**Resolution 98-2-F**  
**Installation of Sprinkler Systems in Residence Halls**  
**September 23, 1998**

**PURPOSE:** For the University to install sprinkler systems in the residence halls where sprinkler systems have not been previously installed.

**WHEREAS:** Student safety should be a top priority for the university, and

**WHEREAS:** PFT, New Sorority, Zacharias, and McLean are only four of eighteen residence halls currently protected by such systems, and

**WHEREAS:** Current fire suppression systems are lacking causing safety concerns among current and prospective students, and

**WHEREAS:** Sprinkler systems may prevent a potential fire disaster at Western Kentucky University.

**THEREFORE:** Be it resolved that we, the members of the Student Government Association, do hereby recommend that the University install sprinkler systems in residence halls not currently protected.
