Fellowship To Honor Miss Sibyl Stonecipher

AAUW has named one of three fellowships awarded by the state organization each year in honor of Miss Sibyl Stonecipher, Department of Foreign Languages.

Miss Stonecipher, a member of AAUW since 1937, served as president of the state organization from 1956 to 1958. She attended the International Federation of University Women convention in Zurich in 1950. As president she attended a second convention of the International Federation held in Paris. Upon returning from each of these conventions, she travelled to each branch of AAUW in the state to lecture on the conventions.

Miss Stonecipher, who has held all offices in the local branch, is

now serving as first vice president of the Bowling Green branch.

The fellowships, each named in honor of a member who has been especially valuable to the organization, are built from gifts and funds. The fellowships range in value to over \$5,000. They are awarded yearly to qualified graduate women, usually those who are working toward the Ph.D. for investigations of problems in unlimited fields. This year fellowships have been awarded to 59 American women and 37 women from 26 other countries.

These fellowships are a continuation of the original purpose of AAUW as outlined by the associa-

Do You Know...?

By GEORGE

— That Dr. W. S. Taylor, former member of the faculty at Western and former Dean of the college of Education of the University of Kentucky, once stated that a good administration does now allow her students to fail? It is her duty to see that they succeed. If they fail, the institution has failed, and she has failed.

— That Dr. H. L. Donovan, former president of Eastern Kentucky State College, was the first student to register at Western?

— That Miss Flora Stallard, the late Mrs. John B. Thomas, was the first individual to graduate from Western?

— That Ogden College had three simple requirements: that a student be regular in attendance, gentlemanly in deportment, and diligent in study?

— That President Kelly Thompson is a former member of the College Heights Herald staff?

— That Western is its student body?

— That in 1906 the History department had no maps at all?

— That the library was organized with 3,733 books on the shelves?

— That a former yell for the Western Kentucky State Normal School was:

"Zig, zig, zig, zig, zig, rum,
Rig, rag, rig, rag, rig, rum;
Acker backer, soda cracker,
Zip boom, bah,
W.K.S.N.
Rah, rah, rah...?"

Roamin' Thoughts...

By Libbie Thompson

There has always been difficulty in communicating with one's neighbor because of the different connotations of words. To ease the misunderstanding caused by this on the Western campus, a list of words has been prepared for the incoming freshmen of next year. Following are a few examples:

Brain — object that makes you better than a horse, except it has an appendage for switching away flies.
Clod — one who tells all the people who really don't like Joan Baez but say they do, that he thinks she's a clod.

Deviate — one caught holding hands with a member of the opposite gender in the lobby.

Drunk — past tense of drink.

Leper — one who doesn't send contemporary cards.

Sleep — state of unconsciousness, usually engaged in classes, preferably large ones, and never at night.

Space — what's "up there," adj., spacey — nothing "up there" (in the head).

Study — the state of painting one's toenails, listening to the radio, sympathizing with one's roommate, and smoking a cigarette with a book in one's hand.
Well-dressed — an adjective referring to one who has 5 blazers, 18 madras skirts, 3 pairs of Weejans, and 2 twenty-dollar hopeacking purses, and wouldn't be caught dead without a Scarab bracelet.

Book Marks

By Martha Rascoe

During the coming summer months you might want to read that novel you missed while studying this semester.

Whether you saw the movie or not, you might enjoy the Academy Award winner, *Lawrence of Arabia*. Editor Anthony Nutting gives you a better understanding of the true happenings in Lawrence's life. Many facts not revealed by the movie are brought out vividly in this book.

Books with historical backgrounds cause a person to realize that what happens today really does affect tomorrow. *The Lane of Eternal Stability*, by K. C. Wu, is no exception. Here is the story of three generations of the Chinese during the turbulent years when China changed from the Yellow Dragon to the Red Star.

The Screaming Ghost is a collection of folk tales containing an adventure into the supernatural. Carl Carmer has handled this collection quite uniquely.

Aldous Huxley, author of *Brave New World*, has edited another such novel, *Island*. The author transports us to a Pacific island called Pala, where for one hundred years an ideal society has flourished.

Women of the Bible is the latest product of H. V. Morton, who illustrates with full color front-piece and eighteen portraits by famous old masters. The lives of such women as Sarah, Eve, Rebekah, Ruth, Mary, Martha, and Mary Magdalene are contained within this work.

