3000 Expected For Senior Day

Talisman King And Queen To Reign Over Formal Ball Tomorrow Night

RALPH MARTERIE, the man with the Golden Trumpet, leads his band of Marlboro Men during one of their many appearances across the country. This band will provide the music for the Talisman Ball to be presented in the Paul L. Garrett Student Center tomorrow night. Ralph and his band are on an extensive cross-country tour which will take them to many of the 50 states in the United States.

Tomorrow night The Talisman Ball will take place in the Paul L. Garrett Student Center from 8 p. m. until midnight. This is the second of the two formal dances on the Hill each year. The Talisman Ball is sponsored by the Talisman Staff and the Senior Class.

This year Ralph Marterie's Orchestra will provide the music.

Highlighting the dance will be the crowning of the Talisman King and Queen. Making up their royal court will be the Mr. and Miss of each class and campus favorites. The King and Queen, voted on by the Senior Class, and Mr. and Miss of each class, selected at class meetings, will be revealed for the first time. Campus favorites were voted on by the entire student body. These representatives will appear in the feature section of the Talisman.

Hilltop To Welcome Record Number For Annual Event

Western's annual High School Senior Day will begin in the Western gymnasium with a general assembly at 10:15 a. m., this Friday, May 4.

Approximately 3,000 seniors from some 70 high schools throughout south central and western Kentucky are expected to participate in the event, designed to provide an opportunity for high school seniors to visit the campus and see what Western has to offer.

The morning program will include musical selections by the Western band and chorus, precision drill exhibition by the Pershing Rifles' Exhibition drill team, and demonstrations by the physical education department.

At the conclusion of the morning program at 11:30 a. m., the guests will be served a picnic-style luncheon prepared by Western's culinary department. Tickets for the luncheon will be issued at the registration desks.

ROTC Awards

The afternoon program, beginning with the annual ROTC Awards Day in the stadium at 1:00 p. m., will include an open house by all departments from 1:00-3 p. m.; Western Players' 'Little Show' in Van Meter Auditorium at 1:45 p. m.; Art exhibition.

Over 100 Alumni Attend Four-County Spring Meet

More than 100 Western alumni attended the annual spring meeting of the Four-County Alumni Club of Daviess, Hancock, McLean and Ohio counties at the Hancock County High school last Tuesday evening, April 24.

Dean Raymond L. Cravens delivered the main address to the group on the growth and expansion of the academic program of the college. David Williams, senior from Drakesboro, presented several vocal selections of Stephen Foster. He was accompanied by Phillip Cooper, sophomore from Park City.

Following the program, new officers of the club for 1962-63 were elected. Woodrow Park, at Beaver Dam, was elected president. Mrs. Paul Phillips, first grade teacher at Sacramento, was elected president-elect, and Mrs. Woodrow Park, elementary teacher, Ohio County, was elected secretary-treasurer.

New county chairmen elected at the meeting are, Daviess County, C. C. Mitchell, General Electric Co., Owensboro; McLean County, Dr. Sam Scott, Liver-

more; Ohio County, Mrs. Rose Duke, guidance supervisor, Ohio County High; and Hancock County, H. M. Tongate, director pupil personnel, Hancock County High.

Four new county projects for the coming year were also set up at the business meeting. These projects involved the setting up of an up-to-date mailing list of all alumni in each county; the notification of the Alumni Office of news-worthy items about alumni in respective counties; the effort to interest graduating seniors in attending college; and a readiness to help Western whenever the need arises.

It was determined that next

Ky. Derby Honors Pres. Thompson

Western's president Kelly Thompson added another honor to his already impressive list when he was "Knighthood" at the Kentucky Derby Festival Coronation Ball last Friday evening in the Flag Room of the Kentucky Hotel at Louisville. He was one of five Kentuckians honored for "outstanding service to humanity and leadership in the Commonwealth."

President and Mrs. Thompson were honored guests of the Coronation Ball. Miss Jane Helm, niece of Miss Margie Helm who is Western's Director of Library Services, bestowed 'Knighthood' on this year's five new members.

SENIORS GATHER on Western's campus for the annual High School Senior Day program. This scene took place last year when over two thousand high school seniors participated. This year three thousand are expected. The annual affair will take place Friday, May 4.

Forty-Five High Schools In Music Festivals Here

Forty-five south-central Kentucky high schools have begun their annual participation in music festivals which are held on Western's campus under the chairmanship of Mr. Claude Rose of the Western music department.

