VOLUME 41, NUMBER 26—2251 BOWLING GREEN, KENTUCKY WEDNESDAY, JULY 18, 1962

Freshmen Will Not Be Allowed Autos On Campus With Opening Of Fall Term

Effective with the beginning of the fall term, a student motor vehicle policy will prohibit the possession and operation of any type automobile by freshmen on the campus at Western.

This policy was adopted by Western, along with the University of Kentucky, Murray State College, Morehead, Kentucky State College, and Eastern, when the Council on Public Higher Education at Frankfort adopted the policy on July 9.

Prior to registration for the fall semester, a copy of the Parking and Traffic Regulations will be mailed to all students who have indicated their intention of attending Western for the 1962-63 year.

The same policy will effect sophomores in September, 1963. At that time, all students registered as sophomores who have an overall academic standing of "B" or above may be granted the privilege of operating motor vehicles at any of the above named schools.

Also effective September, 1962, all students on academic probation or disciplinary probation, regardless of their classification, are forbidden possession and operation of motor vehicles at the College.

Exceptions to these regulations may be granted only with special permission of the Dean of Students in order to avoid hardship based on physical handicap, necessary commuting to classes, use for essential work and other proven need.

Regarding registration of students, see page 4, column 1.

Regents Approve Record \$3.2 Million Budget

Western State College board of regents recently approved the largest budget in the history of the college and promoted two members of the faculty to associate deans.

Continued progress and expansion in all areas of the college were given impetus by other actions of the board.

The budget approved for the 1962-63 fiscal year totals \$3,199,772. The college began operating under the budget on July 1.

Dr. John D. Minton, who has been a faculty member of the department of history since 1959, was promoted to the position of associate dean of graduate instruction.

Dr. William R. Hourigan, who has been a faculty member of the department of agriculture since 1960, was promoted to associate dean of undergraduate instruction.

The teaching assignments of both the new associate deans will be reduced in order to assume the new duties.

A native of Trigg County, Minton was awarded the Ph.D. degree in history by Vanderbilt University in 1959. He was awarded the M.A. degree by the University of Kentucky in 1947 and the

A.B. degree by the same institution in 1946.

Minton held a graduate assistantship at the University of Kentucky in 1946-47 and was a teaching fellow at Vanderbilt from 1947 until 1956. From 1951 until 1953 he was a member of the Broward County public school system, and Adult Education Program, University of Miami, Fort Lauderdale, Fla.

He served as principal of the Trigg County high school from 1953 until he joined the Western faculty.

Minton and his wife, the former Betty Jo Redick of Trigg County, reside at 102 Bellevue Drive with their two sons.

Hourigan is a native of Lebanon. He was awarded the Ph.D. degree by Ohio State University

Record 2,149 Enroll For Summer Term

A record total of 2,149 students are enrolled in college classes at Western for the summer session, according to registrar Rhea Lazarus.

The enrollment is the largest in the history of the college for a complete summer session. Registration for a shortened summer term in 1936 slightly exceeded this.

NOTICE

Because of the many requests for copies of Dr. William F. Meacham's spring commencement address delivered at Western's 85th commencement, May 31, a limited number of copies have been prepared by the Public Relations Office for distribution.

Persons interested in obtaining a copy of this address should write to Dr. Kelly Thompson, President of the College.

Dr. Felix Robb To Address 86th Graduating Class

Dr. Felix C. Robb, president of George Peabody College, Nashville, will deliver the commencement address at the summer graduation exercises on Friday, August 3, according to Western president Kelly Thompson.

The commencement program for the 1962 summer graduating class is scheduled for the Western Stadium at 7:30 p. m. In the

Continued on page 4, column 3

NOTICE

President Kelly Thompson and Mrs. Thompson and the Faculty will entertain the graduates of the College, both Seniors and Master's candidates, and their wives and/or husbands at a reception at the Kentucky Building Grounds on Tuesday afternoon, July 24, from four to five-thirty o'clock.

Freshmen Registration At 8 A.M. In Van Meter

Western will launch its 56th year of operation with three days of freshman orientation and registration, beginning Monday, September 10. A general assembly in Van Meter Auditorium, September 10, at 8 a.m., will officially open the 1962-63 fall semester.

Registration of upperclassmen will begin Thursday, September 13, and will continue through Friday, September 14. Classes will begin at 8 a.m., Monday, September 17.

Students desiring to enter Western for the first time may secure application blanks from the office of Dero G. Downing, Dean of Admissions. The college catalogue and additional information may be obtained by writing to President Kelly Thompson, Western Kentucky State College, Bowling Green, Kentucky.

Freshmen Days

During the general assembly period on Monday, freshmen will be given general counseling concerning the purposes and educational opportunities of Western. There will also be group testing as part of the freshmen orientation program. Following the testing period, freshmen will be counseled in the making of their individual programs.

Student Housing

Students desiring accommodations for the fall semester should write to Hubert Griffin, Director of Housing, in care of the office of the Dean of Students. Although all dormitories are full at this time and waiting lists are constantly growing, the college maintains a list of available rooms in private homes, including light housekeeping accommodations, which are open to young men and women who attend this institution. Room rates for students in private homes average approximately \$20.00 per month, two students in a room, according to the location and desirability of the room.

Expansion

During the past year, an extensive building and remodeling

program has been going on at Western. West Hall, which housed women students during the 1961-62 year, will become a men's dormitory in September. The new six-story residence hall for women, located near the Kentucky Building, is scheduled for occupancy this fall. The college laundry, dedicated in January, will continue to offer laundry facilities for the exclusive use of Western students.

Fall Calendar

Friday, September 21, has been designated as the last day on which a student may re-enroll for a full load, and Wednesday, September 26, will be the last day on which a student may enter a course for credit with a reduced load. Monday, October 8, is the last day on which a course may be dropped without a grade.

Holidays Listed

Thanksgiving Holidays will run from 12 noon Wednesday, November 21, to Monday, November 26, at 8 a.m. Christmas Holidays will begin at 12 noon, Wednesday, December 19, and last until Wednesday, January 2, 1963, at 12 noon. The first semester will officially end Saturday, January 26, 1963.

S. & B. Cops Nat'l Rifle Championship

Company C-11 of the National Society of Scabbard and Blade has recently received word that its rifle team has taken top honors in the 1962 National Inter-Company Rifle Match.

In addition to compiling the top total score of 1,852 points, five members of the team placed among the top ten individual scorers in the nation. Firing in the top ten were: Gerald Harrison, Olmstead, 383; David Mackey, Calhoun, 374; Warren Taylor, Russellville, 370; Melvin Blair, Elizabethtown, 367; and William Lawrence, Cadiz, 358.

The Scabbard and Blade pistol team also has claimed national honors in that four of the five members who fired in the national pistol match also placed in the nation's top ten scorers. Those members were: Ed Bruen, Hebron, 279; David Mackey, Calhoun, 275; William Lawrence, Cadiz, 274; and Ken Helm, Louisville, 265. Also firing in the pistol match was Bill Hambrick, Louisville, 132.

A bronze plaque has been received by Co. C-11 from National Scabbard and Blade Headquarters.

Gov. Combs Will Address 28th Summer Conference

An address by Governor Bert T. Combs will highlight the twenty-eighth annual Summer Conference for Superintendents on Friday, July 20 at Western, according to an announcement today by Dr. Kelly Thompson.

The governor will address approximately 250 superintendents and other school officials from across the state at 2:45 in regard to the present and future of "Kentucky Public School Finance." Kenneth Eales, chairman of the conference has announced that the session will open at Van Meter Hall at 1:00 P.M. with a business meeting which will be followed by an address on "Administering of Kentucky Public School Funds" by Sam Alexander, assistant superintendent of

GOV. BERT T. COMBS

NSF High School Program Enrolls Eighty Students

A record eighty high school students who will be seniors next year are enrolled in the National Science Foundation's Summer Program in Chemistry and Physics, designed to stimulate an interest and provide enrichment in mathematics and science.

The program, an invention of Dr. Tate C. Page, head of the department of education, is now a project of upper intellect for high school juniors in Kentucky and adjacent states. It gives them a chance to see what college life is really like and instills in them a desire to continue their education in the higher realms of learning beyond their senior year of high school.