Speaking of women, *Leading Ladies* is a gallery of famous actresses. Barbara Marinacci covers the biography of many of the great women of show business in this country as well as European actresses. Some of the names included are Ethel Barrymore, Gertrude Lawrence, and Eleanor Duse.

You will probably think of ladies when the title *They Lived in the White House* is mentioned. Frances Cavanah includes the

ladies but focuses on the families of the Presidents. The boys and girls who lived in the White House speak for themselves, so that you can read of their experiences in their own words.

Sir Francis Bacon, Samuel Johnson, Charles Lamb, and Montaigne are just a few of the lives sketched and portrayed in *Portraits of Genius* by Beatrice Saunders. Not only are these lives traced here, but also the course of genius itself.

Another great mind is revealed in *Man of Science, Engineer, and Dreamer of Flight*. Presented here is the story of Leonardo Da Vinci. The book which is well illustrated, and is a challenge to every person.

Morte D'Urban by J. F. Powers is the story of Father D'Urban, who made himself famous on the national level without the aid of television or radio. This novel has an unusual approach.

If you have happened to miss one of the all-time classics such as *The Arabian Nights* by Burton or *Of Human Bondage* by Somerset Maugham, you can still read it from the International Collectors' Library. This series can be found in your own library.

Whether you plan to read for pleasure or profit this summer, yours truly encourages you to read!

Faculty Facts

Commencement. To the 445 students who will receive their degrees next Thursday, this word has a magical quality. To them, it is the materialization of a dream which began four (perhaps more) years ago. It is the end of the beginning and the opening of the door to their future.

A great deal of work has taken place since those who will graduate were freshmen. For many, their diploma might well be printed in the proverbial blood, sweat, and tears.

But no matter of that now. To the 445 spring graduates, the Herald extends its hearty congratulations and wishes for all possible good fortune in the future.

HillTopic

Congratulations to Coach Ted Hornback and his tennis team on winning their tenth OVC tennis title in 15 years. The favored netmen swept the field at Cookeville this past weekend to finish up on top with 25 points.

HillTopic

Congratulations also are in order for Western's fledgling track team, which made a terrific showing at the OVC finals last weekend at Murray. Although they did not win the coveted OVC crown, the boys did let everyone know that Western was in the track business to stay.

Especially due for a pat on the back is freshman Jerome Beazley, who returned from Murray holding the OVC record for the 880. Good show, Jerome!

HillTopic

This will be the final issue of the College Heights Herald to be published this semester. One issue will be published during the summer session, and the Herald will return to its regular publication schedule in the fall.

The Herald staff extends to its readers their sincere wish that all will have an enjoyable summer and we hope to see you back in September.

HillTopic

If you haven't already checked the exam schedules posted throughout the campus, be sure and check the one printed in this week's Herald.

Good luck during finals!!!

TILL WE MEET AGAIN

With today's installment I complete my ninth year of writing columns in your college newspaper for the makers of Marlboro Cigarettes. In view of the occasion, I hope I may be forgiven if I get a little misty.

These nine years have passed like nine minutes. In fact, I would not believe that so much time has gone by except that I have my wife nearby as a handy reference. When I started columnizing for Marlboro, she was a slip of a girl—supple as a reed and fair as the sunrise. Today she is gnarled, lumpy, and given to biting the postman. Still, I count myself lucky. Most of my friends who were married at the same time have wives who chase cars all day. I myself have never had this trouble and I attribute my good fortune to the fact that I have never struck my wife with my hand. I have always used a folded

It's a rare and lucky columnist

newspaper—even throughout the prolonged newspaper strike in New York. During this period I had the airmail edition of the Manchester Guardian flown in daily from England. I must confess, however, that it was not entirely satisfactory. The airmail edition of the Guardian is printed on paper so light and flimsy that it makes little or no impression when one slaps one's wife. Mine, in fact, thought it was some kind of game, and tore several pairs of my trousers.

But I digress. I was saying what a pleasure it has been to write this column for the last nine years for the makers of Marlboro Cigarettes—a fine group of men, as anyone who has sampled their wares would suspect. They are as mellow as the aged tobaccos they blend. They are as pure as the white cellulose filter they have devised. They are loyal, true, companionable, and constant, and I have never for an instant wavered in my belief that some day they will pay me for these last nine years.