The second in a series of four contests was held this weekend when some thirty-one bands competed for top ratings. Judges for this event were Dr. C. B. Hunt from Peabody College, Nashville, Claude Smith who is supervisor of music in Evansville, and Larry Johnston from Bosse High in Evansville.

Instrumental

Also completed is the contest in which instrumental solos and small ensembles performed for ratings. Judges for these events were Dr. Robert Boys and Mr. James Reynolds from Peabody College, Dr. Donald McMahon, former band director at Western,

Flight Training Program To Be Inaugurated

Western will inaugurate an ROTC Flight Training Program in conjunction with the Military Science Program at the college beginning in September, according to an announcement by President Kelly Thompson.

The program will provide for flight training instruction for Western ROTC students enrolled in the fourth year of the military science program at the college.

According to Lt. Col. James F. Marquis, professor of military science, the training will be extra-curricular, and is designed to motivate college students to seek a career in Army Aviation, to create a reserve pool of qualified pilots who may be utilized in the event of a national emergency, and to act as a career incentive in the Regular Army.

Charles O. Bridges of Bridges Aircraft, Bowling Green - Warren County Airport, will conduct the program which includes 25

TONIGHT, TOMORROW . . . Western Players rehearse for a dance act in their fourth and last major production of the year. "Make Mine Music" was presented last night and is scheduled for performances in Van Meter Auditorium tonight and tomorrow night.

"Make Mine Music" To Run This Evening, Tomorrow

"Make Mine Music" is being presented tonight and tomorrow night on the Van Meter stage. This last major production is an expanded version of "The Little Show of 1962."

The production includes group dancing choreographed by Val

Moody of Nashville who did the choreography for "Oklahoma". It also includes skits and sketch material which was selected from the "Best of Broadway". Songs are sprinkled liberally throughout the show to make it a full evening of entertainment.

This production is directed by Russell H. Miller with the help of Mr. John Adams, of the English department.

Tickets are 75 cents and may be purchased from any member of the Western Players. Reserved tickets may be purchased at the business office.

Douglas Verdier Elected Adjutant Of P. R. Company

Election of staff officers for the academic year 1962-63 was held by Company B-3 of the Pershing Rifles Wednesday, April 25.

Elected as Adjutant was Douglas L. Verdier, junior English major from Bowling Green. Finance Officer will be Walter B. Miller, pre-engineering major from Whitesville.

Drillmaster Tom Lewman, industrial arts major from Venice, Fla., was re-elected to that position for the coming year. Pledge-master will be William R. Houston from St. Petersburg, Fla.

Joseph Scates, sophomore chemistry major from Bowling Green, was elected as Supply Officer and Mike Devine, social science major from Owensboro, was elected as Public Information Officer.

Ronald S. Osburn, junior Chemistry major from Louisville, and James D. Hutcherson, junior busi-

Do You Know, Or Do You Care?

By Bernard Madison

May is the month of political primary elections. Many Westerners will or should vote in these vital bits of our American system of representation. The rights of an American citizen may not be what they once were, but when that citizen enters a voting booth, he is truly sovereign.

It is very discouraging to see how little interest is shown by some students in the upcoming elections. The election which is creating more activity on campus than any other is that of the election of a United States Senator. It makes little difference to some that we even elect a senator, or that is the way it appears. It might be interesting to see how many students can name the Democratic candidates or the Republican candidates. Most certainly everyone should know at least two of these candidates by name. It would be even more interesting and perhaps astounding to see how many students could differentiate between the candidates without the aid of party labels. This would encompass a knowledge of the beliefs and action of the individual candidates, and this I feel many students do not have.

One might now ask, "Just who then is creating all this activity that was mentioned?" One could rightfully answer, "A very few students." This is true. Only a very few students are interested in this election.

To vote your convictions in a general election might be feasible without any knowledge of the candidate's beliefs. This could be done by voting on party lines. There are very good arguments to support this sort of voting in national elections, but what about those primary elections when all candidates on the ballot to be marked are members of the same party?

There are ways to differentiate between candidates which are members of the same political party. For instance, there is a wide gap in the beliefs of conservative Republicans and liberal Republicans. The same is true for the Democratic party. Do you feel that the national government is taking too much power and spending too much money? If yes, then you should investigate and see if one of the candidates feels the same way. Perhaps, one feels that the national government should gain more power. These are the distinguishing factors between conservatives and liberals. On this basis alone one can form a criteria for judging whether to place his vote for one candidate or the other.