Western, the first educational institution in Kentucky to require science for those preparing to

Continued on page 12, column 1

Change In The Constitution Approved By Alumni Vote

The active membership of the Alumni Association of Western Kentucky State College, voted four to one to revise and bring up to date the Constitution and By-Laws of the Association.

Official ballots were mailed from the alumni office to approximately 2,000 active dues-paying members of the association. About fifty per cent of this number were life members and the other fifty per cent were annual members.

One of the major revisions that will be made in the Constitution will be the increasing of dues. The annual membership dues will be raised from \$1.00 to \$3.00 (individual), and to \$5.00 for man and wife. Life memberships will be increased from \$10.00 to \$50.00 (individual) and from \$15.00 to \$75.00 for man and wife. These increases are to become effective immediately although they do not apply to those who have already become life members. All memberships include subscriptions to the College Heights Herald.

Another valuable amendment that will be made is that of increasing the membership of the Board of Directors from four elected members and a president, to include the presidents of the existing alumni chapters in Kentucky and other states, and the presidents of any alumni chapters that are formed in the future.

The following active alumni chapters and their presidents are: North Kentucky, Ray Weaver, B.S. '58; M.A. '59, teacher and coach, Ft. Mitchell; Muhlenberg County, A. H. Cather, A.B.

Freshmen, You're Lucky

Western Kentucky State College is getting bigger and better all the time. Progress has been the watchword on this campus for the past several years and the future looks even brighter.

The 1961-62 school year saw the dedication of the beautiful Kelly Thompson Science Building, West Hall dormitory for men, and the College Launderette. The faculty was increased to accommodate additional students, and more courses were added to the curriculum. The curriculum itself has been improved and it is now possible to earn a major in psychology and a minor in military science. Western also proudly boasts a growing new department of business and government, headed by Dr. William Jenkins. The program for continuing education provides the opportunity to earn a degree while attending college on a part-time basis, usually in the evening. Expansion has taken place in every direction and it is only the beginning.

In September, the class of 1966 will get a first-hand look at the college on the move. They will witness the construction and completion of the \$2.9 million Academic-Athletic Building, a four-story women's dorm, and the 11 story "skyscraper" dormitory for men. Women students will be offered the facilities of the newly-completed six-story dormitory and a new home management house on State street. Students will benefit from the improved system of registration, designed to make the process faster and more efficient. They will be met by better than fifty new faculty members, half of whom hold or are scheduled to receive the Ph.D. degree in the near future. Students will be guided by two newly appointed associate deans, Dr. William R. Hourigan and Dr. John D. Minton, and the new collegians will see the result of Western's record \$3,190,772 budget.

Before graduation, the class of '66 will see the expansion of the library and the student center, and many other forms of progress will expose themselves during the coming years.

Why has Western suddenly become interested in expansion and reorganization? This interest is not as sudden as it may seem, rather it is the result of years of extensive long range planning aimed at making an education at Western a more profitable college experience for every student. Its purpose is to allow students every possible opportunity to develop their potentialities to the nth degree.

President Kelly Thompson has been the guiding light behind this plan for the improvement of Western's educational opportunities. It is through his untiring effort and farsighted planning that the expansion and improvements of the past few years have been realized.

FINAL EXAMINATION SCHEDULE SUMMER SESSION 1962

Final examinations will be held on Thursday and Friday, August 2nd and 3rd. The test periods will be as long as two hours in length and will follow the schedule below.

AUGUST 2—THURSDAY

9:00, CST Final test in classes regularly meeting at 7:30 a. m., CST
11:00, CST Final test in classes regularly meeting at 10:30 a. m., CST
2:00, CST Final test in classes regularly meeting at 1:30 p. m., CST

AUGUST 3—FRIDAY

9:00, CST Final test in classes regularly meeting at 9:00 a. m., CST
11:00, CST Final test in classes regularly meeting at 12 noon, CST

Russell H. Miller To Direct Shaker Pageant

"Shakertown Revisited" is the festival inspired and promoted by a group of public spirited citizens of Auburn, Kentucky. "Shakertown Revisited," to be presented in Auburn July 20, 21, and 22, proposes to tell the story of the old South Union Colony. The idea originated with the committee in charge of the Shaker Museum, Inc., and spread to community proportions with the inclusion of a pageant and related activities.

Mr. Russell H. Miller, Director of Speech and Theatre Activities, at Western, has been enlisted to direct the pageant. Mr. Miller, with the assistance of members of the committee, has devised the scenes depicting the origin and spread of the Shakers from the materials of Julia Neal and her story of Shakerism in South Union, Kentucky, "By Their Fruits." Members of Mr. Miller's summer theatre group and citizens of Auburn and Russellville compose the cast. The music, specially arranged for the production, is the work of Ruth Morris, director, and the Russellville Civic Chorus. Miss Neal, a Western graduate and former instructor in the college, is presently a member of the English Faculty at the Florence State Teachers College, Florence, Ala. She and Mr. Miller selected the incidents to be dramatized in the pageant.

Co-Chairmen of the "Shakertown Revisited" Central Committee are Grover Corum and Mrs. Curry Hall. In addition to the pageant to be presented in the Auburn High School Gymnasium at 8 p.m. on Friday and Saturday evenings and Sunday afternoon at 3 p.m. the Festival includes several other interesting

RUSSELL H. MILLER

activities. Mr. William Loy of Western's Art Faculty has collaborated with the committee in the presentation of the Art Show. The Art Show, the Hobby and Craft Show, and the Antique Show, will be housed in the Auburn High School Building. Daily guided tours of the Shaker remains in both Auburn and South Union will be dispatched from the High School Building at 10, 2, and 4, each day of the festival period. The Shaker Museum, now in its third year, will be a central attraction. Here is housed the most comprehensive Shaker collection in America.

"Shakertown Revisited" is real Americana. It should appeal to both Kentuckians and tourists as well. Tickets may be purchased in advance or at the festival headquarters July 20-22.

GYPSEY... Shirley Ann Chandler, left, pauses during the shooting of her latest film, "Gypsy," to discuss the script with Hollywood director, Marvyn LeRoy. Miss Chandler is one of several former members of Western Players who have continued their dramatic careers since attending Western.

Former Western Players Pursue Drama Careers

Each year the names of Western Players alumni show up in the success columns of the varied world of theatre and entertainment. It is satisfying to point with pride to those former Players who have gone on to distinguish themselves in their chosen area of specialty.

Direct from Hollywood comes the news from Shirley Ann Chandler that she has completed her latest picture assignment, a singing, dancing, acting part in the Warner Brothers production of "Gypsy." The production was directed by Marvyn LeRoy, one of Hollywood's most successful impresarios. Rosalind Russell, Natalie Wood, and Karl Malden are the stars in the movie version of this musical which Ethel Merman played with great success on Broadway for three seasons. In TV, Shirley has done a variety of roles, most recently in an episode of "77 Sunset Strip." This summer she is a member of the stock company at the Circle Arts Theatre in San Diego, California, where her first assignment is the featured role of "Dainty June" in their production of "Gypsy."

From Mississippi Southern University, Ted Urban writes of his membership in the summer stock company there with an ambitious program of seven major productions. As one of the "Stars of

Tomorrow," Ted presently is appearing in "Once Upon a Mattress." Members of the Stars of Tomorrow company are chosen competitively from outstanding actors from colleges and universities throughout the South.

Successful in another phase of theatre activity in another area of the country is Walter S. Langsford. After a summer as theatre manager for Willard Swire on the "straw hat" circuit at Sharon, Connecticut, Walter moved into New York as manager of the Charles Theatre in Greenwich Village. After a season of successful managing, he, in partnership, has bought the Charles and continues to manage its operations.

In still another area of the entertainment world, Charlie Flenner launched a recording career with Tempwood Recording Company last spring. His first record, "Moon in by Window," his own composition, has proved popular with much play this spring and is still making a respectable sales record. While waiting to make his second recording on June 30, Charlie is working full-time as announcer and entertainer at WLTV, the local TV station. His own show, "The Charlie Flenner Dance Party," on Friday evenings, 7:30 to 8:30, is popular with local viewers.

