***COLLECTION NOTE***

This collection consists primarily of correspondence between authors or poets and three reference staff members of the Kentucky Library & Museum at Western Kentucky University: librarians Mary (Taylor) Leiper Moore, Elizabeth Robertson Coombs, and director Mary Julia Neal. Much of the correspondence concerns their attempts to build up the Library's Kentuckiana collections by soliciting donations of books and manuscripts. In the course of responding to requests, authors sometimes share personal information or news of their activities and works in progress. The correspondence also includes inquiries from authors, researchers and other librarians regarding the Library's holdings. In some cases, additional information about the correspondents is present, usually in the form of book notices or newspaper clippings. The newspaper clippings have been photocopied on acid-free paper and the originals discarded.