There are ways to distinguish and it is important that each voter investigate these ways before entering the voting booth. The lack of interest in these elections is not confined to Western's campus by any means, but it is alarming and there is not better place to cultivate an interest in political activity than in college.

Find out the pertinent facts and your vote will be an intelligent one and it will voice your opinion.

Tennis, Anyone?

The problem of overcrowding has extended and is evident on the Western tennis courts. Many students have complained that no space is available for the playing of this sport. This is a true and probably legitimate complaint. Many students object to the use of the Western tennis courts by persons who are not connected with Western.

This problem, along with all those others we have experienced as growing pains, has no immediate solution that I can point to. Perhaps in the near future some system can be worked out to insure every interested Western student a place to play tennis.

Wesley Foundation Tours Colleges Throughout Ky.

Trips to Kentucky colleges have been the central activity lately of the Wesley Foundation of Bowling Green. Morehead State College was host to the annual state KMSM conference during which Doris Butler, sophomore from Irvington, was elected to the Interconference Commission. They also made a trip to Wesleyan College at Owensboro to present an Easter program on April 15.

On May 5, groups from the University of Louisville, Campbellsville College, and Wesleyan will go to Mammoth Cave for a meeting. Also in May, the Bowling Green group will go to Ashbury College.

Plans are now being made for remodeling and extending the present Wesley Foundation building during the summer months.

Book Marks

By DIANNE HOWARD

A valuable edition to the Western campus this year is the Science Library located in Thompson Hall. The library is open from 8 a. m. to 9 p. m. Monday through Thursday, 8-4:30 Friday, and 8-12 on Saturday. Mrs. Myra Lawson is librarian.

All the physics, chemistry, and technical biology books, and journals have been moved from the main library to Thompson Hall. Also, some of the physiology books have been moved. These books are on open-shelf except the ones put on reserve by professors. These books are catalogued in the main library.

The physical arrangement of the library is very interesting. The paneling is from a bald cypress tree that stood on the Ogden campus for over 100 years. The pictures are of Robert W. Ogden, Ogden College founder; H. V. Loving, Ogden College's first regent; S. W. Wright, second regent of Ogden College; R. C. P. Thomas and John E. Robinson, donors to Ogden College.

The furniture is the traditional light colored library furniture. Color is added to the room through the brightly upholstered green and orange chairs.

Another feature of the library is that is getting much use is the therm-a-fax copying machine. It is an excellent way to copy articles from magazines.

An interesting introduction to the physiology of skeletal tissue

is the revised edition of Bone by McLean and Ureth. The book is concerned with bone as a tissue rather than with its mechanical function in providing the skeletal support of the body or with the shape, adaptation or development of individual bones.

Fundamentals of Applied Entomology, by Robert E. Pfadt, lists the important pests followed by a discussion of their injury, culture where applicable, chemical control, and types of suitable insecticide equipment.

W. G. Bruce Casselman shows the methods available for the chemical study of the structural components of cells and tissues as seen in microscopic preparations in Histochemical Techniques. The requirements for histochemical validity, the limitations of work in this field, and possible sources of error are discussed.

Another book, Histochemistry: Theoretical and Applied, by A. G. Everson Pearce, spent with a chapter of the history of the field and goes on to discussion of cold knife and cold microtome methods, freeze-drying and freeze-substitution and the chemistry of fixation. Most of the succeeding chapters deal with the practical application of diagnostic and analytic methods, chemical and physical, to tissue sections.

Other new and interesting books are Dairy Bacteriology by Hammer and Babel, Tables for Identification of Organic Compounds, and a two-volume series, The Bacteria, by Gunsalus and Stanier.

Kentucky Building News

The Kentucky Library has the minutes of most of the Literary clubs of Bowling Green, both of the men and women.

The latest club to place its minutes here is the Pierian Literary club. The minutes are from the time the club was started in 1935 and are up to date.

RICE COLLECTION

Dr. Laban Lacy Rice, donor of the Rice collection in the Kentucky Library and retired President of Cumberland University in Lebanon, Tennessee, after reading C. D. McDougall's book *Mycenae*, was inspired to perpetuate a hoax of his own, using mycenae as the background, since he had visited Greece several times.