1962 College Calendar 1963

First Semester

September 10, Monday, 8:00 A.M. ... Freshman Days begin with General Assembly, Van Meter Auditorium and continue until 12:00 noon, Thursday, September 13.
September 13, Thursday ... Registration of upperclassmen begins with General Assembly, Van Meter Auditorium and continues through Friday, September 14.
September 15, Saturday, 7:45 A.M. ... Registration for Saturday classes and Graduate Night classes begins with General Assembly, Van Meter Auditorium. All Saturday classes will hold their first class meeting on this date.
September 17, Monday ... Classes begin.
September 21, Friday ... Last day to register for a full load.
September 26, Wednesday ... Last day to enter a course for credit with a reduced load.
October 8, Monday ... Last day on which a course may be dropped without a grade.
November 21, Wednesday, 12:00 noon ... Thanksgiving Holidays begin.
November 26, Monday ... Classes resume.
December 19, Wednesday, 12:00 noon ... Christmas Holidays begin.
January 2, 1963, Wednesday, 12:00 noon ... Classes resume.
January 8-9, Tuesday and Wednesday ... Pre-registration of seniors and graduate students.
January 21-24, Monday through Thursday ... Final examinations.
January 26, Saturday ... Final examinations in Saturday classes. Semester Ends.

*Tuition for an out-of-state student is \$65.00 per semester.	
**Payable only one time during college year.	

Important Information Concerning Student Housing At Western

Western is expecting the largest enrollment in the history of the college when the fall semester opens on September 10, 1962. At this time all dormitory rooms are filled and a waiting list has been compiled. We have made a survey of available housing for students in private homes near the campus, and have this information available for those who have not made housing arrangements.

If you will come to the campus during the period of August 27, 28 and 29 we will have staff members to assist you in locating suitable housing accommodations. When you arrive on the campus, come to the Administration Building.

If it is not possible for you to come to Western on one of the days indicated, come whenever it is convenient, and we will extend all possible help.

You are assured that Western is vitally interested in your welfare, and is anxious to assist you in furthering your education. We shall be looking forward to seeing you on one of the days indicated, or at anytime that you find it convenient to come to the campus to locate housing accommodations.

For further information concerning accommodations, write to Hubert P. Griffin, Director of Housing, in care of the Office of the Dean of Students.

'Private Lives' To Be Presented July 25-27

The second production of Western's Summer Theatre '62 will be "Private Lives," the comedy that Noel Coward wrote especially for the late Gertrude Lawrence and himself.

Patti Peete Gillespie will be seen in the Gertrude Lawrence role and S. Terry Coker will play the Coward role in the summer production. Karlene Engelman, Herschel Walsh, and Lydia Wells Stedje complete the cast of "Private Lives," to be seen in Reel Hall Auditorium July 25, 26, and 27.

Mr. Russell H. Miller, Director of Speech and Drama Activities in the English department, is again the producing director for the summer operation. Mr. Miller has been the guiding force behind Western's summer theatre programs since 1958.

First Production

The first summer theatre production presented July 11, 12, and 13, was Federico Garcia Lorca's intense drama, "The House of Bernarda Alba," concerning the social problems which Spain inherited from its Civil War. Lorca was already known as a brilliant poet and playwright when, at the

age of 37, he was killed near his native Granada soon after the outbreak of this same Spanish Civil War.

Muriel Hawkes was seen in the role of Bernarda Alba, the Spanish mother with five marriageable daughters faced with the problem of no eligible husbands. The daughters were played by Alba Marie Broach, Dinah Kessler, Ann Downing, Mary S. Oaken, and Sherrill Scanlan. Other principals were Phyllis Blakeman, Bette Miller, and Ann Mankin.

Elsie Jean Hughes, Marthalee Atkinson, Rita K. Davis, Carolyn Billingsley, Ramona Knott, and Pam Fitzpatrick completed the cast. Settings for "Bernarda Alba" were executed from designs by Hal Gomer, Western graduate now teaching art and theatre in Baltimore, Md.

Two Field Trips

Two field trips have been planned for Summer Theatre '62 for members and guests. The first of these was to Bardstown to see the new "Stephen Foster Story" the first week of July. The second trip will be to see Kuft Weill's "Three Penny Opera" at the Nashville Circle Theatre on Monday, July 30. Reservations are now being accepted for this trip.

Officers of Summer Theatre '62 are: Phyllis Blakeman, Hodgenville, president; Bette Miller, Simpsonville, business manager; S. Terry Coker, secretary - treasurer; and Bennie Vickous, public relations representative. The planning committee is composed of Frank Atkinson, Mary Ray Oaken and Warren Kessler.

New Journalism Courses Begun

Two new journalism courses have been approved by the curriculum committee, and will be offered by the English department for the first time in September, according to a recent announcement. Each course will carry three hours credit.

The first of the newly-established courses will be called Beginning Journalism 111. It will be open only to beginning freshmen who score high enough on the English Placement Test to merit their taking an English course in addition to the required Freshman English. Those freshmen who are permitted to take the new journalism course will be introduced to the basic fundamentals of journalism and will receive practical experience by writing for the College Heights Herald. While the regular assignments will still be handled by members of the Journalism 121 and 203 classes, the freshmen will profit from taking the new course in that they will receive experience and training, which will be invaluable to them should they decide to pursue the study of journalism further. Mrs. Tom Ecker, who will join the English department in September, will teach the new freshmen course.

The second new course in journalism will be called Problems in Journalism 341. It will be open only to upperclassmen who have completed the intermediate and advanced courses of journalism. This class, which will be arranged on a "To Be Announced" schedule, will be taught by Miss Frances Richards, who also teaches the intermediate and advanced journalism courses. Members of this group will specialize in the more advanced skills of newspaper work, both in writing and management.

Nalbach And Boaz Attend Bi-State Meet

Mr. Walter B. Nalbach, head of the Industrial Arts department, and Mr. Holland E. Boaz, a new member of the staff, recently attended the Kentucky-Tennessee Industrial Arts Teacher Education conference held in the Harry Lee Waterfield Student Union Building at Murray State College.

The program was given by Dr. Eugene M. Schanbacher on "Identification and Analysis of Elements Versus the Conventional Approach in Teaching Drafting."

Other prominent issues discussed were industrial arts problems and problems pertaining to teacher training.

Following the discussion, films were shown on "Research and Experimentation in Industrial Arts."

Other colleges represented were Austin Peay, Middle Tennessee, Morehead, Eastern, and Murray.

American Chem. Soc. Meets Here

The Nashville Section of the American Chemical Society held its May meeting in Bowling Green, recently. The society met in Thompson Hall at 7:30 p.m.

Dr. Sheldon Shore of the Department of Chemistry of Ohio State University was the speaker for the evening. His topic was

"Recent Discoveries in Boron and Nitrogen Chemistry."

He received his B.S. in 1951 from Illinois University, M.S. from Michigan in 1954, and Ph.D. in Chemistry from Michigan in 1957. He taught instrumental chemistry at Michigan State in 1956 and 1957, but then went on to be an assistant professor at Ohio State. He has centered his studies on hydrates and halides of non-metals, especially boron, aluminum, nitrogen and phosphorus.

Herald photo by Allen Pardon
RIGHT HERE . . . Randy Moore, sophomore from Garden City, Mich., indicates on the new campus directory a point of interest to Russell Asbury, right, special student from Bowling Green, and Ralph Edens, freshman from Miami, Fla. The 66 by 42 inch directory map has been placed in front of the library at the main entrance to the college as an aid to strangers to the campus.

New Catalog Available

The new catalogue edition of the College Bulletin is now available for distribution, according to Dr. Raymond L. Cravens, Dean of the College.

Of interest to students will be a separate graduate bulletin and a new up-to-date map of the campus. The new edition, printed by Dunne Press, Louisville, features almost twice as many photographs of campus scenes, taken by Tommy Hughes of Ches Johnson Studios, are included.

The departmental descriptions are arranged in alphabetical order rather than by divisions as in last year's catalogue. Format and type styles for this year's edition are similar to those of last year.

Mr. William Loy of the Art department designed the cover for the new catalogue: a wood cut of Cherry Hall, printed in three colors.

