Western Kentucky State College

VOLUME 43, NO. 4-Z251

BOWLING GREEN, KENTUCKY

WEDNESDAY, OCT. 23, 1963

ONE OF THESE six finalists will reign as Queen over this weekend's Homecoming festivities. From left, they are Pat Norman, senior, Glasgow; Linda Thomas, sophomore, Burkesville; Christine DeVries, Junior, Bowling Green; Kay Washer, sophomore, Auburn; Carolyn McClard, Junior, Bowling Green; and Sylvia Terry, Senior, Paducah. The winner of Thursday's election will be crowned Friday night at the annual Homecoming Dance in the Western gymnasium.

## This Weekend

# "The Big Red--A Bright Future" Is Theme Of 34th Homecoming

Have you prepared for those Monday classes yet? You'd better get it done now because from 4:30 Friday afternoon when the parade and pep rally begin until the Alumni-Student dance ends Saturday night, you won't have a spare second. And, after that, you will be too exhausted to lift a book.

At 4:30 Friday afternoon everybody on the Hill will meet in the Stadium—dressed in red—to form a parade through the downtown business district. The parade will be led by the Western marching band, the six Homecoming queen candidates, the coaches, and the mighty Hilltopper football team. After the parade everybody will congregate in the Stadium for a Western-sized pep rally.

After the pep rally, the girls will return to their dorms to begin preparing for the Homecoming dance which will be held from 9:00 p.m. to 1 a.m. in the Western Gymnasium. One of the Homecoming queen candidates

— Sylvia Terry, Pat Norman, Carolyn McClard, Christine DeVries, Linda Thomas, or Kay Washer—will be crowned at 10:30 p.m.

Saturday morning at 8 o'clock the Annual College Heights Herald breakfast will be held in the Cafeteria. A record number of present and past Herald staffers is expected to attend the breakfast.

The Art department will hold its annual coffee hour beginning at 8:45 a.m. in Room 1, Cherry Hall.

The Music department breakfast will be held at Western Hills Restaurant at 9 o'clock Saturday morning.

An informal coffee is scheduled

to convene at 10:00 a.m. in the Faculty House and continue until 11:30 a.m. The coffee hour is to replace the formal chapel which has been held in

Continued on page 6, column 1

## Homecoming Pep Rally Set Today In Stadium

A massive Homecoming pep rally today at the Stadium served as the kickoff for the big 1963 Western Homecoming Celebration. The pep rally was at the regular freshmen assembly hour

but was for all Western students.

Everyone was asked to wear red to show off their Western patriotism and to assure the team of their full support.

The persons who will be working hardest for a successful Homecoming Saturday—the outstanding Hilltopper football squad and their coaches—were introduced to the crowd. The Homecoming Queen candidates were also introduced.

The cheerleaders (including Western's favorite, Coach Ed Diddle) and the snappy Western band led the assembly in a pep rally full of "that good ole Western Spirit."

The special Homecoming event

Continued on page 4, column 1

## Gala Parade Planned For 1963 Homecoming

Homecoming at Western will find some new policies enacted this year. The first of the initial festivities will be a pep parade beginning 4:30 Friday afternoon at the Western stadium. Participants in this parade include the Big Red band and a student snake dance along with the featured football team and coaching staff riding in convertibles.

The pep parade will form at the stadium and proceed down State Street to the downtown square, where yells, led by Western cheerleaders, and musical selections, played by the band, will be in order. From the square the parade will assume a route up Center Street to the football stadium.

Missing from the first-night activities this year will be the traditional bonfire. Due to several limiting factors, officials decided to abandon the bonfire ceremonies.

### Coronation Site Set

At the Homecoming Dance, held from 9:00 p.m. to 1:00 a.m. Friday night, a queen will be

Continued on page 6, column 1

## Herald Breakfast Set Saturday In Cafeteria

The 12th annual College Heights Herald Breakfast will be held at 8:00 a.m. Saturday, October 26 in the cafeteria of the Paul L. Garrett Student Center.

The breakfast is attended by past and present editors, advertising managers, and reporters of the Herald as well as by guests and college officials. Approximately 135 persons are expected to attend.

## Student Body Elects Officers

General election was held October 17 in the Student Center to determine class officers for the 1963-64 school year.

Voters were also asked to elect two candidates for Homecoming queen from each of the senior, junior, and sophomore classes.

The seniors elected Gary Kelley, a business major from Cleveland, Tennessee, as president of the senior class; Leon Woosley, a chemistry and biology major from Bowling Green, as vice-president; Bessie Jones, a library science and English major from Magnolia, as secretary; and Regina Crosby, an elementary education

major from Ramsey, Indiana, as treasurer.

### Junior Class

Those elected in the junior class were Dan Greenwell, a business management major from Louisville, president; Pat Miller, from Hodgenville, vice-president; Carolyn McClard, an elementary education major from Bowling Green, secretary; Bill Pardue, an English major from Henderson, treasurer.

### Sophomore Class

Those elected in the sophomore class were Al Smith, from Russellville, president; Jim Gasslin, a biology and business major from Bardstown, vice-president; Miki Phelps, a business education major from New Albany, secretary; Kandy Kohlmeier, a psychology major from Evansville, Indiana, treasurer.

### Freshman Class

Okayed by the freshmen were Steve Playl, from Madisonville,

Continued on page 7, column 2

## Homecoming Dance Set Friday Night

The traditional Homecoming dance will be held Friday night at the Western gymnasium. Presenting the dance music will be the Tommy Knowles band from Nashville.

Something new will be added to this event this year. At 10:30 p.m. the Homecoming queen and her court will be in the spotlight as she is crowned by Dr. Merrill W. Schell, president of Western's alumni.

The dance will be from 9:00 p.m. to 1:00 a.m. The dress will be semi-formal. Tickets for the dance will be \$2.00 in advance and \$2.50 at the door and are now on sale in the Student Center.

## Players Plan Homecoming Luncheon

The annual Western Players Homecoming luncheon will be held at 11:30 a.m., October 26, in the main dining room of the Helm Hotel.

This is one of the many social activities provided for the members of Western Players during the school year.

Reservations for the luncheon can be made by contacting Toni Cameron Martin, Player social chairman. Price of reservation is \$2.00.

## Faculty Wives Establish Hardin Thompson Fund

In memory of Henry Hardin Cherry Thompson, a scholarship fund has been established by the Faculty Wives club. Son of President and Mrs. Kelly Thompson and former Western student, Hardin died October 5 in Vanderbilt hospital, Nashville. Since 1958, Hardin had undergone major brain surgery six times, the last operation having been performed in May. He had to be re-admitted to the hospital September 20.

An Industrial Arts major and honor student while attending Western, he was chosen to Who's Who in American Colleges and Universities in 1959.

Hardin was a member of many school organizations: Arts and Crafts club, Scabbard and

Continued on page 3, column 1

## Hammond, Higgason Have Roles In 'As You Like It'

As You Like It is the second of a trio of comedies that also includes Much Ado About Nothing and Twelfth Night which Shakespeare produced just before turning his attention to tragedy. In these plays Shakespeare had learned to treat romance cheerfully, casually, sometimes mockingly, realizing that the experiences of falling in love are common and genuine, but more than a little amusing.

In the early plays that he wrote, Shakespeare created many different settings that were unreal to a watchful audience. In As You Like It, he takes the Belgian Forest of the Ardennes and transforms it in-

## Homecoming....

Homecoming! It is here, but what does it mean to Westerners?