That first attempt was a beautiful one. He invented an amateur archeologist in such a convincing fashion that one true-to-life archeologist said, "Oh yes, I've heard of Christopher Wakefield," which was the name given the make-believe archeologist. Another said,

NEW OFFICERS of the Four-County Alumni Club of Daviess, Hancock, McLean, and Ohio counties are, seated, from left to right, Mrs. Rose Duke, Ohio County chairman; Mrs. Juanita Park, secretary-treasurer; and Mrs. Paul Phillips, president-elect. Standing are Charles Schafer, superintendent of Hancock County schools and out-going president; H. M. Tongate, Hancock County chairman; C. C. Mitchell, Daviess County chairman; and Woodrow Park, president.

Colson Presents Chapel Conocert

Gregg Colson, former Western student and widely known pianist, presented a wide variety of musical selections in chapel last Wednesday. Some of the selections were: *Blue Danube*, *March of the Siamese Children*, *Nocture*, *Old Devil Moon*, *Missa*, *Farewell to the Piano*, and several selections from *Porgy and Bess* and *South Pacific*.

Colson has given piano concerts throughout the South and has done extensive radio and television work. Two years ago his television show received the best musical show of the year award. He has been soloist with the Nashville Symphony.

A native of Middlesboro, Colson was awarded the B.A. degree in 1950. While attending Western, he appeared as soloist with the College Symphony, was organist at several churches, and did daily radio shows on two local radio stations. He was elected Mr. Freshman, Mr. Sophomore, and campus favorite two years.

Colson is now the organist and choirmaster at St. George's Episcopal Church, Nashville.

Flight Training

Continued from page 1

hours of ground instruction and 36 hours of in-flight instruction. The training will be designed to teach the student basic ground and in-flight fundamentals of pre-solo, solo, basic instrument, and cross-country flying. Successful completion of the course will qualify the student for a civilian pilot's license, based upon the recommendation of the Federal Aeronautics Administration.

Oakes Receives Art Scholarship

John Warren Oakes, a junior art major from Bowling Green has received a scholarship from the Art Students League of New York.

Oakes, president of the Art Club was notified of the scholarship in a letter from Mr. Arnold Blanch, prominent American Artist and an instructor at the Art Student League.

The scholarship covers full tuition for the three month summer session of the school.

The Art Students League is an association of artists and students founded 87 years ago. It has become the world's largest independent art school and among the most influential. Its faculty includes some of the outstanding artists in the country. They have been selected to represent the various viewpoints and styles current in the rapidly changing art world of America.

The summer school is located at Woodstock, New York. It is in a valley at the base of Mount Overlook in the Catskill Mountains. Woodstock has been an artist's colony since 1902 and many artists, writers, dancers, playwright, and musicians have congregated there.

Oakes will study life drawings, paintings, and composition under Arnold Blanch.

Tomorrow Night

tion of works by Mr. William Loy and Mr. Stanley Caywood, members of Western's art department, in Room 300 of Cherry Hall from 1:00 to 3 p.m.; and guided tours of the Kentucky Building from 1:30 to 3 p.m. All dormitories will be open to the visitors.

Open House

The Departments of Biology, Chemistry, and Physics located in the new Kelly Thompson Science Hall on the Ogden campus will hold open house from 1 p.m. until 3 p.m. Demonstrations and displays will be held in the Home Economics building, the Industrial Arts building, the Music Hall, and the Library.

Open house will be held at the Department of Agriculture in Snell Hall and at the Department of Business and Government in Ogden Hall.

Information

Information concerning housing

accommodations for the Summer Session which opens on June 11 and for the first semester of the 1962-63 school year which opens on September 10, 1962, will be available at the office of the Dean of Students in the Administration Building (2nd floor, Van Meter Auditorium). The office of the Dean of Admissions, also located in the Administration Building, will supply information concerning application for admission to Western.

Scholarships

High school seniors interested in scholarships and workshops should contact Mr. Charles A. Keown, Dean of Students, second floor, Administration building. Dr. Thomas Stone will be available in the Music Building for information concerning music scholarships. Information concerning National Defense Loans will be available from Mr. A. J. Thurman at the Faculty House.

A general information desk will be located in the lobby of the Paul L. Garrett Student Center.

High School Senior Day was inaugurated at Western in 1934 and was held each successive year until World War II forced its discontinuation. The program was renewed in 1956 and has grown each year to its present proportions. This year's Senior Day program is expected to be the largest ever held at Western.

Humphrey Featured

Renetta Humphrey, freshman Home Economics major, was recently featured in a FHA magazine. A winner of an FHA scholarship Renetta plans a career in home economics. She is a Livermore graduate that plans to return and teach in her field.