But working for the makers of Marlboro has not been the greatest of my pleasures over the last nine years. The chief satisfaction has been writing for you—the college population of America. It is a rare and lucky columnist who can find an audience so full of intelligence and verve. I would like very much to show my appreciation by asking you all over to my house for tea and oatmeal cookies, but there is no telling how many of you my wife would bite.

For many of you this is the last year of college. This is especially true for seniors. To those I extend my heartfelt wishes that you will find the world outside a happy valley. To juniors I extend my heartfelt wishes that you will become seniors. To sophomores I extend my heartfelt wishes that you will become juniors. To freshmen I extend my heartfelt wishes that you will become sophomores. To those of you going on into graduate school I extend my heartfelt wishes that you will marry money.

To all of you let me say one thing: during the year I have been frivolous and funny during the past year—possibly less often than I have imagined—but the time has now come for some serious talk. Whatever your status, whatever your plans, I hope that success will attend your ventures.

Stay happy. Stay loose.

We, the makers of Marlboro Cigarettes, confess to more than a few nervous moments during the nine years we have sponsored this uninhibited and uncensored column. But in the main, we have had fun and so, we hope, have you. Let us add our good wishes to Old Max's: stay happy; stay loose.

LARRY DYKES, Sports Editor

This spring sports season has been one of the most successful ever for Western. Coach Ted Hornback's tennis team won their tenth OVC tennis championship in the fifteen year history of the league. The track team under new coach Tom Ecker finished second in the OVC track finals held at Murray. Western finished sixth in the eight-team competition in the golf meet held in Cookville.

Mahurin, Moore and Roberts Seniors

Jack Mahurin (who has one semester of eligibility remaining), Bill Moore and Mike Roberts closed out their sparkling careers for Western last Saturday. Mahurin, one of the hardest working members on the team now holds the two-mile record (school record) in 9:53. Moore converted his talents in the 440 to the shorter dashes and turned in some of the most outstanding performances of anyone on the team. Roberts, the team captain, lowered his time in the mile by almost ten seconds. His leadership proved a valuable asset to the team this year.

Day, Meyer and Moore Seniors

Danny Day and Don Meyer have been mainstays on Coach Ted Hornback's tennis team for the past four years and together they have been one of the top doubles team in the OVC. Meyer held the number one position for three years before relinquishing it to Larry Whitaker this year. Day, better known for his talents on the hardwood, has been the number two man for the past two

years. Jerold Moore has played only two years of varsity tennis, but is one of the hardest working members on the team.

Two of Coach Diddle's freshman cage recruits spent last weekend on the Western campus. Mike Redd of Louisville Seneca and Dwight Smith of Princeton Dotson, both all-stars, got a sample of what college life is to be like.

Track coach Tom Ecker is to spend a couple of days this week traveling in Ohio, Indiana and Illinois seeking new track prospects.

This about wraps it up for this semester and we'll see you again in September!

Tech Defeats Western's Linksmen

Tennessee Tech whipped Western, 14½ to 12½ in a golf match at Indian Hills Country Club, Friday, May 10, as only two Hilltoppers broke 80.

Leading the way for Western were the No. 5 and No. 6 players Kenny Wallace and John Houston, who fired 78 and 79 respectively.

Bob Farley and Gene Muse of

Tech shared medalist honors with 77s.

Summary:
Bob Farley (T), 77, def. Glen Marcum, 85, 3-0. Mike Steckler (W), 80 tied Bob Nichols, 80, 1½-1½. Tech won best ball, 2-1.

Kenny Wallace (W), 78, def. Guy Gibson, 82, 3-0. John Houston (W), 79, def. Harry Amons, 81, 2-1. Best ball was halved, 1½-1½.

Campbellsville Edges Toppers

Campbellsville College scored two unearned runs in the eighth inning and defeated Western, 6-5, in a baseball game at Campbellsville, Saturday.

The hard luck loser was freshman Lewis Bush, who fanned 10, issued just one walk and scattered nine hits. Western collected 10 hits.

Joe Warren singled in Campbellsville's eighth as the host faced a 5-4 deficit. Roy Bethel then lifted a routine fly to left field, but the ball bounced out of the fielder's glove and both Warren and Bethel scored on the error.