Every year about this time one can sense a certain excitement in the air. With the turning of the leaves and a briskness in the air, one realizes that the event of the year is at hand.

Conversation in the dorms is, "Look, I've got to find a date for the game. Seems like all the girls I ask already have dates." or "What can I wear to the dance? John has seen everything I have."

To Hilltop residents, Homecoming is a time of festivity—parties, dances, pep rallies, parades, and the football game.

It would seem, though, that it is to the alumni of the college that the time is dedicated. This is the special day of the year for which they have been preparing since last year's Homecoming Day, the day when they come home.

It could be said that on this day, 'all roads lead to Western' because old grads (old being used here not in reference to age, but to anyone who is a graduate of Western) will journey to the Hilltop from all parts of the country.

They will begin to stream into Bowling Green Friday and many will not leave until Sunday. To them it is Homecoming Weekend and each year's must be a little more eventful than the last one.

Renewal of friendship will begin with the first view of the campus. What changes will be noted in this old friend, even if one has only been away for a year! With great pride Hilltop residents will serve as guides to these people who 'just can't believe so many changes have been made since I was a student.'

Saturday will begin early and end late. Breakfasts, luncheons, get-togethers, parties, dinners—almost any kind of meeting one can imagine will occur before and after the game. Talk of 'the good old days' will be featured during the day.

The stands will be packed for the game. Students and alumni alike will yell with the utmost exuberance, urging the Toppers to victory.

Memories will be revived and relived this week-end. Excitement will be at its highest peak. Westerners are coming home to be welcomed by Westerners. Why should Western be thought of as 'home' for thousands of graduates? Because 'home is where the heart is' and the heart of every Westerner, young or old, is on the Hilltop.

## The Wonderful World Of The Near-Sighted

By Libby Thompson

Do you walk around the campus squinting? Do you ramble through the library thinking it is Cherry Hall? If you do, fellow victim of Myopia, this is directed to you. You, who say you are terribly nearsighted, but refuse to wear your glasses. You must be broad-minded about your dilemma and search (put your glasses on, lock the door, and search) for its hidden advantages.

For instance, you can constantly exercise your memory by trying to memorize what blob-of-color everyone on the hill is wearing. Then maybe you can recognize them at least two feet away. Your hearing will become sharper as you learn to recognize the footsteps of your dreamboat as he sails into sight two inches from your nose. Also, you may develop your extra-sensory perception so well that you can recognize that creep who's always following you in time to suddenly become preoccupied with a fingernail.

For you, the world is one big, beautiful, abstract painting, composed of indistinct shapes and colors. For a truly modern person, much of art and literature is surrealistic. Who knows? You may become another Picasso.

But we must be realistic and mention the disadvantages. You are constantly embarrassed by

ignoring old friends and by carrying on animated conversations with total strangers.

You are generally unaware of your surroundings, but you should always be aware of your relations with other people. Avoid the wide-eyed stare and the peering expression at all costs. If you are an optimist, smile at every blob and hope it will be human and responsive. If, on the other hand, you are a pessimist and feel no one is ever looking your way, you should protect yourself by appearing serious at all times. Never speak until you are spoken to; never smile unless you hear your name.

It may be especially annoying at sports events. You can never hope to see a football—concentrate on trying to see the field, and clap when everyone else does. At a basketball game, drink your coke, smile, and keep quiet.

Classes, though, are your downfall. You couldn't copy if you wanted to. You can hardly see your own paper. You can never tell when the teacher is looking at you, so you feel free to catch up on your sleep. Remember though, it doesn't take a magnifying glass to read—a deficiency slip.

But, chin up! When your contact lenses arrive next week, put them on, and take heart—you have never, in the manner of Mr. Magoo, shaken hands with a stop sign.

## Book Marks

By Karen Durbin

What does it take for you, a mature college student, to read this article completely through? Are you a stereotype student, one who reads one or two paragraphs and then eyes over some other article which you think would be more interesting?

"Dare to be different!" Who knows, you might come across a book or magazine which you would be very interested in but didn't know existed.

Would you believe that there are some students on our campus who are not yet familiar with our library, that is its location? After three weeks in school it seems rather strange to be explaining its whereabouts.

Don't stop now! I want to tell you about a few interesting periodicals. If you speak or read German, then you would be interested in *Scala International*, a magazine for students written completely in German. In the September issue can be found articles on the University of Marburg, the Peace Corps working in foreign countries and also the Bluebell Girls, a dance group. Even if you can't read any German, you certainly would enjoy looking at the colorful pictures.

Since our library is growing so rapidly, it has enlarged not only in the actual number of books and periodicals but also in its type and selections. An example of this would be the *America*, a national Catholic weekly review, and the *Commentary* published by the American Jewish Committee. Both of these magazines publish articles on national and international

political and social affairs, on religious, philosophical, literary and educational topics. The *America* is a weekly magazine and expresses a Catholic viewpoint. It is of particular importance where there is much interest in that viewpoint. Sketches of Jewish life, poetry, short stories and book reviews are some major subjects of the *Commentary* published monthly.

Here's something for those who like real off-beat readings. The *Kenyon Review*. It is a quarterly of arts and letters emphasizing literary criticism. In addition to literature, it publishes articles on music, painting and general aesthetics, as well as outstanding poetry and fiction. The contributors are some of the most distinguished modern critics, poets, novelists and scholars. There are extensive, critical review of fiction, poetry, criticism and essays, and scholarly works on literary subjects.

If you are a Shakespeare fan then you will be interested in looking through the complete set of volumes of the *Shakespeare Quarterly* published by the Shakespeare Association of America, Inc. It contains critical and research articles by Shakespearean scholars from here and abroad, on all phases of the Bard's life, works, characters, and on the interpretations and commentaries of his works. There is an annual feature listing of Shakespearean productions throughout the year. Lengthy, detailed book reviews, notes and comments—An essential journal where there is any

Continued on page 5, column 1

## Religious News

### METHODIST

Evangelistic services were held last week-end, October 18, 19, and 20 in the new Wesley Foundation chapel, 1355 College Street, with the Reverend James Kaiser as guest minister.

The revival, an annual event at the Methodist student center, consisted of four services: the first on Friday night, two on Saturday, and one on Sunday evening. All of the sermons were aimed directly at the college student and the problems he faces.

Rev. Kaiser, from Louisville, is a student of the ministry at Kentucky Wesleyan College in Owensboro. In the past he has served as minister of Geneva Methodist Church and has preached in other churches as a guest minister.

Following Saturday morning's

meeting was a breakfast of donuts and coffee. Later on that day, a luncheon was held for those students planning to enter a church-related vocation, with Mr. Kaiser as guest of honor.

A dinner was held preceding the Sunday evening service, during which the Rev. Kaiser answered students' questions concerning a variety of topics.

### WESLEY FOUNDATION

The Rt. Rev. S. A. B. Dilbar Hans, Bishop of Chota Nagpur, India will speak at the Wesley Foundation next Wednesday, October 30, at 11:30 a.m.

Bishop Hans will speak on the relation of the mission of Christianity in countries like India.

Students of all denominations are invited.

## HILLTOPICS

by SANDRA STUART

Homecoming Week-end! Don't forget that it is up to Hilltop residents to act as hosts and hostesses (whichever the sex may be). Be here to welcome our Homecomers. Show them that good ole Southern hospitality... Western style.

### Hilltopic

WEAR RED!! Make this weekend the 'reddest' in the history of the Hill. Every Westerner is urged to begin wearing red at Friday afternoon's pep rally, and to continue wearing the color throughout the Homecoming week-end. Homecoming theme: 'THE BIG RED — A BRIGHT FUTURE'.... Wear red!!!