Julia Neal Speaks On Shakers

Miss Julia Neal, AB'31 and MA '32, was invited by the Philadelphia Museum of Art, to speak there April 20, during the Museum's month-long exhibit of Shaker items. Miss Neal's topic was the "Shakerism: Principles and Practices."

Miss Neal is associate professor of English at Florence State College and an Authority on the Shakers, a religious sect which flourished in some parts of Kentucky, Ohio, and throughout New England during the last century.

She has completed work on two books about the Shakers. The first one titled, *By Their Fruits*, won an Avery Hopwood Award of the University of Michigan. The second of Miss Neal's works is the diary of shaker colony in Kentucky during the Civil War Years. The diary is a first-hand account of the action and adventures which took place as both Union and Confederate armies passed back and forth over property of the Logan County Shakers.

The Western graduate is a native of Auburn, and has taught at Western. She was dean of residence at Kingswood School for Girls near Detroit, Mich.; before joining the faculty at Florence State. She held offices in the South Atlantic Modern Language Association, the Conference on College Composition and Communication, and the Association of College Teachers of English in Alabama.

Miss Neal is a member of the National Council for teachers of English, Alabama College English Association, Sigma Tau Delta, and Chi Delta Phi.

Besides the Avery Hopwood Award which supported her research for *By Their Fruits*, Miss Neal received a grant-in-aid from the Southern Fellowships Fund during the summer of 1930 for work on the Shaker diary she has recently completed.

Iva Scott Club Hears Surface At Club Banquet

The annual Iva Scott club banquet was held at the Helm Hotel Monday evening, April 30.

The guest speaker was the Reverend H. H. Surface, rector of the Christ Episcopal Church of Bowling Green. His subject was, "Courtship and Christian Marriage". A violin solo was given by Miss Cheryl Rose, junior home economics major at Western.

The theme of Reverend Surface's speech was carried out further with table decorations of iris, lilacs and bridal wreath with individual favors of love-bird baskets filled with mints.

Special guests at the banquet were Mrs. Surface, Mrs. Harriet Wilson, Mrs. Delma Walton, Mrs. Agnes Foster, Miss Marie Jameson and Miss Ann Carr.

Home Economics faculty members attending were Miss Marie Adams, head of the Home Economics department, Miss Evadine Parker, Mrs. Lucile Stiles, Mrs. Nina Bennett and Miss Suzie Pate, sponsor of the club. Approximately one hundred members of the club attended the banquet.

History Club To Hear Marchant At Banquet

Dr. Alexander Marchant, professor of history at Vanderbilt University, will be the guest speaker at the A. M. Stickles History club's annual dinner. The dinner will be held at the Helm Hotel, Thursday, May 10, at 6:30 p. m.

Dr. Marchant, a world traveler, is an authority on Brazil and Portugal. Dr. Marchant's subject will be "Brazil; the Past Shapes the Future".

Reservations can be made by sending \$1.50 to Miss Sherry Watkins or Miss Erecell J. Egbert.

which will be ready for distribution soon.

Emcee for the occasion will be president of the Senior Class, Coleman Shouse.

Decorations in the student center are headed by Judy Vanover.

Advanced tickets will go off sale tomorrow at noon. John Fouchee is head of ticket sales.

Stonecipher Attends Meet

Miss Sibyl Stonecipher returned April 21 from a three-day meeting of the Classical Association of the Middle West and South at Memphis, Tenn. The meeting, which lasted from Thursday morning, April 19, until Saturday noon, was attended by high school and college teachers of Latin and Greek. This regional meet included more than 200 people who were registered from 37 states and central Canada. The headquarters for the meeting were at the Peabody Hotel.

Several Western graduates attended this meeting including Dr. Nellie Angel Smith, life certificate, 1910. Dr. Smith taught Latin at Memphis State University for more than 25 years. She received a certificate of honor at the Association Banquet Friday night. Memphis State University is naming one of its new buildings in honor of her. Dr. Austin M. Lashbrook, AB (LA)'42, of the classics department at the University of Kansas also attended the meeting. He was a moderator for a panel program at the conference and is a former reporter for the *College Heights Herald*; Dr. Leonard Curry, AB'51, who is teaching in the Memphis State College department of history, also attended.

Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

The mover is more of a girl scout than a girl watcher.