Copies of both the undergraduate and the graduate bulletins may be obtained from the Office of the President. For further information concerning graduate study at Western, students should contact Dr. Cravens.

NEW CATALOGUE . . . Mr. Dore G. Downing, Dean of Admissions, looks through a copy of the new College Bulletin, recently received from Dunne Press, Louisville. This year, a separate graduate division bulletin has also been prepared. Copies of both graduate and undergraduate bulletins may be obtained from the Office of the President.

in 1960. He was awarded the M.S. degree by the University of Kentucky in 1956 and the B.S. degree by the same institution in 1952.

He served as assistant county agent in Calloway County and in Washington County following graduation from Kentucky in 1952. He was with the U.S. Army from 1953 until 1955 when he entered graduate school.

He and his wife, the former Marlene Swann, Murray, reside at 502 Belmont Drive.

Thirty-six faculty members who are new appointees in an expansion of the faculty to take care of the increase in enrollment were approved by the board.

A plan for changing the salary structure for the teaching faculty was presented by president Kelly Thompson. The plan, entitled, "Salary Conversion Plan," will not apply to department heads, administrative staff, and the Training School faculty.

The salary will be paid in 12 installments, effective Sept. 1, for the academic year, exclusive of the summer school session.

A faculty member will be additionally compensated for teaching the summer session. Those who do not teach in the summer will have the opportunity to do further graduate study, travel, or rest. Thompson stated that under this plan many of the faculty members can continue work toward the doctorate degree during the summer without financial hardship.

Thompson stated that lengthy study had been given to the plan and it was the overwhelming consensus of the faculty that such a step would be one of the most far-reaching in the history of the college relative to faculty financial remuneration.

The plan will be financed from the current budget which was approved recently. It will be put into effect for a one-year trial and if successful, will become an institutional policy.

Autos Banned

Continued from page 1

ent vehicles, the following excerpt from the College's newly-approved Parking and Traffic Regulations is reprinted below.

"No student may operate a motor vehicle at Western until he has registered it and has met the conditions described below:

1. A student desiring to register a motor vehicle must present a valid operator's license, and must show that the vehicle is insured against public liability and property damage in an amount not less than the minimum (amount) recommended by the Department of Insurance of the Commonwealth of Kentucky. If the student is under 21 years of age, the application must be accompanied by the written consent of his parent or guardian regardless of the ownership of the vehicle. Exceptions may be made only by the Dean of Students.

2. If the operator's license should be revoked or if the insurance is permitted to lapse, the privilege to operate a motor vehicle at Western will be revoked.

3. Registration of motor vehicles will be a part of the academic registration procedures, and eligible students who desire to

possess and operate a motor vehicle at Western will be required to register the vehicle at the beginning of each semester.

4. Upon proper registration of the vehicle, an identification sticker will be issued to the student operator. The sticker must be permanently attached to the bottom left side of the rear glass, or in the case of convertibles, in the lower right side of the windshield. Whenever there is a change in vehicle ownership, the old decal must be destroyed."

Penalties for parking and other traffic violations will result in fines up to the amount of \$5.00. Parking by students is strictly forbidden in all faculty parking areas between the hours of 7:30 a.m. and 5:30 p.m. weekdays and before noon on Saturdays.

"Any student with more than three (3) violations during one term shall jeopardize his status as a student and automatically forfeits the privilege of operating a motor vehicle at Western. This does not preclude the removal of a student's privilege of operating a motor vehicle for less than three (3) violations if the situation warrants the action."

Western Faculty Increased For 62-63

When the fall term opens in September, Western's faculty will have been increased by more than fifty new members, half of whom hold or are scheduled to receive the Ph.D. degree in the near future. More than a dozen different departments of the college are involved in this latest faculty increase. Several of the new instructors joined the faculty at the beginning of the 1962 summer session.

Biology

Dr. Donald W. Bailey and James F. Matthews will join the department of biology at the beginning of the fall semester in September. Dr. Bailey is a native of Virginia, but spent most of his youth in Evansville. He was awarded the B. S. degree by Vanderbilt University in 1955, the M. S. degree by Emory University in 1956, and the Ph.D. degree by the same institution in 1958. Since receiving the Ph.D. degree, Bailey has been a member of the faculty at Tift College, where he has served for three years as head of department of sciences, has been chairman of the committee on health and recreation, and has been a member of the curriculum committee.

Matthews is a native of Winston-Salem, N. C. He was awarded the A.B. degree by Atlantic Christian College in 1967, and the M. S. degree by Cornell University in 1969. He is scheduled to receive the Ph. D. degree at Emory University, in June.

Business and Government

William E. Laux, a native of Nebraska, was awarded the A.B. degree by Hastings, Neb., College in 1953, and the M. A. degree by the University of Nebraska in 1958. He is presently a candidate for the Ph. D. degree, which he expects to receive this summer, in the field of foreign governments at the same institution.

A native of Iowa, Glen E. Lange attended Burlington, Iowa, Junior College, and was awarded the B.C.S. degree by Drake University in 1950. In 1960, he received the M. A. degree from Hardin-Simmons University and since that time he has been serving as an instructor in accounting at the University of Missouri, where he is a candidate for the Ph.D. degree in accounting.

Dr. Stephen B. Levensohn, a native of Massachusetts, was awarded the Ph. D. degree in philosophy by Florida State University this year. He was awarded the M. A. degree by the same institution in 1960, and the A. B. degree by Boston University in 1959. While at Florida State since 1959, he has served as an instructor in philosophy and humanities.

J. R. Foster, a native of Tacoma, Wash., was awarded the A. B. degree by the University of Oklahoma in 1956, and the master of business administration degree by Indiana University in 1960. He is presently a candidate for the D.B.A. degree at Indiana University.

Thomas John B. Wenner, received the A. B. degree from Oberlin College; the M. A. degree from New York University, and has done graduate work at the University of Geneva, Switzerland, and the University of Paris. He majored in politics with a minor in economics and business administration. A resident of Palm Springs, Calif., since 1960, Wenner has studied and taught at Cornell University, the University of Minnesota, Columbia University, and Western Reserve University.

Chemistry

Donald T. Harris and Henry S. Kirby will join the staff of the college's department of chemistry as assistant instructors in September.

Harris, a native of Simpson county, was awarded the B. S. degree by Western in 1958 with majors in chemistry and mathematics. During the past year he served as a graduate assistant in the department while working toward the M.A. degree.

Kirby, also from Simpson county, was awarded the B. S. degree by Western in 1961 with a major in chemistry. During the past year he held a graduate assistantship in the department while working toward the M. A. degree.

Economics and Sociology

John H. Watson, a native of Utah, was awarded the A.B. degree by Marshall State College in 1955, and the M.A. degree by Mississippi State University in 1961, and will be awarded the

Ph.D. degree by the same school in August of this year. Watson served as an assistant professor of Air Science at Mississippi State from 1955-60 and as a graduate instructor in the department of sociology at the same school from 1960-62.

A native of Gabe, Wayne Dodson was awarded the A.B. degree in 1959 by Western and the M.A. degree by the same institution in 1960. He is presently working toward a doctorate degree in the field of Economics at the University of Kentucky.

Mrs. Audrey R. Jackson was awarded the A.B. degree by Western in June of this year when she was graduated with honors. She will receive the M.A. degree from Western in August. Part of her undergraduate work was done at the University of Oklahoma. This past year, Mrs. Jackson held a graduate assistantship in the department of economics and sociology.

Education

Dr. W. L. Brackett, a native of Oklahoma, comes to Western from the University of Tulsa where he has been associate professor of elementary education, director of elementary school teaching and of the summer laboratory school since 1959. He was awarded the A.B. degree by Northeastern State College and the M. A. degree by the University of Tulsa. He received the Ph.D. degree from Peabody College this year.

A native of Belleville, Ill., Dr. Paul E. Power was awarded the B. S. degree by Hampden-Sydney

College in 1935, and the M.A. degree by the University of Illinois in 1943. He received the Ed. D. degree from Colorado State University in 1964.

Kenneth L. Grinstead was awarded the A. B. degree by Iowa Wesleyan College in 1950, and the M.A. degree by the University of Iowa in 1956. He is presently a candidate for the Ph.D. degree at the University of Iowa, which he expects to receive in August of this year.