### Hilltopic

In order that the 1963 Homecoming be a perfect one, a gridiron victory is mandatory. With the Hilltoppers being top-ranked team in the OVC, it can be expected that the team members will be doing their parts — as a team — to tie the ribbon on the Homecoming package.

It is up to the spectators to do their parts — as a team — in the cheering section. When the Toppers take the field, let them know every Westerner is supporting them to his utmost capacity. There are remedies for after-game hoarseness or voicelessness, so don't worry. Go to the game, and YELL THE TOPPERS TO VICTORY.

### Hilltopic

The Herald Breakfast is a Homecoming high light to the Herald staff, reporters, sponsors, and former editors and business managers. Convening at 6 o'clock Saturday morning, it will be over by 9:00 in order that those attending may be free for other activities.

### Hilltopic

Beginning with this issue all religious news will be run under a column headed "Religious News." Student religious organizations are encouraged to submit news items for publication. All copy should be in the Herald office by noon Thursday before the Herald appears on the following Wednesday.

## Social Activities Calendar

### Wednesday, October 23, 1963

Herald Publication

## Do You Know...?

By GEORGE

— That the main reason Western was built in Bowling Green was that the town offered a site for the school that was valued at over \$100,000?

## "Greek Column" Added To College Newspaper

A new column was introduced to the pages of the College Heights Herald last week as the "Greek Column" made its first appearance.

Due to many requests by Greek letter organizations on campus for more complete and compact coverage of Western's recognized fraternities and sororities, the Herald decided to run a column especially for these groups.

If met with enough student

enthusiasm, the "Greek Column" will continue as a regular weekly feature.

Any recognized fraternity or sorority may submit news items for publication either through a Herald reporter or by bringing it directly to the Herald office on the second floor of the Administration Building.

In order to insure publication, news items should be turned in on or before Thursday noon before publication the following Wednesday.

## Greek Column

### ALPHA GAMMA TAU

Alpha Gamma Tau met Tuesday, October 7, at 7:30 p.m.

Plans were made to build a float for the Homecoming Parade. A committee consisting of Hurston Holt, Pete Dotson, and Paul Frodge was appointed to work on the float.

Members of the fraternity voted to join the Inter-Fraternity Council in preparation for the dance on the Hill Saturday, October 26.

A dinner is planned Saturday night, October 26, for the fraternity brothers and their dates at Western Hills restaurant.

### PHI SIGMA TAU

Randy Pendley a junior and a business major from Morton Gap was recently elected president of the Phi Sigma Tau fraternity. Other Phi Sig officers elected for the 1963-64 year were Dixie Snider, vice president, a junior who is majoring in math and chemistry from Springfield, Ky.

Don Corbett a senior from Elizabethtown majoring in commercial education was elected recording secretary. Albert Siebert corresponding secretary and Dan Chapman a senior will be treasurer.

Other officers are: Dickie Mabrey, historian, a senior from Madisonville; Bob Covington, a junior from Fort Knox, sergeant-at-arms; Russ Bardin an

art major from Fort Knox, Chaplain.

Ted Harrison and Jim Gilbert, both from Louisville, will serve as the Phi Sig's pledge masters.

### PHI DELTA CHI

The Phi Delta Chi fraternity will sponsor its first rush party of the current school year tonight in the Memorial Room of the Paul L. Garret Student Center at 8:00 p.m. Invitations have been sent to young men who have shown interest in fraternal organizations.

The Phi Deltas held a private party for its members and dates in the Student Center on Saturday evening, October 19.

At the present time, the Phi Delta Chi fraternity is engaged in Homecoming preparations as are other Western fraternities.

### HOMECOMING RECEPTION

The Homecoming Committee extends a cordial invitation to all faculty and staff members and their families, the student body, and members of the alumni on the campus for Homecoming to attend the Homecoming Reception after the football game Saturday afternoon.

The Reception will begin immediately after the football game in the Paul L. Garret Student Center. This affair is one of the main events of Homecoming each year. Be sure to attend and see your old friends and make new friends.

## Denton Chosen State Candidate By Home Ec Club

The Iva Scott Home Economics club met in regular session Tuesday, October 8, at the Little Theatre in the Library. Grace Watkins spoke on "The History and Development of the Home Economics and the Iva Scott club".

Following Miss Watkins' speech, the group voted to nominate Johnnie Denton as a candidate for state office.

The officers of the Iva Scott club for the fall semester are: Patricia Payne, president; Roberta Danks, vice-president; Juanita Overhaults, treasurer; Kaye Hudson, secretary; Nadine Mac Pherson, parliamentarian; Toni Cameron Martin and Ann Cadle, recreation leaders.

## Pep Rally

Continued from page 1

ents were outlined and described. These events include the parade and pep rally Friday afternoon and the dance Friday evening with the coronation of the 1963 Western Homecoming Queen.

Saturday morning will bring the traditional Homecoming parade and Saturday afternoon the Homecoming game against the Evansville Purple Aces. Following the game will be the Homecoming reception and climaxing the Homecoming festivities will be the Alumni-Student dance.

How's this for a tremendous Homecoming celebration? Western is now ranked in the top ten in the nation according to the United Press International's small college rankings!

### NOTICE

The Kentucky Library will be open Thursday evenings from 6 to 9 p.m. beginning October 24.

## Pershing Rifles Elect 1963-64 Color Guard

The ROTC department, under the command of Lt. Col. Grover L. Smith, announces the color guard for this school year. All of the men are members of the Pershing Rifles, Company B3.

Larry McClure, color guard commander, is the son of Mrs. Emodan McClure of Bowling Green. A graduate of Bowling Green high school, he is a sophomore majoring in engineering physics and minoring in chemistry and military science.

Carlyle Park, sophomore, is the assistant color guard commander. He is the son of Col. and Mrs. Herman C. Park of Hamilton, N. Y. Carlyle is majoring in business management and minoring in economics and military science.

Jim Moore, sophomore, son of Mr. and Mrs. Preston Moore of Bowling Green, is a graduate of Warren County high school. He is majoring in

physical education and minoring in biology and military science.

Bob Greer, son of Mr. and Mrs. Massie Greer of Lewisport, was graduated from Hancock County high school. He is a sophomore majoring in industrial arts and minoring in military science.

This color guard serves at all of Western's athletic events as well as color bearers at all ROTC functions.

Continued from page 1

to the Forest of Ardens which adjoined his native Stratford, and decks it out with caves, lions, Arcadian shepherds, and latter-day Robin Hoods — all to make a setting in which romance and common sense might meet.

Into this setting we find Shakespeare weaving a plot involving a boisterous Duke in exile. The Duke lives with his small band of followers in the forest and lives like the Robin Hood of English folklore.

Frank Hammond, Bardstown, has been cast as the Duke in exile. Frank has a long list of distinguishing performances to

his credit including *Oklahoma*, *Winterset*, *Missouri Legend*, and *A Midsummer Night's Dream* for Western Players, and roles in both *The Stephen Foster Story* and *Home is the Hunter* for summer employment.

Tommy Higgason, Edmonton, plays one of the two villains in the play. As the tyrannical Oliver, he tries his best to subject his brothers to the harsh treatment of the times. He only succeeds in driving them off into the Forest of Ardens and to their meeting with the Duke in exile. Tommy has also been seen in some of the productions done by the Western Players in the past three years. His most memorable performances include parts in *Missouri Legend*, *Winterset*, and *All My Sons*.