Ronnie Carrol rocked a solo home run for Western and Dennis Claycomb rapped a homer for Campbellsville.

Denny Jenkins and Bobby Moore led Western's percentage hitters with two singles apiece.

Western went ahead 5-4 in the top of the eighth with an unearned run. Bush walked, moved up on Jenkins' single and scored on an error.

The Hilltoppers had a chance to break up the game in this frame. But with the bags loaded and two away, freshman Steve Cunningham fanned.

YES, VIRGINIA, THERE ARE LOTS OF THINGS NED BREATHITT HASN'T DONE

Ned Breathitt's opponent says Ned hasn't had his experience. In a way this is true. Ned is only 38 years old. He has served six years in the state legislature, where, among other things, he supported the Minimum Foundation program and championed bills that brought an additional \$56,000,000 in building and operating funds to Kentucky's state colleges. But the fact remains that he hasn't done a lot of things his opponent has. For example:

- He has never promised, as his opponent did in 1955, that he would not ask for new taxes and then, 90 days later, turned right around and asked for \$20,000,000 worth.
- He has never, while holding public office, accepted a \$32,000 fee from a whisky firm, and then refused to tell the public what he did to earn this fee.
- He has never run farmers out of his office and told them to go back home and mind their own business.
- He has never said, "East Kentucky ain't nothing and never will be."
- He has never resigned an elective office to serve himself rather than his state.
- He has never shut his eyes to the fact that syndicated vice and gambling existed in northern Kentucky.
- He has never allowed political cronies to exploit and despoil our state parks.
- He has never promised to remove \$36,000,000 from the tax program that is the main support of our schools and colleges.
- He has never promised to scrap the long-range road program that will enable Kentucky for the first time to compete on even terms with other states for new industry and more tourist trade.
- He has never said that he was "a one-room-schoolhouse man" or implied that such schools were good enough for Kentucky students.

NED BREATHITT'S OPPONENT HAS DONE ALL OF THESE THINGS. NED NEVER HAS AND NEVER WILL. HIS RECORD PROVES THAT HE WILL SERVE KENTUCKY... NOT HIMSELF, NOT A FACTION.

Tennis Team Cops OVC Crown

Murray Edges Harriers For 1963 OVC Laurels

Coach Tom Ecker's thimble made a gallant try to come from the bottom to the top in one year, but fell short as the defending champions, Murray, defended its title successfully last Saturday night. Murray racked up 101 points in winning its fifth OVC title while Western finished in second place with 70 points.

This was Western's best effort ever in the annual OVC meet.

Jerome Beazley and Tom Gard paced the Hilltoppers with Beazley setting a new OVC mark in the 880-yard run and Gard scoring double wins in the broad jump and low hurdles. Beazley was timed in 1:53.7 for his new mark. Gard won the broad jump with a jump of 22 feet, 6 1/2 inches. He also won the low hurdles with a

time of 25.1 seconds.

Paul Woodall scored a first for the Topper harriers when he cleared 13 feet in the pole vault. Roommate Gary Imel was second.

Tom Graham set a new school mark in the mile, but finished third. Graham's time broke his own mark when he was caught in 4:19.5. Jack Mahurin closed out a brilliant four years of running for Western as he covered the two-mile in 9:53.0. This was good enough to break the OVC mark, but not quite good enough to win the race. Mahurin finished third behind North of Tennessee Tech and Sanders of Murray.

The Toppers were runners-up to Murray in both the 440 and mile relays. The mile relay team time was 3:20.9.

Larry "Pancho" Whittaker Sparks Netmen To Victory

By Bob Pierce

Western slammed its way to its tenth Ohio Valley Conference tennis crown in fifteen years at Cookeville last Sunday afternoon.

Agreeing with other coaches, Western Coach Ted Hornback said, "this was the finest competition ever, in the OVC."

Western's Larry Whitaker defeated Sam Nutty of Eastern to grab the number one singles title. Whitaker, playing by far the best tennis of anyone in the tournament, lost the first two games of the first set, then battled back to win by a whopping margin of 6-2, 6-2. Earlier in the season, Nutty lost a close match to Johnny Evans of Bellarmine, who is considered by many the best tennis player in the state.

defeated Eastern's player - coach Ray Davidson 3-6, 7-5, 6-3. Day lost the first set and was down 5-2 in the second set before staging a tremendous comeback to win the set and the match.

