**RESOLUTION 93-7-F**  
**INSTALLATION OF PHONES IN THE PARKING STRUCTURE**  
**Introduced: November 2, 1993**

- PURPOSE:** For the University to repair the phone currently located on the first floor of the parking structure near the elevators and to install one campus phone in each of the stairwells on the third, fifth, and seventh floors.
- WHEREAS:** The phones would act as a safety precaution for students traveling to and from the structure at night, and
- WHEREAS:** The phones would be convenient for students using the parking structure in case of car trouble or other emergencies, and
- WHEREAS:** The parking structure is currently cut off from any outside communication.
- THEREFORE:** Be it resolved that we, the members of the Student Government Association, do request that there are six phones installed in the parking structure and the one currently located there be repaired for the convenience and safety of students.
- AUTHORS:** Erin Bays and Erin Schepman
- SPONSOR:** Student Affairs