*As You Like It* is being directed by Dr. Russell H. Miller and is set for presentation November 6, 7, and 8. Dr. Miller is being assisted on the production by Mr. Bill Weaver of the Art department as art consultant, and by Dr. Howard Carpenter of the Music department as musical advisor.

## Players See "The Crucible" In Louisville

Last Saturday evening, the Western Players attended a presentation of Arthur Miller's *The Crucible*, performed by the National Repertory Theater Company at the Brown Theater in Louisville.

The setting of the play is in Salem, Massachusetts, during the famous witchcraft trials. The plot is derived from the experiences of the witnesses in the trial of the supposed witches and what they go through to convince the people that witchcraft exists in Puritan New England.

Among those attending the play were: Dr. Russell H. Miller, Mrs. Frances Dixon, Millie Hoffman, Sue Ellen Pitts, Mrs. Martha Watson, Janet Brooks, Toni Martin, Mike Martin, Bob Fields, Sharon Stanley, Bennie Vickous, Sandra Bradley, Scott Gibbs, Ellen Harvin, Susan Pearson, Allen Miller and Jack Stoess.

The Western Players will have other field trips to plays this semester. Persons interested in attending one of these outings should watch for future notices in this paper.

## Book Marks

Continued from page 2

concentrated interest in Shakespeare is a good description of this quarterly.

Drop by the periodical room which is on the first floor of the library. There are many interesting magazines and newspapers and the like which you would enjoy looking through. Study more — if your goal is a four!

## International Club Elects

The International club got under way on Thursday, October 17. The club held its first meeting with twenty American students and ten foreign student turning out for the occasion.

The club members agreed to hold their monthly business meeting on the second Thursday of each month. They then proceeded to elect the following officers: Bob Johnson, president; Hashim Sharief, vice-president; Sue Smiley, secretary; and Misho (Missy) Umezu, treasurer. Last night the executive committee, along with Robert Wurster, the club sponsor, met to declare a statement of purpose.

Also at the club's initial meeting, tentative plans were made for a progressive Halloween party to be held Thursday, October 31. The party will commence at Mr. Wurster's home in Proctor Court. It would seem that the club's first meeting was rather progressive, having begun in Room 1 of the Student Center and having concluded in the snack bar.

1963 HOMECOMING—OCTOBER 25-26  
"THE BIG RED—A BRIGHT FUTURE"

## BOOM!

Today, foregoing levity, let us turn our keen young minds to the principal problem facing American colleges today: the population explosion. Only last week four people exploded in Cleveland, Ohio—one of them while carrying a plate of soup. In case you're thinking such a thing couldn't happen anywhere but in Cleveland, let me tell you about two other cases last week—a 45-year-old man in Provo, Utah, and a 19-year-old girl in Northfield, Minnesota. And, in addition, there was a near miss in High Point, North Carolina—an eight-year-old boy who was saved only by the quick thinking of his cat, Fred, who pushed the phone off the hook with his muzzle and dialed the department of weights and measures. (It would, perhaps, have been more logical for Fred to dial the fire department, but one can hardly expect a cat to summon a fire engine which is followed by a Dalmatian, can one?)

But I digress. The population explosion, I say, is upon us. It is, of course, cause for concern but not for alarm, because I feel sure that science will ultimately find an answer. After all,

four people exploded in Cleveland

has not science in recent years brought us such marvels as the maser, the bevatron, and the Marlboro filter? Oh, what a saga of science was the discovery of the Marlboro filter! Oh, what a heart-rending epic of trial and error, of dedication and perseverance! And, in the end, what a triumph it was when the Marlboro research team, after years of testing and discarding one filter material after another—iron, nickel, tin, antimony, obsidian, poundcake—finally emerged, tired but happy, from their laboratory, carrying in their hands the perfect filter cigarette! Indeed, what rejoicing there still is whenever we light up a Marlboro which comes to us in soft pack and Flip-Top Box in all fifty states and Cleveland!

Yes, science will ultimately solve the problems arising from the population explosion, but meanwhile America's colleges are in dire straits. Where can we find classrooms and teachers for today's gigantic influx of students?

Well sir, some say the solution is to adopt the trimester system. This system, already in use at many colleges, eliminates summer vacations, has three semesters per annum instead of two, and compresses a four-year-course into three years.

This is, of course, good, but is it good enough? Even under the trimester system the student has occasional days off. Moreover, his nights are utterly wasted in sleeping. Is this the kind of all-out attack that is indicated?

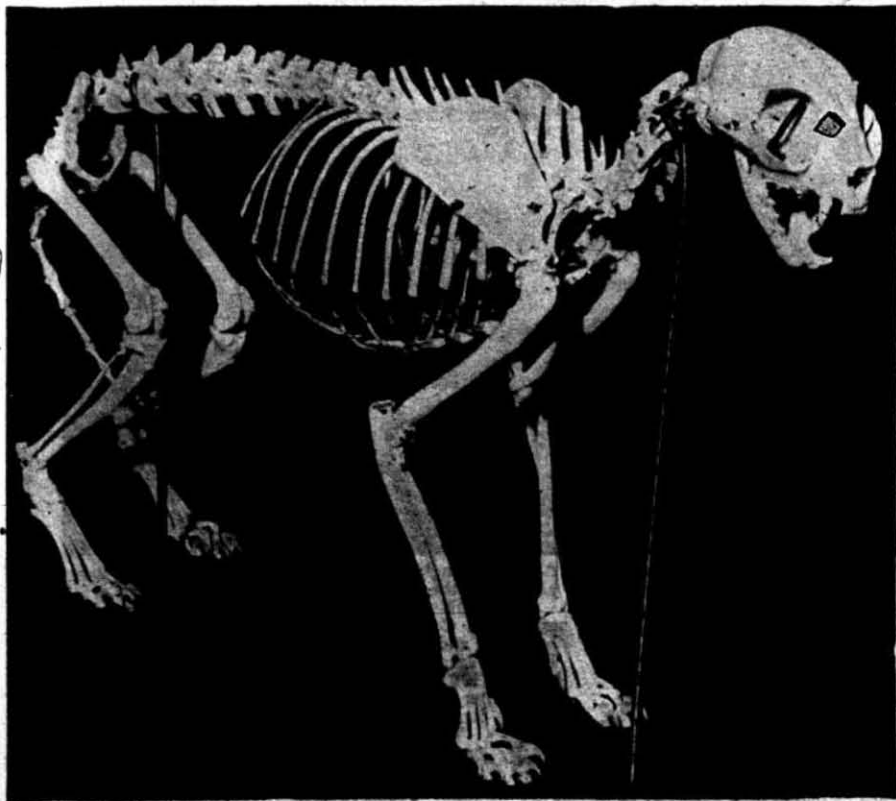

I say no. I say desperate situations call for desperate remedies. I say that partial measures will not solve this crisis. I say we must do no less than go to school every single day of the year. But that is not all. I say we must go to school 24 hours of every day!

The benefits of such a program are, as you can see, obvious. First of all, the classroom shortage will disappear because all the dormitories can be converted into classrooms. Second, the teacher shortage will disappear, because all the night watchmen can be put to work teaching solid state physics and Restoration drama. And finally, overcrowding will disappear because everybody will quit school.

Any further questions?

© 1963 Max Shulman

Yes, one further question: the makers of Marlboro, who sponsor this column, would like to know whether you have tried a Marlboro lately. It's the filter cigarette with a man's world of flavor. Settle back and enjoy one soon.

