Vol. 6. BOWLING GREEN, KY., FEBRUARY, 1923. NO. 5.

THE SPRING TERM BEGINS APRIL 23, 1923

NEW CLASSES START APRIL 23, 1923.

On April 19th, registration will commence for new classes starting Monday, April 23d. Students may enroll for full work (eight semester hours in college subjects and one and one-half units of High School credit) until Wednesday, April 25th, inclusive; for half this credit until April 28th; at which time no further enrollments will be permitted.

For example, students having had English 6 but not English 7, can enroll in English Literature for the last half of the semester and finish this credit.

The following subjects in the high school and college field will be offered during the mid-semester:

- Beginning Caesar
- Greek and Roman History

WE WILL MEET YOU IN LOUISVILLE

The Western Normal and Teachers College will have headquarters on the Mezzanine Floor of the Seelbach Hotel, Louisville, during the session of the Kentucky Educational Association.

The annual get-together meeting of all students of the Western Normal and Teachers College will take place Friday afternoon from 3:30 until 6:30 in the main dining room of the Seelbach Hotel. Every former student is not only asked, but urged to be present for roll call. It is earnestly hoped that the predominating characteristic of the meeting will be that spontaneity, warmth and freedom which flows from good fellowship and a unity of ideals. There will be no formal program. Everybody is on the program and a minute is the limit.

We earnestly hope that every former student will tell other students about the get-together meeting and urge them to be present. The forthcoming meeting is going to be, without

question, the greatest in the history of the institution.

The institution urges every former student to be sure to call at headquarters on the Mezzanine Floor of the Seelbach. Headquarters will be open Tuesday morning and remain open until Saturday night. A most cordial invitation is extended to everybody and especially former students to call at headquarters and be at home.

A special train will be run to Louisville by the L. & N. Railroad Company for the benefit of the faculty and students of the Western Kentucky State Normal and Teachers College. A very low rate has been secured. The train will leave Bowling Green at 5:00 o'clock Friday morning and will return some time Saturday night. The number of students who will take advantage of the opportunity to attend the K. E. A. this year will, according to present signs, eclipse all previous records. We hope you are making your arrangements to be there.

We will meet you at the institution's headquarters on the Mezzanine Floor of the Seelbach during the session of the Kentucky Educational Association.