Archie Laman joined the department of education staff at the opening of the summer term. A native of Cave City, Arkansas, Laman was awarded the B. A. degree by Arkansas College. He received the M. A. degree from Arkansas State College, and is presently completing work for the doctor of education degree at the University of Arkansas.

A native of Butler County, Mrs. Ruth Fuller was awarded the B.S. degree by Western in 1956, the M.A. degree in 1958, and has completed the 24 hours of graduate study offered by Western beyond the M.A. degree. Last January, she joined the Western staff on a temporary basis in the education department.

English

Six instructors will be added to the department of English staff in September.

James N. Wise, a native of West Virginia, was awarded the B. S. degree by West Virginia University in 1957, and the M. A. degree by the same institution in 1958. During 1958-59, he was an instructor of English at George-

town College. Since September, 1959, he has been a part-time instructor at the University of Florida, where he expects to be awarded the Ph.D. degree this summer.

Mrs. Tom Ecker, the former Miss Judy Koch, is a native of Louisville. She was awarded the B.S. degree by Western in 1955, and the M.A. degree by the University of Iowa in 1957. A former editor of the *College Heights Herald*, she has been teaching English at Elizabethtown High School for the past four years.

Gerald R. Randolph is a native of Des Moines, Iowa, where he was awarded the A. B. degree by Drake University in 1953. In 1957, he received the M.A. degree at the State University of Iowa and expects to be awarded the Ph.D. degree by Florida State University this summer.

LaVon Benson, a native of Mis-

issippi, did her undergraduate work at Anderson College, where she received the B.A. degree in 1952. She was awarded the M.S. degree by Florida State University in June, 1959. Miss Benson is teaching English this summer at the University of Tennessee Extension in Nashville.

Flora J. Zhai, native of Florida, was awarded the A.B. degree in 1950 by Westhampton College, University of Richmond, and the M.A. degree by Florida State University in January of this year. She has also done graduate work at New York University and the University of Brussels, Belgium.

Edna H. Lanman is a graduate of Arkansas College, where she received the A. B. degree in 1959. She was awarded the M. A. de-

Pictorial Review Of Western's 55th Year

NEW UNIFORMS . . . The Western Band displayed striking new uniforms when it took the field during half-time ceremonies of the 1961 Homecoming game. The new ensemble includes a navy blue jacket and trousers with contrasting red and white trim. Other features of the uniforms are a white plume to be worn on the hat and a blue cape with red lining.

DISTINGUISHED SPEAKER . . . Another first in the history of Western was the initiation of the Rodes-Helm lecture series on Thursday, April 18, with Gen. Carlos P. Romulo, outstanding world citizen, being the initial speaker. Approximately 5,000 attended the first of the series of lectures named in honor of Warren County Circuit Judge John B. Rodes and Miss Margie Helm, director of library science at Western.

HIS 3RD BOOK . . . Dr. Gordon Wilson, emeritus head of Western's department of English, published his latest booklet, "Folkways of the Mammoth Cave Region", in May. The booklet gives many samples of the Folkways around the Mammoth Cave area.

MARK FIRST IN NATIONAL . . . The past school year saw Western's Parshing Rifle exhibition drill team journey to the Cherry Blossom Festival at Washington, D.C., to participate in the National Exhibition Drill Meet held April 5-7. The team returned as the number fifteen drill team in the nation and sixth of all Parshing Rifle companies. The unit, shown above executing present arms, is the first drill team to place higher than 25th in its initial appearance in the annual drill meet.

VICTORY . . . climaxed Western's homecoming celebration with the Western Hilltoppers defeating the Morehead Eagles Nov. 4 by a score of 7-0. The annual weekend saw the election of Martha Jo Johnson, senior from Scottsville, as queen to reign over the Homecoming activities. Here, Joe Jagers (with ball), Western fullback, found a hole in the Morehead defense on the fourth down and plunged for Western's lone touchdown in the homecoming game, late in the first quarter.

RALPH MALTERIE . . . led his band of Marlboro Men to a musical success at the annual Talisman Ball held at the Paul L. Garrett Student Center, May 3. The ball, one of the two formal dances held during the school year, was sponsored by the Talisman staff and the senior class.

CHAMPS . . . Pictured above is the 1961-62 Hilltopper basketball team, which finished the season with an outstanding 11-1 OVC record, clinching their 11th OVC title. Highlighting the season were Coach E. A. Diddle's 1000th game and the Toppers' victory in the NCAA opener, which advanced them to the Midwest Regional where they were defeated by the number one team in the nation, Ohio State.

THOMPSON HALL DEDICATED . . . Another event in the making of history at Western was the dedication of its new science hall named in honor of Western's president, Dr. Kelly Thompson. Here Governor Bert Combs delivers the dedicatory address for the then newest building on the Western campus. Approximately 1,500 persons attended the dedication held Sunday, October 15, 1961.

SNIP . . . Ribbon cutting ceremonies held January 8, officially opened the new Western Washeteria, located adjacent to the heating plant. Official ribbon cutter for the event was Dr. Kelly Thompson, president of the college. Looking on are (left to right): A. J. Thurman, director of the College Heights Foundation; Janice MacAtee, then senior and secretary of the president's student advisory council; Miss Judith Miers, dean of women; Frank D. Cain, architect for the project; and Jim Hill of Hill-Motley Lumber Co.

ONE OF THE LARGEST . . . athletic buildings in the United States was started at Western with the ground breaking ceremonies for the \$2,900,000 building held last fall. When finished, the E. A. Diddle Arena will seat 32,000 at capacity. Also included in the structure will be 20 master class rooms and an Olympic-size swimming pool. The building is expected to be ready for occupancy at the opening of school in September, 1962.

Western Faculty Increased For 1962-63

Continued from page 5

gree by the University of Arkansas in January, 1962, and has done additional work toward the doctorate degree. Mrs. Lanman has 10 years of teaching experience, the last two at the University of Arkansas where she was a teaching graduate assistant.

Foreign Language

Mrs. Margaret Kingsley Wenner will join the foreign languages department as a Spanish instructor. Mrs. Wenner received the A. B. degree from Elmira College and has done post graduate work at Cornell University and McGill University, Montreal, Canada. She has taught at Cleveland College and Western Reserve University for the past five years.

Geography

Dr. G. A. LeRoux and Noland G. Fields, Jr., will join the staff of the department of Geography and geology in September.

Dr. LeRoux, a native of the Union of South Africa, will be a visiting associate professor in the department. He was awarded the A.B. degree by the University of Stellenbosch, Union of South Africa, in 1939, and the M.A. degree by the same institution in 1941. He was awarded the Ph.D. degree by Clark University in 1947. He has also served as a post-graduate exchange student at the Free University of Brussels, Belgium.

A native of Memphis, Tennessee, N. G. Fields was awarded the A. B. degree by the University of Tennessee in 1955, and the M.S. degree by the same institution in 1960. He has also done work toward the Ph.D. degree at the University of Alabama.

History

Preston S. Malone was awarded the A. B. degree by Furman University in 1942. He received the M.Ed. degree from the University of Georgia in 1956, and will be awarded the Ph.D. degree by the same institution this year. Malone has served as a research assistant, teaching assistant, and instructor with the University of Georgia from 1957-1962.

Claude C. Sturgill, a native of Ga. was awarded the A.B. degree by the University of Kentucky in 1956, and the M.A. degree by the same institution in 1959. In May, 1961, he was awarded a Kentucky Research Council Grant to pursue his dissertation topic for the Ph.D. degree in the Republic of France, where he is currently residing with his wife and two daughters.

A native of Indianapolis, Thomas F. Sheppard was awarded the A.B. degree by Vanderbilt University in 1957. He received the M. A. degree from the University of Nebraska in 1962. While doing graduate work, he served as a research assistant and an assistant professor in the department of history for five semesters.

Industrial Arts

A native of Nebraska, Donald D. Wenst was awarded the A.B. degree by Nebraska State Teachers College in 1955, and the M.A. degree by the same institution in 1960. He will be awarded the Ed. degree by the University of Missouri in August. Since entering graduate school at the University of Missouri, he has served as an assistant instructor from 1960-61, and has been a research assistant at Missouri since September, 1961.