Purr! "I wish I could shop at the FASHION HOUSE, but, purr, the FASHION HOUSE is for people!"

## Gala Homecoming Parade Planned

Continued from page 1

crowned to reign over the 1963 Homecoming weekend. The coronation will be held about 20:30 with Dr. Merrill W. Shell, president of the Alumni Association, having the honor of crowning the new queen.

Moving out en masse, the 1963 Homecoming Parade will be the largest in Western's history. An expected thirty or more floats, ten to twenty convertibles, and numerous bands will be included in this parade, which is one of the main events of the weekend. With prizes of \$35 for first place, \$20 for second

place, and \$10 going to the third place winner, the competition is expected to be keen among the entrants in the float contest.

The theme this year, "The Big Red — A Bright Future," should provoke colorful and eye-catching floats. Departing from past procedure, there will be only one consolidated division and only the first place winning float will be allowed the distinction of appearing on the football field.

### PR's To Help Control Traffic

The traffic control will be provided by the Pershing Rifles in conjunction with the local city police. The Homecoming Parade will proceed from the marshalling areas down State Street, past Fountain Square to Eighth street, turn left and proceed to Center, where another left turn will be made, then proceed to 13th street where the parade will move to State street again, and continue to the Western pavilion area. The floats are required to be taken to the pavilion before demobilization or parking is undertaken.

The judges of the parade are from Evansville, Indiana, and will be located at spots between Twelfth and Tenth streets. Those people or organizations interested in entering floats, cars, or marching groups must contact the Public Relations office no later than October 21, which is the deadline for entries.

## Geography Club Meets Thursday

There will be a meeting of the Geography and Geology club Thursday, October 24, at 7 p.m. in the Memorial Room of the Student Center.

The program will be on Vietnam. It will consist of an analysis by Claude E. Pickard of the Geography department, Walter B. Nimocks of the History department, William M. Jenkins of the Government department, and Lt. Col. Grover Smith of the Military Science department. Everyone is invited to attend.

## "The Big Red ..."

Continued from page 1

Van Meter auditorium previous ly. Everyone is encouraged to drop in sometime during the morning.

A business meeting of the "W" club will be held at 10:45 a.m. in Room 1 of the Paul L. Garrett student center.

The annual Homecoming parade will begin at 11:00 a.m. Brightly colored floats designed around the 1963 theme — THE BIG RED — A BRIGHT FUTURE — will parade through downtown Bowling Green before returning to the campus.

Floats and dorm decorations will be judged by Mr. and Mrs. Thornton Patberg and Mrs. A. McCutchan. Mr. Patberg is the admissions counselor at Evansville College and Mrs. McCutchan is the wife of the EC Athletic Director. Prizes will be awarded for the best floats and dorm decorations.

The Western Players Annual Luncheon will begin at 11:30 a.m. at the Helm Hotel. All persons with past or present affiliations with the Players are encouraged to attend.

At 11:45 a.m. members of the "W" club will meet in the College high gymnasium for their annual Homecoming luncheon.

The 1963 Homecoming Queen will be introduced ten minutes before the kickoff of the Topper-Evansville college football game at 2:00 p.m. The last time the two schools met in 1953 the Toppers won 46-6.

After the game, a Homecoming reception will be held in the Paul L. Garrett student center from 4:00 until 5:30 p.m.

The weekends activities will climax with an Alumni-Student dance at 8:00 p.m. sponsored by the Inter-Fraternity council in the Western Gymnasium.

## Music Dept. Plans H'coming Breakfast

The bulletin board in the Music Hall is the signing-in place for any Western student who wishes to attend the Music Department's annual Homecoming Breakfast.

Being held in Western Hills Restaurant at 9:00 a.m., Oct. 26, the Breakfast will be a get-together for all interested alumni, students, and faculty.

From 75 to 100 are expected to attend the breakfast. The speaker has not yet been selected.

**NOTICE**  
There will be a special meeting of the Young Republicans Club today at 7 p.m. in Room 1 of the student center. Mr. Rex Blaine, Warren County Campaign Chairman, will speak to the club about the work that they will do election day. It is very important that all club members attend this meeting.

## Local Radio Stations Interviewing Students

Instead of saying, "Smile you're on Candid Camera," you may hear someone say, "speak well, you're on radio," for WLB.

Western students Al Smith, sophomore, and Richard Hill, freshman, were on hand last week for live broadcasts from the Student Center. Through these broadcasts they helped to inform the students on the platforms of the class officer candidates by having personal interviews with each of the candidates, and they also hoped to further student relations.

Doug Hudley, sophomore, has really been getting around for

WKCT. He records impromptu conferences in the Snack Bar, College Grill, dorm lobbies and various other places on campus. When interviewing students he asks them such questions as their opinions of Western and interesting things about themselves. These interviews are played later on the Night Show between 9 and 11 p.m. Monday through Thursday with Bill Polard, senior, as host.

## Elections

Continued from page 1

president; Pam Newberry, a government major from Glasgow, vice-president; Anne Binkley, an elementary education major from Lexington, secretary; Marcia Koonz, from Wisconsin Rapids, Wisconsin, treasurer.

### Homecoming Queen

The two candidates for Homecoming queen elected from each class were: Senior Class—Pat Norman, a commerce major from Glasgow, and Sylvia Terry, a Spanish and English major from Paducah; Junior Class—Christine DeVries, an English, economics, sociology, and French major from Bowling Green, and Carolyn McClard, an elementary education major from Bowling Green; sophomore class—Linda Thomas, an English and French major from Burkesville, and Kay Washer, from Auburn.

All students are encouraged to vote in the final election for Homecoming queen to be held at the Student Center from 8 a.m. to 4 p.m. tomorrow. The queen will be crowned Friday night at the Homecoming Dance in the gymnasium.

### PLACEMENT OFFICE INTERVIEWS

The Placement Office announces the following interviews, which are to be held in that Department in the near future. Please report in advance of each interview in which you are interested and make arrangements for a convenient time to discuss these job opportunities.

## 'The Clod' Presented By Players

Kentuckians were once again victims of the War between the States when the Western Players presented "The Clod" last Wednesday evening in Snell Hall Auditorium. Opening the season's experimental theatre productions, the play recaptured the tension and anguish war induces on an innocent population.

Al Young, senior from Louisville, directed the one-act play by Lewis Beach. Tommy Higginson, Edmonton, and Pat Scheib, Fort Wayne, Ind., gave commendable performances as an elderly couple whose home was invaded by Union and Confederate soldiers.

Also presenting fine performances were William Nallie, Louisville, as the southern sergeant, Gerald Dillehay, Nashville, as the northern courier and Victor Morrison, Columbia, as the southern soldier. Mrs. Francis Dixon served as faculty advisor of the production.

Next on the agenda for the Players is "As You Like It," to be presented Nov. 6-8 in Van Meter Auditorium.

### ENGLISH DEPT. HOLDS POT-LUCK SUPPER

Dr. and Mrs. Gordon Wilson were honored guests of the English department at a pot-luck supper October 16.

The supper was in honor of Dr. Wilson's 75th birthday. He is a former head of the English department.

Forty-three persons were present at the fete.

Pardon me if I sound as if the executive position I've landed deals with the whole future of the world.

It does.

Certainly, there's no organization today conducting more vital business than the business of the United States Air Force. And very few organizations that give a college graduate greater opportunities for responsibility and growth.

As an Air Force officer, you'll be a leader on the Aerospace Team—with good pay, a 30-day paid vacation each year, educational opportunities.

