## Driver Responsibilities

**WKU** It is the responsibility of all permit holders to know all university parking rules and regulations. They are available at [www.wku.edu/transportation](http://www.wku.edu/transportation).

**WKU** Drivers are responsible for finding an authorized parking space. Lack of space, mechanical problems, inclement weather conditions, or other disabilities are not considered valid excuses for violation of parking and traffic regulations.

**WKU** A parking permit signifies that an individual has been granted the privilege of parking on university property. It does not guarantee the holder a parking space, but only an opportunity to park within a specified zone.

**WKU** Ownership of all parking permits remains with the university and is not transferable to other persons. Any permit purchased from someone other than the Department of Parking & Transportation Services is not valid.

**WKU** The failure of the university to strictly enforce any parking regulation shall not be construed as a waiver for the future enforcement of the regulation.

## Parking Do's and Don'ts

Following these suggestions will greatly reduce the possibility of receiving a parking citation.

- Do** have your questions regarding parking answered by the friendly Parking & Transportation Services staff. Any other source may be unreliable.
- Do** pay attention to the time restrictions when parking at the meters. Keep in mind that the time limits vary according to meter location. Each meter is labeled with time limit maximums and cost.

- Do** observe the signs at the entrance of each lot. The signs will indicate what kind of permit is required for that lot.
- Do** keep your vehicle information updated.
- Do** familiarize yourself with all the parking regulations. This is your responsibility if you park on campus.
- Do** read P&T email alerts about temporary changes to parking, traffic, or transportation services or, follow PTS on FaceBook or Twitter.
- Do** park carefully, within the lines, to avoid an improper parking citation, or a non-designated space citation.
- Don't** assume there is any free parking on campus. Usually there is not.
- Don't** park on the grass.
- Don't** park in a yellow zone or fire lane.
- Don't** park in a disability space without a WKU issued disability permit.
- Don't** park anywhere that is not designated as a parking space. Spaces are designated by striping in paved lots and wheel blocks in gravel lots.
- Don't** trade permits or lend permits to your friends. If a vehicle displaying your permit receives a citation, the citation is your responsibility.
- Don't** purchase a permit from anyone except Parking & Transportation Services. Parking permits purchased elsewhere are invalid and may be stolen.
- Don't** let your parking citations go unpaid. Vehicles may be booted and/or towed and parking privileges revoked when citations are not paid. Additionally, holds will be placed on your Topnet account blocking you from registering for classes, dropping classes, or getting your transcript. Other penalties may also apply.

## Enforcement

**WKU** General and safety parking regulations are enforced 24 hours a day, 7 days a week.

**WKU** Permit regulations are enforced 7:00am-4:30pm Monday – Friday. In addition:

- The Mimosa, Gated Hilltop and Gated Regents lots require a current WKU permit from 4:30pm – 10:00pm Monday – Friday.
- Housing zones require Housing permits from 4:30pm Sunday – 4:30pm Friday.

**WKU** For more details, please refer to the back of your permit or signs posted in each parking lot.

**WKU** WKU PTS enforces safety violations on roads and alleys within a block of the university and owned by the city. A university permit is not required to park on a city street.

## Parking Violations and Fines

Violation	Fine
Impound/Immobilize Bicycle	\$10
Failure to Pay on Exit	\$10
Beyond Time Limit	\$25
Improper Display of Permit	\$25

	H	Housing			Construction Zone
	C	Commuter			Bus Stop: Red Line
		Bus Stop: Blue Line			Bus Stop: White Line
		Bus Stop: Green Line			

## Use of Parking Permits – General Requirements

- WKU One permit, in the form of a hangtag or a decal, will be issued to each customer. This permit may be displayed in any vehicle driven by the permit owner.
- WKU State issued Disability placards must be accompanied by a WKU issued disability permit or visitor permit.
- WKU Hangtags must be displayed on the rearview mirror so that the permit number is completely visible.
- WKU Adhesive window decals will be issued for customers who drive convertibles or other vehicles where hangtags are not appropriate. Window decals must be displayed on the lower corner of the front windshield on the driver's side, with the permit number visible.
- WKU A locking permit sleeve is available from PTS, at cost, for individuals moving a hangtag between an automobile, motorcycle and/or convertible.
- WKU Permits should be removed from the vehicle when there is a change in car ownership, the permit has expired, or the driver is no longer associated with WKU.
- WKU Permit ownership is non-transferable. Do not purchase a permit from anyone other than Parking & Transportation Services.

## General Safety Tips

- Always remove valuables from sight and lock your vehicle.
- At night, try to park your car close to lights and activity. Call WKU Police Department for a safety escort, if you don't feel safe walking alone. 270-745-2548.
- Report theft, damages or suspicious activity to the WKU Police Department.
- Report a stolen or lost parking permit to Parking & Transportation Services at 745-2361.
- Emergency call boxes (phones) are placed around campus to assist you.
- While driving on campus, watch out for cyclists and pedestrians. They have the right-of-way.