LESSON 12-Watching at a beach or pool

When watching at the beach or pool it is *not* necessary to keep moving. In fact, it is unwise to move at all, unless the watcher actually enjoys swimming. In such cases he should swim.

At the beach it is better to stay in one place, because the mover is more of a girl scout than a girl watcher

(see above). He is somewhat like the man who goes to the theater to see girls. The girl watcher goes to a musical and happens to notice the beautiful girls. The scout goes to see the girls and, sometimes, happens to notice the musical. (Whether you're a watcher or a scout, you'll find Pall Mall makes a most pleasant companion.)

Pall Mall's
natural mildness
is so good
to your taste!

So smooth, so satisfying,
so downright smokeable!

Sports Slants

By LARRY DYKES, Sports Editor

The Western track team has opened its season by winning their first two meets. Freshman Mickey Brown made a brilliant debut by winning all four events he entered as the Topper's defeated Austin Peay 70-52. Brown won both hurdles events, the broad jump and high jump. In all he scored 30 points. In their second meeting with Austin Peay he won three events and came in second in the broad jump, scoring 18 points. Mike Roberts is a double winner in the second meet as he won the mile and two-mile runs. The Toppers also won this one 79-43. Jerry Harris, a sprinter from Franklin, is probably the first Negro athlete to compete for Western, as he ran as an attached runner in last Tuesday's meet.

Hilltop Relays A Success

Paducah Tilghman walked away the winner for the fifth consecutive year with the Hilltop Relays Championship. Daviess County was second scoring 24 points which was 37 points behind the 61 scored by Paducah. The outstanding performer of the meet however, was Somerset's John Sears, who won the mile in record time of 4:34 and the 800-yard run in 2:05.9. Western's new track coach-elect Tom Ecker has high hopes that he can enroll Sears here next fall. "Sears is one of

the boys we want," said Ecker, who plans to enlarge Western's track program. A cross-country team will be one of his additions and Sears could prove to be a valuable man in that event.

Dick Coop Hurls 4-Hitter

Dick Coop turned in the best pitching performance for Coach Nick Dones baseballers this season as he pitched a 4-hit 5-0 shut-out over Bellarmine. He went the full nine innings in posting the win. The Campbellsville senior allowed one double and three singles. John Burt had 3-hits and the victory gives Western a 6-3 season mark.

Murray Challenges Western's Tennis Supremacy

The Murray Racers recently edged the Hilltoppers in a regular tennis match 4-3 to become the favorite to unseat Western's tennis supremacy in the OVC. Freshman Bobby Cooper beat Western's Don Meyer in straight sets in the No. 1 singles test. Cooper would be the most likely to end Meyer's two-year reign as conference champ.

Jenkins Leads Hitters

Denny Jenkins, New Albany, Ind., junior, is currently hitting .333 to lead the baseball team in batting. He has six hits in eighteen times at bat. He along with Chuck Patten, and Raymond Hunt, are the co-captains of the years team.

Western's Mike Roberts prepares to break the tape in capturing the two-mile run against Austin Peay State College. Roberts won both the mile and two-mile events in the April 20 meet.

Topper Tennis Supremacy Challenged; Golfers Win; Diamond Men Split

WESTERN 2, MURRAY 4

The tennis team lost its first OVC match in three years as Murray edged them 4-3 here April 19. Don Meyers, defending singles champion of the OVC was beaten by Bob Cooper, 6-1, 7-5. It was Meyer's first defeat in six matches.

The No. 1 doubles team of Meyer and Danny Day suffered their first defeat, losing to Cooper and Jerry Rodes, 6-2, 6-2.

Western had a 3-2 edge in the singles, but Murray won both doubles in three sets.

WESTERN 3, BELLARMINE 4

The Toppers lost three singles matches and a doubles match losing to Bellarmine College 4-3, in Louisville Saturday, April 21.

Don Meyer was beaten by Johnny Evans 6-2, 6-0 losing his second consecutive No. 1 singles match.

Don Traugher and Don McElhenny won their singles matches and then teamed to defeat Andy Latkovski and Leonard Latkovski, 6-3, 4-6, and 6-2.

The No. 1 doubles team Meyer and Danny Day lost to Johnny Evans and Jim Spencer 1-6, 6-2, and 6-2.

WESTERN 7, TENN. TECH 8

The Toppers ended a two-match losing streak here, April 24, by defeating Tennessee Tech. 7-0.