How can you get started? For many, the best way is through Air Force ROTC. But if you missed out on AFROTC, or if there's no unit on your campus, you can still apply for Air Force Officer Training School. This three-month course leads to a commission as a second lieutenant in the United States Air Force.

For more information about Air Force OTS, see your local Air Force representative.

**U. S. Air Force**

# Western To Face Purple Aces In Homecoming Duel Saturday

The Toppers of Coach Nick Denes will climax the 34th annual Homecoming when they face the Evansville College Purple Aces at 2:00 p.m. in the Western Stadium Saturday. This will be the fifteenth meeting between the two schools with Western's record in the series at 10-3-2.

The Aces come to Western with a mediocre record. In the opening game of the season, the Aces upset Southern Illinois 15-14, to snap a 13-game losing streak. But until last week when they fell to Valparaiso 21-18, the Aces have not been able to mass a strong offensive punch. Evansville uses a conglom-

eration offense, and so, fans should look for anything from the Aces. Evansville mentor, Paul Beck's favorite offenses are the "pro type" and the "I" formations. The pro formations uses a split end and flanker and features the passing of quarterback Ken DeVault with halfback Bob Glaser as his favorite target. Halfback Mike Madriaga and fullback Matt Hatcher are the men to watch in the "I" formations.

The fine passing and hard running is offset by a lack of blocking and defense.

Western's hard charging defense should be able to contain the Aces' running game and the main concern for the Denesmen will be to stop the passing of DeVault. With another good team effort, the Toppers should present the Homecomers with another gridiron victory.

## Sports Slants

LARRY DYKES, Sports Editor

Want to know how to win the Ohio Valley Conference this year in either football or cross-country? Simple, just beat Western. Coach Nick Denes' football forces have steam rolled their way to atop the league by rolling over their first six opponents, and now have their sights set on Evansville, their homecoming foe, before getting back into league play against the three remaining Kentucky colleges.

Coach Tom Ecker's young cross-country squad, which numbers some where around 10 compared to the forty members of the grid team, made a big splash in the cross-country field when they trounced a top Southeastern Conference team, the University of Florida in their opening meet 18-48. Then, the young harriers mowed down their second opponent Middle Tennessee by a perfect score in winning 15-48.

Led by Tom Graham, Jerome Beasley, Mike Oliver, Jack Mahurin and Butch Holden, the thinies will get their stiffest test to date Friday, when they travel to Eastern to meet the University of Cincinnati and Eastern. Look for these kids to make "Really big" news in the future.

### Basketball Practice In Full Swing

While football and cross-country are the main attractions at the present, Coach Ed Diddle and his assistant Ted Hornback have been putting their cagers through daily drills in the old "red barn", while waiting on workmen to finish the new E. A. Diddle Arena. Western's opening cage opponent in the arena is Vanderbilt on December 7.

### Ecker To Speak

Western's colorful and versatile track coach Tom Ecker has been selected as the principal speaker for the Ohio Association of Track Coaches in Columbus, Ohio, on January 31-February 1. Ecker's talk will be on "Training the Middle Distance and Distance Runners". This is quite an honor for the young Hilltopper coach as more than 500 Ohio and midwest track coaches will attend the two day meeting.

## Phi Phi Kappa Scores Big Win In IM Football

Phi Phi Kappa scored the big win in flag football last week by overpowering DK's 14-6. Clair Nichols ran and passed with perfection and repeatedly hit halfback Tom Carbotti with long passes as the unbeaten Phi Phi Kappa eleven looked sharp. Carbotti's fine all-around play earned him Back-of-the-Week honors. Morris Miller and Bob Wright were standouts for the losers.

In other league action, Sigmas remained unbeaten by shellacking Newman club 27-6. Sam Deep repeatedly thrashed through the big Newman club line to spill Newman's ball carriers for big losses. Deep was chosen Defensive Man of the Week for his efforts. Eddie was also outstanding in the Sigma line which did a good job of containing Newman's fine end, Joe Scully.

Oma Krons outlasted Phi Sigma Tau for a 20-14 win as Watson scored two touchdowns for the winners. Jerry Schrivner's passing was sharp also. Dick Mabrey was a real stand-out for the losers.

Roadrunners finally turned in a winning effort as they killed Newman club 31-6. Paul Woodall and Micky Brown teamed up on two touchdowns. Newman's Joe Scully again proved he is one of the league's best defensive ends by playing another bangup game.

Jefferson County proved that they are still the team to beat as they walloped South Hall Rebels 49-0. Bill Maier's running and the passing of Dudley Berthold to receivers Roach and Casils was just too much for the undermanned Rebels.

In three forfeit games last week, Phi Phi Kappa won over Allen County, Jefferson County over LSE, and Oma Krons over Allen County. Lambdas did not play last week, but will play twice this week.

Intramural graduate director John Blair wants to remind all flag football teams that the deadline for turning in complete rosters is Nov. 15. The flag football championship game is set for Nov. 23.

## Record Crowd Of 8,500 Sees Band Day Battle

Coach Nick Denes and his Western Hilltoppers rolled out the red carpet for Tennessee Tech, and then beat the visitors 14-12, before a record crowd of 8,500.

The Band Day crowd saw the Hilltoppers take another giant step toward their first outright Ohio Valley Conference crown, scoring early in the first period of play, and staging a defensive tight last period.

Led by Sharon Miller, the Toppers scored early in the game. On the second play from scrimmage, after a few early series, Miller rolled out around right end where he was met by the Tech gang tacklers. He reversed his field and spun out of a mass of Techmen, rushing 63 yards to the Tech six. Jim Burt jolted five yards to the one yard line. On the next play Tech jumped offside and a penalty moved the ball to the Tech one-half yard line. Miller sneaked over and Western led 6-0. Sam Clark booted conversion number one, and the Hilltoppers led with only 7 minutes gone in the game.

### 14-0 At Half

With less than two minutes left in the first period, John Burt started the second Topper touchdown drive with runs of five and 12 yards. Ironically, after Western had driven to the one yard line, another Tech offside penalty moved the ball to the one-half yard line. Miller again slammed over the Topper score. Timely Sam Clark booted again and Western, who led 14-0, looked as if they were going to make it embarrassing for Tech. The defense bottled Tech up so tight in the first half, that they managed only three first downs.

The first half went to the Hilltoppers but the Golden Eagles completely dominated the second stanza. With three minutes left in the third period, Golden Eagle quarterback Jim Ragland hit his halfback, Jimmy Shaeffer, in the end zone for a 52-yard touchdown pass. Shaeffer got behind Topper defender Pat Counts, and caught the ball from an over-the-shoulder position. The conversion attempt by Ragland was wide and Western led 14-6 going into the final period.

### Tech Scores Again

A Pat Counts to Ken Waller pass got away in the final period and Paul Whaley intercepted to set up Tech's second touchdown. After driving 55 yards, fullback Ron Reeves scored from the three. The drive was capped by an 11 yard pass and a 12 yard run by Shaeffer.

On the two point conversion after Reeves' touchdown, Ragland hit Jim Haile with the pass but Haile had stepped out of

the end zone, thus nullifying the play.

Western then ran out the clock for another important OVC victory. Only Eastern, Morehead, and Murray stand between the Hilltoppers and the Championship of the Ohio Valley Conference.

The Toppers won this game before a record crowd, capped by 20 bands and 1,700 musicians who were on hand for Western's annual Band Day.

