Dr. Kelley Thompson, President
Western State College
Bowling Green, Kentucky

Dear Dr. Thompson:

We are enclosing an approved budget for the total amount that will be reimbursed your Board of Education in the operation of the Western Trade School for the fiscal year 1959-60. The total amounts approved on the forms VE-1 for the following activities are:

- Trade and Industrial Education: $48,753.12
- Distributive Education: $4,970.50

Please be advised that these budgets are approved upon the contingency that anticipated income from tuition and fees, as well as from other sources, materializes as presently anticipated. In the event that a drastic reduction in funds should result from any source, it would automatically necessitate a reduction in the enclosed budgets accordingly.

It has been necessary for us to cut the request on all items marked in "red" on both the Trade and Industrial Education budget and the Distributive budget.

The budget for the Practical Nurse Program will be sent to you in a few days. All forms VE-2 will be mailed directly to the Area Trade School Director.

Very truly yours,

Fred A. Martin,
Director
Industrial and Distributive Education