Jeff Crisp, Jr. is a native of Sandy Hook. He received the B.S. degree from Eastern State College in 1957, and was awarded the M.A. degree by the same institution in 1961. Since 1956, Crisp has taught industrial arts in the high schools of the Jefferson county school system.

Hoddy Perkins is a native of Bowling Green and attended College High. He was awarded the B.S. degree by Western in 1954, and will complete requirements for the M.A. degree at Western in January of next year. Since July, 1959, he has been employed as an electrician at Bowling Green Manufacturing Co. and was also engaged as a commercial electrician.

Library

Janice McAtee, Mrs. Polly Warren Boaz, and Mrs. Joy Terhune will join Western's library staff with the opening of the fall semester.

Miss McAtee was awarded the B.S. degree by Western this year when she was graduated with honors. A native of Cadiz, Miss McAtee, while a student, served on the Student Advisory Council and was a member of the Talisman staff. She was elected to Who's Who Among Students in American Universities and Colleges and was selected as the outstanding commercial education major in the 1962 spring commencement class.

tion major in the 1962 spring commencement class.

Mrs. Boaz was awarded the M. A. degree by Peabody College in 1961, majoring in library science. She was graduated by Western in 1952 with the B.S. degree. A native of Russellville, Mrs. Boaz has had library experience at the University of Missouri; Antioch, Ill., High School; Jefferson County school system; Texas A&M College, and the Extension Division of the University of Texas. She is presently serving as a half-time cataloguer in the Western library.

Mrs. Terhune was awarded the B.A. degree and the M.A. degree by Murray State College. She taught business at Trigg County High School for two years and for the past six years has served as librarian at South Marshall High School. This summer Mrs. Terhune is supervising the College High library in the absence of Mrs. Molly Holland, who is attending graduate school at Peabody College.

Mathematics

Martha Frances Watson and Joseph F. Stokes are scheduled to join Western's department of mathematics in the fall.

Miss Watson, a native of Janesville, Wis., was awarded the A.B. degree by Murray State College in 1956, and the M.A. degree by the University of Kentucky in 1958. Miss Watson held a teaching fellowship at the university for five years where she is now a National Science Fellow. She is a candidate for the Ph.D. degree, which she expects to receive at the university this summer.

Stokes is a native of Arkansas and was awarded both the B.S. degree and the M.A. degree by the University of Arkansas, and has done additional work at Michigan State and Oklahoma State universities. He has had teaching experience at Kansas State Uni-

versity and has done work with electronic computers. Stokes will come to Western from Auburn University, Auburn, Alabama.

Military Science

Lt. Col. Grover G. Smith will assume duties as professor of military science and head of the department of military science on August 1. Lt. Col. Smith will succeed Lt. Col. James F. Marquis, who retired from military service June 30.

A native of Tupelo, Mississippi, Smith was commissioned a second lieutenant in Infantry through the officer candidate program in

1943. He was later appointed to the Regular Army. He served in all company grade assignments from the Normandy invasion through the Central European campaign in 1943-45. He served in Korea in 1953-54 as an advisor to the Republic of Korea Army. In addition to completing all of the Army's career courses, Smith completed requirements for the B.S. degree at the University of Georgia and was awarded the degree in 1958.

ern from the Panama Canal Zone, where he is presently assigned as training officer at Fort Amador.

Non-Departmental

Mrs. Floyd McKibben will be a non-departmental instructor and will divide her teaching duties between more than one department. She was awarded the B. S. degree by Western in 1957. She has completed 15 hours of graduate work beyond the M. A. degree at Western. Mrs. McKibben was a member of the Department of Psychology at Western from 1958 until 1961 when she resigned to join her husband who was stationed in Massachusetts, with the U. S. Army. An experienced guidance counselor, Mrs. McKibben held that position in the Warren County School System in 1957-58. From 1948 until 1955 she was a Girl Scout Executive at Gregory, South Dakota. She held positions as a commercial teacher at Gregory, 1939 until 1941; Sioux Falls, S. D. 1947-48, and in the Warren County Schools from 1955 until 1957.

Physical Education

Tom Ecker, track and field coach at Elizabethtown High school, will join the staff at Western as a part-time faculty member in September. A native of Waverly, Iowa, Ecker attended the University of Iowa under a four-year academic and athletic (track) scholarship. He was awarded the scholarship after winning eight individual state high track championships, setting state records in seven of the eight events. Ecker will enter Western to begin work on the Master of Arts degree and will serve as coach of Western's track and field team, replacing veteran coach Turner Elrod, who recommended Ecker for the post.

Physics

Dr. Marvin W. Russell, senior research scientist for Kaman Nuclear of Colorado Springs, Colo., became head of the department of physics June 1. Dr. Russell received the Ph.D. degree from the University of Florida in 1954 after having been awarded the master of science degree from the same institution in 1952. He is a native of Poole, and was an honor graduate of Western in 1950 with a major in physics.

Dr. Russell was formerly a physicist and development engineer with the advanced development section of the General Electric Co. of Owensboro. His college related experience includes two years as a member of the physics department research staff at the University of Florida, and four years as visiting lecturer and acting chairman of the physics

division at Kentucky Wesleyan College.

Edward A. Barnhardt, Helena, Arkansas, who has completed all course requirements for the Ph. D. degree at Vanderbilt University, also joined the physics department staff June 1. Barnhardt was awarded the Master of Science degree by Vanderbilt in 1961, after having received the Bachelor of Science degree from Southwestern College of Memphis, in 1959. While working toward the M. S. degree, Barnhardt held a special fellowship in radiological physics from the Atomic Energy Commission. During the past year, he held a scholarship and teaching assistantship at Vanderbilt.

Robert S. Hall joined the physics department staff at the beginning of the summer term and will continue with the college for the 1962-63 school year. Hall will also teach physics in the Training School. A native of Bowling Green, he attended the Training School and was awarded the B. S. degree in 1958 by Western. Southern Illinois University granted him the master of science degree in 1961. Hall comes to Western from Belleville, Illinois, Junior College, where he has been an instructor in physics and mathematics since 1959.

Robert E. Dawson, a native of Simpson County, comes to Western from Kentucky Wesleyan College, where he has been head of the department of physics and mathematics. He was awarded the B. S. degree by Western in 1950, and the M. A. degree in 1952. In 1958, Dawson joined the faculty at Kentucky Wesleyan as assistant professor of physics. He was elevated to head of the department and made associate professor of physics and mathematics in 1961.

Economics

Roy D. Hedges, who has served as part-time instructor of sociology in the department for the past two years, will join the department of Economics and Sociology in a full-time capacity. Hedges was awarded the A. B. degree by Colorado State College, Greeley, Colo., in 1958. He will be awarded the M. A. degree by Peabody College, Nashville, Tenn., next month.

Hedges served as night editor of the Greeley Daily Tribune from 1957 until 1959. He worked with

S&B Cops

Continued from page 1

and has been placed in the cadet room of the ROTC department. Members of both teams who placed among the top ten shooters in the nation have also been awarded medals signifying their achievement.

Herald as Make-up and copy editor in 1959-60. He served in the Korean Conflict in 1952-53 with the U. S. Army's 43 division.

Training School

Mary Coleman Adams will teach art in the Training School. A native of Lexington, she attended the University of Kentucky and received the B. S. degree from Western this year. While at Western, she served as a graduate assistant in art. Miss Adams is a member of the Kappa Pi National Honorary Art Fraternity, the Kentucky Art Association, the SNEA, and Western Art club.

A native of Adairville, Bobby P. Holman will teach mathematics in the Training School. He was awarded the B. S. degree in 1959 by Western. While at Western, he was a member of the Math and Physics clubs, the SNEA, and the Leiper English club. Holman is presently at Fort Chaffee, Arkansas, where he is serving a one-year tour of duty with the 100th Division.

Alba Marie Broach will join the Training School staff, where she will teach in the areas of junior high English, speech, debate and dramatics. She comes to Western

from the Butler County school system, Hamilton, Ohio, where she taught high school English for the past two years. A native of Decatur, Georgia, she was awarded the B. S. degree by the Uni-

versity of Tennessee in 1960. Her first two years of college were completed at Virginia Interment Junior College. She has done graduate work toward the M.A. degree at Emory University.