### STATISTICS

# DRINK UP TO BE AN ALL STAR

# Homecomers May Recall Some Of Hilltop Gridiron History

By Al Stilley

Don't look now but Western's football eleven is cruising along with one of its best pigskin records in Hilltop history.

And unknown to many students on the Hill—Western football does have a history of its own. A past filled with championships, Homecoming, and memories for fans and players, who this weekend will be guests at Western's Homecoming.

In a basketball crazy town, football has taken its place and there's a buzz of excitement over Western's current gridiron fortunes—fortunes which have compiled a lifetime record (prior to the current season) of 216 victories, 135 defeats and 18 ties.

Those 216 wins were collected under the guidance of coaches M. A. Leiper, J. L. Arthur, L. T. Smith, E. A. Diddle, James Elam, Ernie Miller, Jesse Thomas, Carl Anderson, W. L. Terry, Arnold Winkenhof, Jack Clayton and Nick Denes.

Dan McGuggin, Hilltopper coach in 1905, directed the Pedagogues to a 2-4 record with wins over Southwestern Kentucky and Cumberland. McGuggin at the time was head coach at Vanderbilt.

Western's initial intercollegiate football game was against Middle Tennessee in 1914 when MTSC smashed Western Normal 47-0. One look at today's Topper team indicates times have changed.

Until 1927 Western did not have its current stadium. Practice was held on a field where Bowling Green high school is now located. And the man who has made Western athletically what it is today, E. A. Diddle, was the Topper coach when the current stadium was constructed, replacing an old eyecore stone quarry.

Unfortunately the stadium didn't eliminate the problem of falling off the West end down a steep embankment.

Western's first home game was a smashing 61-0 success over Bethel College under the watchful and soggy eyes of 1200 fans in a heavy rain.

Freshman football also opened in 1927 with the greenies trouncing Greenville high school 61-0.

Some of Western's past opponents have since risen to grid powers. Miami (Fla.), Mississippi, Vanderbilt, Kansas State, Louisiana State, Marshall—garnished Western's table of opponents.

For 50 years exciting football has been displayed on the Hill. Western's first homecoming win was a 7-6 effort against the University of Louisville in 1927. On Thanksgiving Day 1930, Coach Elam's Toppers, heavy underdogs to a powerful Western Michigan eleven battled the Kalamazoo team to a 0-0 stand-off.

And to George Mira down at Miami, Western defeated the Hurricanes 20-0 in 1931.

In 1936 the Toppers lost a heart-stopper to Middle Tennessee when MTSC intercepted a possible Western touchdown bomb and scored, putting the game on ice, 9-0.

LSU suffered a 35-18 pasting from Western in 1948. Western compiled a brilliant 9-1 mark in 1952 with Jimmy Feix quarterbacking and leading the Toppers to 199 points in five home games.

The Toppers current head mentor Nick Denes was presented a 10-6 win over East Tennessee in his first game coached at home in 1957.

Since joining the Ohio Valley Conference in 1948, with Jack Clayton as head coach, Western has compiled a 38-42-4 record. Since the league's conception, Western has added excitement to the league, much of it seen in most recent years. The Toppers in the last two years have played in four games won or lost by one point.

And since Homecoming is only a few days away, a brief examination of the highlights of Hilltopper football season brings to light a brilliant past.

Since 1927 Western has won 20, lost 11 and tied two homecoming contests. Western dropped its first homecoming contest in the stadium to Centre, 7-6 in 1929. After losing to Howard (Ala.) in 1935, the Toppers went seven games without losing an HC battle. Eastern Kentucky has been the Hill's most common HC opponent. The Maroons have been here nine times for Homecoming combat.

Western century marks have been a 100th win against Kansas State (7-0 in 1937), a 200th win against Austin Peay (20-0 in 1959), and a 100th loss to Evansville (21-13 in 1954).

This will be Evansville's first visit to a Western Homecoming and there's a strong possibility that the Purple Aces will be victim in the Stadium.

Western football has had a big past and is looking to a brighter future every year. **THE BIG RED — A BRIGHT FUTURE!**

## Diddle Launches 42nd Year At Topper Helm

On Tuesday, October 15, Coach E. A. Diddle launched his forty-second year at the helm of the Hilltopper round-ballers.

Coach Diddle is looking forward to the December 7 battle with Vanderbilt. One reason of anticipation will be to try and better last season's record of 5 wins and 16 losses. Another will be the dedication of the new E. A. Diddle Arena. A capacity crowd is expected for the opener.

After a dismal year, Coaches Diddle and Ted Hornback are faced with the problem of rebuilding. There are five returning lettermen with Darel Carrier the only senior. The nucleus of the squad will form around Carrier, who as a junior, led the team in scoring with a 19.2 average. The other returning lettermen are Juniors Ray Rhorer, Glen Marcum, Ralph Baker, and Ray Keeton. Other returnees are seniors Harel Carrier and Ralph Townsend.

Back from last year's freshmen, which compiled a record

7 wins and 11 losses, are Keller Works, Steve Cunningham, Bane Sarrett, Ronnie Kidd, and Charles Shuffield. These five boys are capable of outstanding play if they can adjust to varsity competition.

Also on the squad is 5 feet, 10 inch Walker Belcher, a transfer from Moberly Junior College in Missouri. He averaged 18.2 points per game as a sophomore.

Only One Of Several Styles To Choose From

\$23.95

## Chipped Bone Ousts Cager

Western's varsity basketball team suffered a severe setback Friday afternoon before the first week of drills had ended.

Steve Cunningham, a six-foot five-inch sophomore from Chafee, Mo., broke a bone in his foot and will be out of action for at least four weeks, Coach Ed Diddle said.

Cunningham had been rated a hot prospect to win the starting pivot position with the varsity.

## Women's IM Selects Fall Activities

The activities selected this semester for women's intramurals are basketball, badminton, bowling, and bridge.

Intramurals offer students an intelligent way of spending their leisure time plus an opportunity to develop proper attitudes. The Women's Intramural Council is now in its third year at Western. The officers are Mollie Ingram, president; Charlotte Royal, vice-president; Brenda Duvall, secretary; Aleene Bosell, treasurer; and Miss Betty Langley, faculty sponsor.

It was first decided by the WIC that only dorms, sororities, and a town team would be allowed to participate. Clubs now have a place in women's intramurals.

This semester 12 teams have turned in rosters. The representatives for each team are Marie Ward, McLean Hall; Donna Gregory and Sally Kinney, Potter Hall; Linda Adams and Aleene Baker, Regents Hall; Joan Chase and Kitty Proctor, State Hall; Wilma Sharp, White Stone Hall; Nancy Sherman and Jody Merideth, Town Team; Lorraine Thomas, Newman Club; Judy Montgomery and Mickey Robinson, Beta Omega Chi; Lou Ann Ford and Carol

# Prospects For First Undeclared Football Season Looking Good

The football season is now in full swing. As each game passes the students become more hopeful that the Hilltoppers will post an unbeaten season. "All I've heard since Saturday," states coach Nick Denes, "is which bowl will we go to? The only bowl that has us concerned right now is that Dust Bowl down on the practice field." Unfortunately, the victory over Tenn. Tech did not end the Hilltopper's season.

If Western does complete this season unbeaten, it will be the first in her history. That is, "if you will concede that the one-game schedule in 1913 did not constitute a season. That was the first year Western fielded a football team and Prof. M. A.

## First Stringers Kept In Shape By Reserves

By Pat Counts

The unheralded giants of a football team are the unknown men who really deserve much of the credit for making the team go.

