you desire, we can only set up trips on the standards we think you will like.

Trips for this spring semester include horseback riding and whitewater rafting. **The horseback trip has been set up with Double-J Riding Stables near Mammoth Cave National Park, on April 1 and 2.** Saturday, April 1 will start the program with an afternoon ride at 3:30pm. This will be followed by overnight camping in the camping area and then on Sunday morning at 9:00am we will saddle up for another 2 hour trip. You will need to provide your own transportation to the stables and back to home. For more information about the trip, contact **Darren at 745-6545.**

The rafting trip has been tentatively set for April 22 or 23. As soon as we receive adequate feedback, a more concrete date will be set. If you have an interest in this trip, give us a call and tell us what you want. We can organize a trip in West Virginia on the New or the Gauley Rivers or we can hit the smaller rivers in the South including the Ocoee, Nantahala, or Chattooga. You make the call and we'll do our best to get what you request.