Don Meyer also ended his losing 'skain' by defeating Buck Jones 6-0, 6-0. He and Danny Day then teamed to beat Jones and Dink Adams 6-0, 6-0.

They only lost two sets in the match. Jerold Moore and Don Traugher joined Meyer in winning two straight sets.

WESTERN 2, LOUISVILLE 5

The Toppers netters lost to the University of Louisville 5-2, there, April 28. They lost all five singles but won both doubles.

This is their fourth loss in ten matches. They play the University of Kentucky here, May 7, for their next match.

Golfers Win

GOLF SCHEDULE

Coach Frank Griffin has big hopes for this year's golf team. He has five lettermen returning, Joe Jagers, Denny McAtee, Mickey Dale, Smitty Taylor, and Terry Jones. He places big hopes on new comers, Bill Morton and Dave Ryan.

This year's schedule will be climaxed by a trip to Athens, Georgia, where they will participate in the Southern Tournament for colleges of the South. The OVC tournament will be held at Eastern, May 18-19.

Schedule:

Austin Peay April 13, Away
University of Louisville, April 20, Away.

T.P.L., April 24, Away.
David Lipscomb, April 30, Away
Ky. Wesleyan, April 27, Home.
Southern Tour at Athens, Ga., May 3-5, Away.

David Lipscomb, May 8, Home.
T.P.L., May 11, Home.
Murray, May 14, Away.

WESTERN 16½, U. of L. 10½
Coach Frank Griffin's golf team won its second match in two outings by defeating University of Louisville, 16½-10½ at Big Springs.

Five of Western players were in the 70's. Dave Ryan 73, Joe Jagers 73, Denny McAtee 75, Smitty Taylor 76, Mickey Dale 77.

WESTERN 14, AUSTIN PEAY 14
Austin Peay, new member of OVC, felt defeat in its first outing to the Western Golfers, 14-14, in a match at Fort Campbell, Ky.

Bill Morton was medalist for the day with a 74.

Five of its seven Hilltoppers were in the 70's. Trailing Morton were Dave Ryan with a 76, Smitty Taylor 76, Denny McAtee 77, and Joe Jagers 78.

Baseball

WESTERN 4, WHEATON 2
Entertaining visiting Wheaton College of northern Illinois, West-

ern's "diamond demons" proved to be something of a bad host as they trimmed the visitors 4-2.

Playing with a veteran lineup including 3-year-men Denny Jenkins, Ray Hunt and Chuck Patton and 2-year men Bob Moore and Larry Castle, plus several outstanding new comers such as Jim and John Burt and Lee Murray, the Toppers proved that this might be the year to capture the rugged Western Division of the O. V. C.

A superb pitching performance by Bob Struemon and timely hitting in the clutch by Jenkins, John Burt and Ray Hunt insured the victory for Western.

WESTERN 4, AUSTIN PEAY 7

Journeying to Austin Peay in Clarksville, Tennessee, Western's baseballers suffered a heart-breaking 7-6 setback on April 18.

The Hilltoppers jumped out in to the lead in the first inning on Bobby Moore's home run with two men on and Larry Castle's single to right which produced two more runs, after which the Toppers were held scoreless until the eighth when Ronnie Carroll slammed a solo roundtripper.

Austin Peay scored one run in each of the fourth, fifth, and sixth frames and erupted for three more in the eighth on Bennett's homer with two aboard. With the score tied 6-6 going into the bottom of the ninth, Austin Peay's

leadoff hitter Burks slapped a double to left and scored the winning run shortly after on a single to right.

The game marked the first ath-

letic contest between the two schools since Austin Peay was admitted to the Ohio Valley Conference.

WESTERN 5, BELLARMINE 0
Western's Dick Coop baffled Bellarmine batters here last week, as he pitched Western to a 5-0 shutout victory over the Knights.

Coop went the full nine innings in posting the win, allowing the Knights only four hits. The Campbellsville senior struck out eight and did not walk a man in facing 30 batters.

Ronnie Orwick, who went the route for Bellarmine, was the losing pitcher. He also got one of his team's four hits.

Western scored one run each in the fourth and sixth innings and then exploded for three runs in the eighth. Leading batsmen for Western were John Burt with

three hits, including a double, and Bob Moore, Chuck Patton and Lee Murray with two hits apiece. Dick Carey collected two hits, including a double for Bellarmine, while Buddy Thompson and Orwick each collected a single.