Seldom is emphasis placed on the difficult and thankless job of a man who doesn't play much on Saturday. Seldom is he given the nod on Saturday and told that he had to run, block, and tackle hard for his team to win the game.

However, during the week he is always told that it is he who must learn the other team's plays and execute them properly in order to get the men who play on Saturday ready for the big game.

The true bruises of a winning team are not sustained during the games. They are absorbed during the week by the men who know they won't see their names in headlines, but still do their job in the team's quest for an undefeated season — the third and fourth team.

These are the men of the team who are always ready on offense or defense to hit the first 25 hard during the week to whip them into shape and keep them from becoming lax. These are the men who want to play as much as the men who play most of the games on Saturday.

So to these giants of the Hilltoppers who are known among the boys as the "Backbone" of the team we give a special tribute and a much deserved and very loud thanks.

Lieper guided the Pedagogues to a 1-0-0 record. Elizabethtown High was the victim, 20-0" says Bert Borron, Daily News sports editor.

The Hilltoppers have been close to an undefeated record before. During the 44 seasons in Western's history, the Hilltoppers have had 8 seasons with only 1 loss. Five of these 8 losses were to Tennessee teams. The current team, however, recently accomplished what no other Kentucky OVC member has ever done by defeating all four Tennessee teams.

The most memorable years in Western's football history were 1928 and 1932.

The 1928 team, the last club coached by Ed Diddle, became a national figure. The first eight games were won while holding the opponents scoreless. Union (Tenn.) University stopped the attempt of having a perfect record by downing the Hilltoppers 7-6.

The Daily News describes the 1932 season by winning 9 out of 10 games, "bowling only to Tech, 21-13." That club posted the lone bowl victory in the school's history, walloping Arkansas State by 34-19 in the now defunct Refrigerator Bowl at Evansville. The team set a school scoring mark which still stands by recording 336 points in its 10 games.

The other one-loss teams were:  
1922 — the loss was to Vandy "B".  
1930 — Centre (31-0) took the win.

1932 — The lone loss was to Vanderbilt (26-0).

1937 — Western Michigan beat the Toppers 13-7.

1939 — W. L. Terry fashioned a 7-1-1 mark.

1940 — The defeat was at the hand of Tennessee Tech. 10-0.

Coach Denes' 1963 team now has a 5-0-1 record. So its six down and four to go in the bid for an unbeaten campaign.

## As A Matter Of Fact

- Sue Carol Borders is the Dairy Princess, but she exhibited the taste of a queen when she selected a burgundy skirt by Villager for freshman cheerleader tryouts.
- Pat Norman, Pi Sig, a campus favorite last year, chose a three piece coffee brown costume this week from the many selections offered especially for Homecoming.
- Mary Anna (Mac) Cockrell, Beta, is certainly convinced that winter is here because she stopped by the FASHION HOUSE this week and bought two Villager long-sleeve button-down shirts.
- The FASHION HOUSE is well stocked with party clothes for the Homecoming weekend including V-neck, straight or A-shaped Villager jumpers from \$17.95 to \$22.95. They also have knee socks by Adler for only \$2.00.
- Betty Jo Walker, Pi Sig, Susan Lones, Beta, Barbara Webb, Ann Collins and Sandra Covington were among the many who game shopping at the FASHION HOUSE this week.
- You were right! Jan Campbell did select her whole wardrobe from the FASHION HOUSE.
- Ruth (Little Mamma) Franklin, Delta, is crazy about the green suit she selected from the "House of Fashions".
- Cheryl Rettgering is sure to be a hit in her brown cotton slacks by Mister. She also chose a patch madras skirt to top off her wardrobe. (Those slacks by Mister are the latest—Stop by and try on a pair and see how you like them.)
- Judy Hovius Faught, E. A., is teaching in Scottsville but she made a special trip to B. G. to shop at the FASHION HOUSE.

George's "Pick of the Week"

- ★ 1. "Weejun" belts (match your weejun shoes)

## 'Unsung' Linemen Play Key Roles In Hilltopper Victories

By Bill Luster

Many grid coaches have agreed that the best offensive system is a good defensive system. It will not be argued that the Hilltoppers have a good defensive system, for they have one of the major defensive powers in the country.

However, under the capable leadership of quarterback Sharon Miller, the Toppers have proved that they have a top notch offensive crew linked together by John and Jim Burt, Miller, and Carson Culler.

The halfbacks, fullbacks, quarterbacks, and ends are always patted on the back after winning a highly important ball game. The other five men on the line are always seen, always heard, but never talked about.

### Toppers' "Unsung Men"

The Hilltoppers are fortunate to have these "Lonesome Unsung Five," which are five of the many reasons why the Hilltoppers have been so successful this season.

Heading the list of "Unsung Men," is Harold Chambers. Chambers, a senior, is a bristling 6-3, 225 pound tackle from Danville. At Danville, he gained statewide recognition as an All-State fullback. Chambers is co-captain of the Toppers and not many offenders get in his way when the "Big Locomotive" zooms down the field. Another valuable senior is Bob Gebhart. The 6-3, 230 pound bruiser has looked excep-

tionally good this fall. Some say that Gebhart is playing his finest football since his high school days at Louisville Flagg.

### Interior Linemen

Walter Hawkins, a top offensive man, is especially aggressive and has helped the Topper line. The E-town boy is a rough senior and has worked hard this fall in the interior Topper line. Woody Simmons, young giant from Glasgow, is another top Topper prospect.

Joe Bugel, rough and ready co-captain does not need to be mentioned. His steady play in the first games has bestowed upon him an OVC Lineman of the Week Award. Valuable to the team at guard is field goal specialist Ed Crum. A fine trap blocker, Crum has done considerable duty in the Top interior line.

### Other Guard Spots

Fred Miller and Bob Holman

hold down other guard spots. Miller is a rugged 6 foot, 200 pound guard who is considered one of the best offensive linemen on the roster. He sees service as middle guard on defense.

Bob "Shaker" Westmoreland is the anchor man of the offensive center spot. The biggest of the centers, Westmoreland plays middle guard on the Top defensive squad. Gary Kelley is a quick, dependable center also. A center, Kelley plays inside linebacker on defense. He shares offensive chores with Westmoreland. So the next time you view a Hilltopper tilt, don't consider only the scoring boys. The boys that help them score are the anchor men and the blockers that produce the touchdown.

Remember! Don't forget the "Lonesome Five", the interior linemen.

## 20 Bands On Campus For Band Day

Twenty high school bands with approximately 1700 musicians were guests on Western's campus Saturday to entertain 8500 football fans.

The gayla festivities began with a parade preceding the Western - Tennessee Tech football game, one of the hardest fought of the season. The parade started at the Training School, proceeded on State Street, circled Fountain Square and returned to the campus by way of College Street to 13th Street, across 13th to State, from State to the Stadium.

The colorful mass band, under the direction of Mr. Edward A. Knob, performed at mid-game ceremonies. The selections played by the combined bands were "God Bless America", "My Old Kentucky Home", and Western's Alma Mater, "College Heights".

Awards for the day went to Danville high school, best marching band; Central City high school, best playing band; and Hartford high school, best majorettes.

### FROSH AG STUDENTS HOLD HAYRIDE AND PICNIC

Freshman members of Western's Agriculture department were treated to a hayride and picnic last Monday night.

Students and their dates gathered at the site of the old ag pavilion and then moved on out to the college farm located on the Nashville Road.

From available reports, the students enjoyed the chance to get away from studies and take part in the event which was sponsored by upperclassmen of the Cherry Country Life club.