LATEST—Nearing completion is Western's newest women's dorm which will have a 404 bed capacity when the building is expected to open for the coming fall semester. The \$1,284,400 six story dorm will also have two elevators. The new dorm is located on Dogwood Drive between the Kentucky Building and the Power Plant.

Dr. Wilgus Granted One Year Leave

Dr. D. K. Wilgus, of the English department, has been granted a leave of absence for the academic year 1962-63 to serve as visiting professor of English and Anglo-American folksong at the University of California, Los Angeles.

Dr. Wilgus will teach courses in ballad scholarship and primitive literature in the UCLA English Department and folksong and folklore courses in the Folklore Group. He will head the folksong staff in the newly established Center for the Study of Comparative Folklore and Mythology and will also be associated with the Institute for Ethnomusicology.

Since joining the Western faculty in 1950, Dr. Wilgus has established the Western Kentucky Folklore Archive, containing thousands of folkloristic items collected in Kentucky and bordering areas. He is past president of the Kentucky Folklore Society and from 1951 to 1960 served as secretary-treasurer. In 1955 he founded the *Kentucky Folklore Record*, which he edited until 1962.

Dr. Wilgus is the author of *Anglo-American Folksong Scholarship Since 1890*, published by Rutgers University Press in 1959. He is a fellow of the American Folklore Society and the John Simon Guggenheim Memorial Foundation, and record review editor of the *Journal of American Folklore*.

Record Enroll

Continued from page 1

summer's enrollment. Last year a total of 2,034 students enrolled for the summer session.

In addition to the 2,149 students enrolled in the college, a total of 468 students are enrolled in the Western Training School, according to James A. Carpenter, director of the school.

The summer term will close on Friday, August 3, with commencement exercises for summer graduates at 7:30 p.m. in the Western stadium.

Rose Is Guest At Illinois Festival

Mr. Claude Rose of the music department recently was one of three guest conductors who participated in a Vocal Music Festival in Harrisburg, Illinois.

He conducted a junior high male chorus of 150 in three numbers and conducted one additional number for an 800 voice mixed chorus.

Mr. Rose was accompanied by Mrs. Rose during this two-day festival.

Players Plan Ambitious Program For 62-63 Season

The new executive board of the Western Players for the college year 1962-63 has planned an ambitious program for their new season. The members of the new board who met with Director Russell H. Miller recently, were Larry Siria, chairman; Millie Wood, secretary; Al Young, business manager; Sharon Stanley, public relations representative; Pat Jackson, personnel manager; Ed Curtis, stage manager; Bette Miller, program coordinator; Bennie Vicious and Betty Jo Atkinson, social chairmen; and Carolyn Patton, historian.

From the Open House social meeting for new members, to be held in the Memorial Room of the Paul L. Garrett Student Center, to the Annual Awards Dinner at Manhattan Towers in May, the proposed program is filled with a varied balancing of activities for those students interested in theatre. The usual four major productions, including a modern comedy, classic of the theatre, musical, and fantasy, or melodrama, are planned. Shakespeare, again, has been mentioned for the classic, and "Teahouse of the August Moon" as a possibility for the comedy.

The Experimental Program for the monthly meetings has been maintained with six productions planned in this area. The first of these is to be the presentation of an original by Mr. William H. Agee of the English Faculty, entitled "My Aunt Mina." Bette Miller will be the student director of this first program.

At the Annual Awards Dinner on May 18, "Toppers" were awarded to the following 18 Players for outstanding achievement in this year's program: Best Actor to Charlie Logsdon, Best Actress to Bette Miller and Millie Wood, Best Supporting Actress to Polly Jacques, Best Supporting Actor to Al Young and Frank Ham-

mond, Outstanding Freshman to Betty Jo Atkinson and Robert Alexander, Best Science Design to Betsy White, Best Stage Manager to Warren Kessler, Best Lighting Design to Howard Evans, Best Sound Track to Larry and Daria Siria, Best Prop Job to Linda Ford, Best Costuming to Sharon Stanley, Best Make-up to Betty Jo Atkinson, Best Student Directed Play to Charlie Logsdon and Most Versatile Player to Al Young. Key Members and were named at the same time.

In retrospect, the Western Players had a busy and successful year. The four major productions—Anderson's classic of the theatre, "Missouri Legend," E. B. Cincy's modern melodrama, "The Skin of Our Teeth," Thornton Wilder's fantastic farce, and revue.

The Experimental Theatre presented six varied and exciting productions—Marla Brandon's original, "Thunder on the Hill," the late Richard Oakley's original adaptation, "Medicine for Melancholy," Warren Kessler's adaptation of the TV thriller, "Sorry, Wrong Number," Charlie Logsdon's cut from "Campobello," called "Ten Steps to the Presidency," Bob Wurstr's concert theatre production of Robert Penn Warren's "Brothers to Dragons," and Sally Rodes's Kabuki production of "Gonza, the Lancer." In its third year, the Experimental Theatre achieved an increased popularity and interesting variety.

Nat'l Teachers Exam Dates Set

The date for administering the second National Teachers Examination has been set for October 6, 1962. Closing date for receiving applications and fees for this test is September 20, 1962, since time must be had for ordering testbooklets and supplies.

Application blanks and information bulletins may be secured from the office of Dr. T. O. Hall, Coordinator, Counseling and Guidance, Room 223, Cherry Hall. Since Dr. Hall has only a limited number of applications blanks, and already nearly half the number has been forwarded to applicants by mail, it is suggested that students now in school contact Dr. Hall as soon as possible before the supply of applications will have been exhausted.

The fee to accompany filled in applications are as follows: Basic Service Fee \$5.00 — all students
Common Examinations Fee \$4.00 — all students

If students desire to take certain optional subject matter examinations, they may do so by paying an additional \$2.00 fee for each option chosen.

Fall Term Opens September 10

1962 Hilltoppers Face Tough Eight-Game Grid Schedule

Denes-Men To Meet All Seven OVC Teams

Coach Nick Denes recently released an eight-game schedule for his 1962 Hilltopper football team.

Four games will be played at home in the Western Stadium and four on the road. All seven of the Ohio Valley Conference teams will be met. The only outsider the Hilltoppers will play is Southeast Missouri which invades for the opening game of the season on the Hilltop campus Sept. 15.

Powerful Middle Tennessee comes in for a night clash on Sept. 29 for the first OVC test at home.

The clash with Austin Peay, latest addition to the OVC, on Oct. 6 has been designated as Band Day. The annual YMCA Cheerleaders Clinic will be held the same day.

Homecoming for 1962 will come on Oct. 27 when the Hilltoppers host the Eastern Kentucky Maroons.

Road games send the Hilltoppers to East Tennessee on Sept. 22. Tennessee Tech on Oct. 13. Morehead on Nov. 3, and the season's finale against Murray; on Nov. 10.

The Hilltoppers will have back 23 lettermen from the 1961 squad which shocked the entire OVC by finishing with a record of six wins and three losses. Only two narrow defeats at the hands of Middle Tennessee and Tennessee Tech kept the Hilltoppers from going all the way.

The schedule:

Sept. 15 — SE Missouri, home (N)
Sept. 22 — E. Tennessee, away (N)
Sept. 29 — Mid. Tenn., home (N)
Oct. 6 — Austin Peay, home (Band Day, YMCA Cheerleader Clinic)
Oct. 13 — Tenn. Tech, away
Oct. 20 — Open date
Oct. 27 — Eastern Ky., home (Homecoming)
Nov. 3 — Morehead, away
Nov. 10 — Murray, away

The sensational Hilltopper surge which came after Western had been touted to finish last in the league won for Coach Denes the

1961 'OVC Coach of the Year' accolade.

Back from the 1961 crew will be Jim Burt, the sensational freshman, who led the team in rushing, and; Lee Murray, senior end, who was the Hilltoppers' Most Valuable Player last year. John Burt, highly touted two-time All-Star at Highlands, will be ready for action this year after being sidelined all last season with a broken leg suffered in pre-season practice.