WESTERN 8-4, C'VILLE 4-3

Western's Burt brothers—John and Jim—combined baseball talents last week to help the Hilltoppers conquer Campbellsville 8-4 and 4-3. The second game was halted after six innings by darkness.

The Burt brothers combined for six hits, each collecting a home run, and Jim also pitched four innings of the second game.

Western had to come from behind after Campbellsville led 6-0 after two innings in the opener. The Hilltoppers scored four runs in the second inning and two in the third to tie, then went ahead 7-6 in the fourth. Jim Jackson,

who relieved in the third, was the winning pitcher and Charles Alexander was the loser.

In his second game, Western scored first, but Campbellsville stayed in contention until Western's Bobby Moore walked with the bases loaded for the winning run in the sixth inning.

Michael Cox, who took over for Jim Burt in the sixth, was credited with the victory. Bill Lee, who went the full six innings took the loss. Burt gave up one run and struck out nine.

WESTERN 1, MID. TENN. 5

Western's baseballers had rough going in their first Ohio Valley Conference game as Middle Tennessee smacked the Hilltoppers, 5-1.

The second game of the scheduled doubleheader was no contest as it was terminated in the top of the third round with the Raiders leading, 3-1. Rain halted play.

WESTERN 9-5, TENN. TECH 19-2

Southpaw Bobby Sturgeon gave Western a baseball split with Tennessee Tech at Cookeville April 30, after Hilltopper pitchers had yielded a phenomenal 19 walks in the opener of the doubleheader. Sturgeon hurled a five-hitter in the trailer for a 5-2 victory, with Chuck Patton's three singles giving him major offensive support.

Tech scored 13 unearned runs in the sixth inning of the opener for a 19-9 triumph. The 19 walks were compounded by five Western errors, two of them in the fatal sixth.

Top Two West-Va. Cagers Sign With Hilltoppers

By LARRY DYKES
Sports Editor

The No. 1 and No. 2 high school basketball players in West Virginia, who have been opponents for the past three years will now become teammates as members of the Western freshman basketball team next season. They are Rene Sarrett, 6-5 center-forward from Woodrow Wilson in Beckley, and Ronnie Kidd, 6-4, 216-pound forward from South Charleston.

Sarrett led his team to a 26-0 season and the state championship. He was voted the most outstanding basketball player in West Virginia this year. He was captain of the All-State team; captain of the All-State Tournament team; and captained the All-Southern first team and the All-Coalfield team. He averaged 26 points a game and had a shooting percentage of .53 from the field.

Kidd came from a league which

has produced such All-Americans as Jerry West and Mel Red Humeley. During his career at South Charleston his team won 68 games while losing only 8. He averaged 19.3 points a game for two years and a career high came in a game with Charleston High when he hit 15 of 23 field goals and 19 of 21 free throws for 40 points.

"Both boys are top notch prospects," stated Coach Diddle, "and plenty of folks can come and see them play in our new arena."

Career Cues:

"Whatever your major, make sure to include a course in 'people'!"

W. Emlen Roosevelt, President
National State Bank, Elizabeth, N.J.

"If my college adviser had prophesied that studying psychology would some day help promote my career in banking, I'd have scoffed. Yet that is exactly what has happened. And when I think about it now the reason seems obvious. The facts and figures of banking, or of any other field, are mechanical devices. They take on real meaning

only when related to people.

"Good psychology is also the basis of all teamwork. And, since most of today's business and scientific problems are too complicated for 'one man' solutions, teamwork is essential. If you want to be a valuable team player, and a likely candidate for captain, be the person who understands people. Learn what it takes for people to work together in harmony. Learn how to win trust and confidence. Learn basic human psychology.

"Bear this in mind, too. World tension, community tension, business tension, even family tension are the facts of everyday life. The more you know of human behavior, the better prepared you will be to deal with these problems.

"So, if you have the chance, take a course devoted to 'people.' Your class adviser can probably help you fit a psychology elective into your schedule. I don't think you'll regret it... I know I didn't."

Townsend Signs Grant-In-Aid

Dave Townsend became a Western basketball recruit for next season April 31 when he signed a grant-in-aid.

Townsend is a junior college product who will be eligible for the varsity next season. He played his high school ball at Vine Grove. He will graduate from Allen Military Academy Junior College this spring.

The 6 ft. 6 in., 190 pounder averaged 23 points a game this past season and was his team's best rebounder according to coach Ed Diddle.

He is capable of playing either forward or center. Coach Diddle feels that he will be able to help the team immediately.