Western lost both doubles matches. Sam Nutty and Louis Neil teamed up to beat Bill Bowen and Bob Tracy of Murray for the number one doubles title. Nutty and Neil are from Eastern.

Meyer Wins

Don Meyer, a four-year veteran, closed out his brilliant collegiate career by coming from behind to defeat Murray's Dave Payne for the number two singles championship.

Bob Smith had no trouble defeating East Tennessee's Tommy Dean 6-1, 6-2, in Saturday's session as he copped the number three singles crown.

Day Comes Back

Danny Day provided the most excitement of the tournament. He

Western's Don Meyer and Danny Day put up a game fight before bowing to Murray's Dave Payne and Tommy Higgins 6-2, 4-6, 6-1.

The Clothes Line

by George

Hello Sunshine.

How's the home-front this week? Well, I guess you have heard that an old friend of yours, Wanda Steenbergen, Pi Sig, will be getting married in June. Her sorority sisters were by the Fashion-House this week and picked out a Shift by Villagers for a shower present. You know, those new shifts at the Fashion-House are perfect to wear over a bathing suit. They are sure to be a hit around the beach this summer. Wanda worked real hard as president of the Pi Sig's this year and as a result their little 500 was a real success. It has probably done more to unite the fraternities and sororities than any event all year. It was something that was really needed.

While their sorority sisters shopped for a present for Wanda, Ann Cannon, Margie Coombs and Ann Greenwell did a little shopping of their own. Ann Cannon bought one of those monogrammed umbrellas that I have been telling you about and Margie found a dress that was perfect for her trip to Vandy this weekend. Ann Greenwell, the new Pi Sig president bought one of those sexy wrap-around skirts.

Charlotte (Lotta) Burkhalter, Beta, came by this week and bought an olive green wrap-around skirt. You know, I'll bet you her roommate Mary Anne Cockrell, Beta, will wear it most of the time because Mac came by the Fashion-House later on and bought a white country shirt and had it monogrammed in olive green.

There was a dance recital at Van Meter this weekend and Susan Lones, Beta, wore a blue Dancant formal from the Fashion-House. Susan is a real good dancer herself. She received her graduate certificate in dancing this weekend and is going to teach dancing in her home.

The E. A.'s had a swinging picnic at Lampkin Park this weekend. They say the only trouble was it got a little chilly. Joy Gray, E. A., might have gotten a little cold but I know she looked great in her new patch bur-ma-does.

Guess what Sunshine, the latest fad at College High is the new Trout Basket. The girls like them so well that the Fashion-House has a hard time keeping them in stock. Leigh Robinson, Sally Herrin, Susan Stearnaker and Cindy Vogler already have theirs. You know, a good combination to go with those Madras bur-ma-does and trout basket would be a Madras Sailor Hat from the Fashion-House.

Nimocks Speaks At History Club Banquet

"What is the relationship of public affairs to history?" This question was posed by Prof. Walter Nimocks of the History department to members of the Congress Debating club at their annual spring banquet last Monday, May 13.

"What practical function does history serve?" Mr. Nimocks stated, "A knowledge of history helps us to understand the morning newspaper."

From this, he concluded, one might think that scholars of history appear to be the best equipped to guide our political affairs. But things are not always as they appear, for he then stated "They (historians) are, perhaps, the least equipped."

Three examples, of how our political development might have been better if some men had been better politicians and lesser historians, were given. The first concerned William E. Dodd, the United States ambassador to Germany before World War II; second, Carlton Hayes, the US ambassador to Spain before World War II; lastly, he concluded, many of the failures of Woodrow Wilson can be traced to his academic background.

Must Make Decisions

The major difference between a historian and a political leader is that a "leader can not wait until all the evidence is in. The political leader, like an army field officer, must make decisions on what may be incomplete and faulty evidence."

Another matter that the diplomat must consider is that he can not isolate the present problem, but must view it in such a scope to see the direction of the entire movement from the past, where it is today, and where it is leading tomorrow.

However, Mr. Nimocks stated he believed "an appreciation of the past is necessary for the great political leader."