Other established performers Coach Denes will have are tackles Jim Taylor and Paul Finnisseth; guards John Barriolo and Joe Bugel; centers Bobby Westmoreland and Gary Kelley; quarterbacks Jim Dally, Bill Strub, and Joe Druga; and halfbacks Bobby Mitchell, Buxy Best, and Carson Culler.

Grid Men Romp In Classrooms

Western's Hilltopper football squad not only romped to a winning 1961 season across the grid-iron, but Coach Nick Denes' 37 lettermen did some romping in the classroom as well.

Seven members of the team hurried in an academic average of 'B' or better for the 1962 spring semester. The combined academic average of all grid lettermen is 1.51, which is much higher than the all men's undergraduate average of 1.18.

Ollie Newell, junior guard from Point Pleasant, W. Va., posted the top scholastic average for a football player. The 22-year-old physical education major recorded a 2.81 average out of a possible 3.0 for 17 semester hours of academic work on the Hill.

Close behind Newell in academic standing is junior guard John Barriolo, Moorhead, Miss., who finished the semester with a 2.60. Barriolo, also a physical education major, earned 15 semester hours of credit.

Other lettermen compiling 'B' or better averages for the spring semester are: junior guard Joe Bugel, Munhall, Pa.; freshman quarterback Sharon Miller, Mt. Carmel, Ill.; junior quarterback Bill Straub, Ft. Thomas; junior center Bobby Westmoreland, Celina, Tenn.; and sophomore center John Hopper, a transfer student from the University of Kentucky, who hails from Princeton.

All 37 lettermen will be on the 1962 Hilltopper football squad when they meet Southeast Missouri in the Western Stadium for the season's opener on September 15, at 7:30 p.m. CST.

FIRE FOR EFFECT . . . Pictured above is one type of training which ROTC cadets attending summer camp at Ft. Bragg, N.C. can expect to receive. These cadets are receiving instruction in firing the Army's 3.5 rocket launcher, one of the many weapons which they will be permitted to fire during summer camp. The above photo was taken during last year's summer camp, held at Ft. Knox.

ROTC Cadets Receive Training At Ft. Bragg

Thirty-five Western ROTC cadets are attending the annual summer camp at Ft. Bragg, N.C., June 23-Aug. 3.

During the six week period, the cadets will undergo rigorous infantry training, putting into practice the skills they have learned during three years of classroom instruction. The cadets will receive instruction in weapons, tactics, and command and will be permitted to fire many of the Army's modern Infantry weapons. Tactics instruction will cover up to and including company level and the future officers will be familiarized with duties at the battle group level.

Those cadets who will attend are: Edward E. Bruen, William P. Carneal, James I. Daily, Gale P. Dillard, William E. Hambrick, Charles W. Hanner, James D. Hutcherson, Michael L. Meuth, Barry G. Poole, Ronald W. Southard, Harry M. Summerville, Warren L. Taylor, Jerry C. Traylor, and John N. Vittoe.

Dallas L. Bowles, Thomas P. Dunn, Dalton R. Hardison, George D. Head, Russell B. Mabrey, William R. O'Flynn, James L. Perry, James W. Ritter, Jerry W. Taylor, and Roy S. Wilson.

Melvin R. Blair, Gerald W. Fudge, Charles A. Haynes, Ronald S. Osburn, Michael T. Ridley, Jack E. Sanders, Weslie L. Webb, William G. Brown, Monty S. Cox, Gerald R. Hardison, and Kenneth I. Helm.

Six of the aforementioned cadets have been named as tentative Distinguished Military Students prior to attending summer camp, by Lt. Col. James F. Marquis, Professor of Military Science. They are: Meuth, Traylor, Vittoe, Brown, Dunn, and Ridley.

Three members of the military department cadre will accompany the cadets to Ft. Bragg and remain there during the summer camp period as members of the summer camp training staff.

Captain Richard Westlake, junior ROTC instructor, will serve as tactical officer of "C" Com-

pany. SFC. William Parks, sophomore instructor, will be a platoon sergeant in "F" Company. SFC. Chester Mercer will serve as operations Sergeant in the S-3 section.

SFC. Robert Gour, Sergeant-Major of the military department, will attend a similar summer camp at Indiantown Gap, Ahnville, Pa. While there, Sgt. Gour will act as an instructor.

Appointed To Nuclear Burst Physics 5400

Thomas B. Cook, Jr., Manager of Nuclear Burst Physics Department 5110 for the past three years, was appointed Director of Nuclear Burst Physics and Mathematical Research 5400, effective June 1.

Mr. Cook has been with the Nuclear Burst organization since he joined Sandia as a staff member in August 1951. He was promoted to section supervisor in November 1955, and became division supervisor in August 1956.

A 1947 graduate of Western, Cook received his Master's degree in 1949 and his PhD degree in Physics in 1951 from Vanderbilt University, where he held several fellowships.

Mr. Cook is a member of Sigma Xi, honorary research society; the American Association of Physics Teachers; and is a Fellow of the American Physical Society.

The son of Mr. and Mrs. T. B. Cook, 1305 Center St., Bowling Green, Mr. Cook is married to the former Virginia Preston, daughter of Mrs. John Preston Alan, also of Bowling Green. The Cooks have two children, a 12-year-old son and a daughter who is nine. Presently, Mr. and Mrs. Cook and their children are residing at 900 Four Hills Rd., S.E., Albuquerque, New Mexico.

Spanish Club Elects Officers

The Spanish club held its election of officers at their annual picnic on May 14. The following people were elected: Allan Logsdon, president; Jo Crume, vice-president; Sylvia Terry, secretary; Judy Martin, treasurer; Sue Smiley, chorister; Wanda McCubbins, reporter and Artie Sater, sergeant-at-arms.

After the picnic, which was held at Municipal park, the club presented Dr. and Mrs. Hatcher with presents.

NSF High School Program

Continued from page 1

teach in elementary schools, welcomed the opportunity of affiliation with the N. S. F. program in 1959. The first applicants, as the present ones, were screened with no less than a 115 Intelligence Quotient. In most instances the students have been chosen from schools that have had limited offerings in the sciences. As a rule, only one participant has been chosen from each high school but there have been exceptions where, unusual potential was apparent. The eight-week session is designed to take care of the needs of students chosen to participate in the study of chemistry and physics.

The major objectives of the program are to offer quality acceleration in the sciences.

Dr. William Hourigan, associate dean of undergraduate students, is chief instructor in chemistry and Eugene Tate, principal and science teacher at Greensburg, Green County, teaches physics. Their assistants who also serve as counselors, include Dale Leach, Franklin Caffmen, Robert Franklin, Margaret McNamara, Rebecca Clemmons, Robert Hall, and Jerry Gibbs. Billy Braden is coordinator of the program and serves as general supervisor for all student activities. Dr. Marvin Russell, head of the physics department, gives special instruction at intervals.

The only cost to participants is a \$5.00 student activity fee for social functions and a \$5.00 housing deposit which is returned to the individual at the termination of the course. All books are furnished by the students.

Dr. Page's protege has been so carefully planned that, aside from the primary technology, the prototype provides development of initiative and originality in the individual. Each participant is encouraged to plan and work on a suitable project, problems, or investigations which are directly related to the course of work.

Each counselor sees to it that his particular group is thoroughly aware of all recreational facilities of the school; and there is a wide assortment. Special emphasis is placed on the individual

participation in some social or recreational activity during the student's free time.

public instruction, State Department of Education.

State Superintendent of Public Instruction Wendell Butler will speak on "Generalization of Education".

The Superintendents Conference, designated as an official meeting by the State Department of Education, will serve as a sort of dividing line between the conclusion of the two-week seminar

SUPT. WENDELL P. BUTLER

on the "Administering of Kentucky Public School Funds" and the "Educational Equipment and Materials Workshop," starts on Thursday, July 19 and continues through July 20. It will feature a large display of new educational aides, textbooks and other materials which will be on display in the Western gymnasium. This workshop is directed by Finian Farley, Professor in the Department of Education.

All three of these programs are closely related and will be dovetailed then capped with a social function in the order of an "old Fashion Fish Fry" on the grounds of the Kentucky Building at 4:30 p.m.
